Principal's Message

Well, it seems hard to believe, but Term One is finished, and I am thrilled with the behaviour and learning of our students this term. There have been so many positive experiences during the past 11 weeks, and the school feels very settled and the students happy. In the past two weeks, all students on Gold, Silver or Bronze have received ice cream by way of letting them know they are doing a great job. It was lovely to hear them say thank you and be acknowledged for doing the right thing. Many of the same students went to the Easter Show, another opportunity offered to our "good" and regularly attending students.

More evidence of our wonderful community-minded students was their actions around The World's Greatest Shave. You may have seen our four Captains in the Mercury before they had their hair cut, and in Harrison's case, his head was shaved. The SRC raised just over \$5,000- for the Leukaemia Foundation.

I know I shared the letter we received from Murat Dizdar with you. It was wonderful for the students and staff to be recognised by the Secretary of the Department of Education. In it, he wrote about our HSC results, “Warilla High School saw an uplift of 16.4% from 2017-2018 in 2023 and continued improvement from 2022 to 2023 in your top three band results; this improvement represents one of the highest improvements in the state and demonstrates Warilla High School’s ongoing commitment to student improvement and school success in the HSC”. Accolades like this are so good, as it reinforces that the efforts of both the teachers and the students are working!!! I also acknowledge the work of you, the families, for playing your part in this effort. We all want the best for every student at Warilla High.

We also had a lovely visit from Stephen Jones MP last week. He was so impressed by the school and the students that he had a lengthy conversation with. He asked them what they liked about school and they spoke of a variety of things with enthusiasm and genuinely “sold” the school to him as an outstanding place, which it is!!!

The SRC Induction was the highlight of this week, and 43 outstanding young people became the Student Representative Council for 2024. While this may seem like a very large group, it reflected the many students who wanted to be involved and serve their school. Thank you to the families who came to watch the event, as it made this occasion so special. Year 7 was the audience for the induction, and their behaviour was excellent!!!

Finally, today was the Cross Country. Thank you to the students who ran and to the staff for marshalling. Everyone seemed relaxed and enjoying each other’s company and the good weather. Thanks also to the Foreshore Centre for cooking the BBQ and Julee Sandiland, who brought Ollie, the therapy dog, and her two sisters to enjoy the Day as well.

Have a lovely holiday, and will do it all again in Term 2.

***With kind regards,
Ms Brook, Principal***

Deputies' Report

From the school's perspective, 2024 is a year that appears to be moving at a rapid pace. In reviewing Term 1, to say that the first 11 weeks of the school year have been action-packed is not an understatement.

It is student learning that is the key driver of any school, and Warilla High School always works to maintain an environment where academic success is valued and attainable for all. In Term 1, our students, Years 7 and 9, were involved in NAPLAN testing. Testing is a long three-week process for the school and students involved, but one that is important. The tests provide the school with data to assist individual students with their learning but also helps to identify areas for improvement across whole cohorts. Strategic planning can, therefore, occur, and programs can be implemented to build on student strengths and rectify deficiencies.

The whole school vocabulary program and Year 8 enrichment classes are examples of the school responding to student needs based on data collected over several years. The growth in our student's literacy and numeracy skills demonstrated by our 2023 Year 7 to 9 NAPLAN and confirmed by Term 4 2023 Check-In testing is proof that our focus to improve these foundation skills is working.

Our Year 7 and 9 students will be asked to sit for Check-In testing during Term 3 of this year. This will allow the school to review the progress of our students in a timely manner and evaluate the ongoing effectiveness of programs and strategies. In the end, we all want to see 'our kids' improve and be successful.

We have also been looking to support our Year 11 students who have made the transition to HSC study. Students and their parents were invited to an evening launch of our Year 11 -Start Strong initiative. This introduced the support available for our students to help them navigate the two years of HSC study. One of these supports is the Thrive Mentor program, where Year 11 students choose a staff mentor to assist and guide them through what is a hectic but rewarding period of their schooling.

During Term 3, students from all year groups will have the opportunity to be involved in study skills sessions provided by Elevate Education. These include but are not exclusive to Junior Time management for Years 7 to 9 and Ace your Exams for Year 11. If you or your child is interested in finding out more about these sessions, please feel free to contact Mr Harry, who has organised this partnership and ensured that there is a session that caters to all year groups.

It would be remiss not to give a special mention to our Year 7 students and families. Congratulations on an incredibly settled and productive transition to secondary school. Starting Year 7 is a huge change from what students are used to in a primary setting, but Year 7 2024 have proven themselves to be resilient and motivated to make their high school experience positive. Well done!

It would also be remiss not to wish our Year 7 Year Adviser, Mr Dean, all the best as he takes a few weeks leave in Term 2 and embarks on the journey of fatherhood for the first time.

Finally, a quick reminder. With the onset of the cooler weather, can we also remind families that our uniform shop has a range of school jacket options, including soft to-the-touch and very warm Sloppy-Joe jumpers. If a family chooses not to purchase from our uniform shop, only plain navy blue tops and bottoms are acceptable to be worn at school. We especially ask that students don't wear grey or black track pants or anything emblazoned with a large logo. Parents are reminded that assistance is available when required in cases of financial hardship to help in getting students into an approved school uniform item.

We wish you all a safe and relaxing Autumn holiday break.

Mr Hales, Mr Boscoscuro and Mrs Neden

IMPORTANT MESSAGES

LATE ARRIVAL – CHANGE OF PROCEDURES

Up until 9.30am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.30am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

UPDATING STUDENT DETAILS

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

PRIVATE PERSONAL PROPERTY

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

PARKING IN SCHOOL ZONES

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

RIDING A BIKE TO SCHOOL

Students who ride a bike to school are required by law to wear a helmet.

STUDENT ABSENCES

Students must bring a note to explain their absences. A green 'Absence Book' is available from the front office. Unexplained absences will appear on the student's report.

FINANCIAL ASSISTANCE

Parents experiencing financial difficulties can apply for support through the Student Assistance Scheme. Funds are available to help with subject fees, school uniform and books. All enquiries through the front office.

2024 HSC Disability Support Provisions

Disability Support Provisions are adjustments approved by NESA to be used by students when sitting the HSC. The HSC support provisions are implemented for those students with disability who couldn't otherwise make a fair attempt at the HSC exams. Support provisions are practical interventions that allow students to access the exams on the same basis as students without disability.

Adjustments permitted by NESA are determined by the functional impact the student's disability has on their ability to access and attempt HSC exams.

Disability covered by these provisions includes, but not limited to Autism, reading, writing and numeracy difficulties, very poor handwriting, excessive pain caused by writing, mental health conditions, anxiety, depression, ADHD, colour blindness, vision and hearing difficulties, medical conditions e.g. diabetes, epilepsy, chronic back pain, physical injury. Provisions may include but are not limited to braille papers, large-print papers, use of a reader and/or writer, extra time, or rest breaks, small group supervision, stand and stretch, diabetic provisions.

Applications for students are lodged online by the Warilla HS. Each student's application is discussed with the student and parents or carers. The provisions sought are dependent on the support needs of the student.

Applications for support provisions generally close on the last Day of term 1, 2024. Late applications can be lodged and are generally considered.

If you would like to find out more, contact Ros Gaynor (roslyn.gaynor@det.nsw.edu.au) Learning and Support Teacher.

Big Day In @UTS

Warilla High students are preparing for the future! Students travelled to UTS in Sydney to attend the 2024 Big Day In IT Conference. Industry professionals covered topics such as career paths, career opportunities, the latest developments, and the future of technology. During the breaks, students were able to speak with company and university representatives to learn about courses, degrees, work experience, internships, and apprenticeships. They also engaged in hands-on demonstrations of awesome technology. For more information and great resources, go to <https://www.thebigdayin.com.au>

Treat yo' Self Tuesdays

'Treat yo' self Tuesdays' featuring our new Indigenous print picnic rugs! Recently, there have been a few "Teacher vs student" totem tennis matches that have left everyone laughing. Nothing wrong with a bit of competition, right?

It has been fascinating watching students gravitate to the same resource week by week, either to improve on skills or to use the resource in a different way entirely, e.g. students using Jenga as a competitive game one week and then building a tower out of the blocks the next week.

Thank you again to Toby & Fiona from Bakers Delight Warilla for your weekly donations for this program.

Natasha, the Community Engagement Officer from Headspace Shellharbour, has been joining us fortnightly and will be bringing along some Headspace Clinicians in the near future. This connection to the broader community contributes to students having a sense of belonging within the community and knowing where to go for support beyond their school years.

'Treat yo' self Tuesdays' alternates between outside the library, in the undercover learning area, the CAPA Lawn or the back oval during break 1 on a Tuesday.

Headspace Shellharbour

Headspace Shellharbour has recently opened in the large building next door to Warilla McDonalds.

At Headspace Shellharbour, they provide a range of services for young people aged 12 - 25 for things that might be affecting a young person's health and well-being.

They can assist with:

- Mental health
- Alcohol and other drug services
- Bullying and relationships
- Education, employment, and training services
- School and work issues

To find out about all the services available – or to make an appointment – you can call, email or drop in.

You can also ask a friend or family member, health worker or other community service to make an appointment for you.

We offer appointments in person, by video or by phone.

Harmony week ❤️

Did you know:

- That within Australian homes, there are more than 300 languages spoken?
- 49% of Australians were born overseas or have one parent that was born overseas?
- That there are more than 100 religions practised within Australia?

These were some of the facts that Year 7 spoke about during Harmony Day Guidance lessons.

Student Support Officers Claire & Jewel ran a range of activities that facilitated discussion about belonging, equity, acceptance, mindfulness and kindness.

Students shared cultural traditions, discovered the flag that represents their culture, added leaves to the harmony tree, made harmony day chatterboxes and took polaroids of their pearly white smiles because "we all smile in the same language".

Jewel

SRC

The Student Representative Council (SRC) has ended the term with a bang! For the fifth consecutive year, we enthusiastically participated in the World's Greatest Shave. It was incredible to see numerous students from our school community bravely shave, cut, or colour their hair in support of this meaningful cause. The atmosphere around the school was nothing short of magical.

A massive shoutout goes to Just Cuts at Shellharbour Square for generously volunteering three of their experienced hairdressers to assist us on the Day. Their attendance helped the event run smoothly and added to the excitement of the day.

So far this year, we have raised over \$4200, marking our best effort yet! The generosity and support shown by everyone involved, through participation or donations, have been truly heart-warming. All funds raised are directly donated to the Leukemia Foundation. Massive Thank You to all who have already donated. For those who still wish to contribute, you can donate by visiting the following link

<https://secure.leukaemiafoundation.org.au/registant/TeamFundraisingPage.aspx?teamID=144841&langPref=en-CA&authuser=1>

The SRC also recently held its induction ceremony, a deserving celebration filled with camaraderie. We were honoured to have the families of our members join us for this special occasion. Special thanks to our Year 7 students for their attendance at their first formal assembly and their exemplary behaviour.

Sasha Campbell and Esen Crnogorčević

The Foreshore Centre's S3 Class Hosts a Delightful Morning Tea

On the morning of 3rd April, The Foreshore Centre's S3 class welcomed parents, grandparents, friends, AEO Katrina Simon and principal Michelle Brook with open arms and delicious treats for a special Morning Tea event. This gathering was more than just a casual meet-up; it was a vibrant display of the student's learning journey and an opportunity to foster stronger community relationships.

With smiles and enthusiasm, the students took charge of the event, eager to share their knowledge and skills with their guests. Students proudly showed off their artwork, classroom learning activities and culinary skills.

The morning tea wasn't just the impressive displays of academic prowess; it was the genuine sense of belonging that filled the room. As parents mingled and interacted with both students and teachers, it was evident that these connections went beyond the classroom, laying the foundation for a supportive and inclusive community.

The students took on the responsibility of hosting and serving food to their parents, further enhancing their social skills and fostering a sense of pride in their abilities. It was great to see them building their confidence to engage with adults, demonstrating the values of respect and hospitality.

The Foreshore Centre looks forward to hosting more events that celebrate the achievements of its students and deepen connections within the school community.

Sustainable Growth Hub

On Tuesday, 12^h March, the Sustainable Growth Hub welcomed Clíodhna Maguire (First Nations Youth Community Greening Officer from the Australian Institute of Botanical Science) to assist us in renewing our herbs & vegetable planting. We constructed soil for the vertical gardens and identified appropriate plants for winter growth.

The Foreshore Centre students also received a donation for a worm farm and started the process of adding compost and worms to create natural fertilisers for our garden. Students were educated about the chemical processes involved in composting.

Foreshore end of term 1 activities

On Wednesday 10th, April, Foreshore students from S2 & S4 classes were involved in a social interactive day at Shellharbour Pool, where they swam in Beverley Whitfield pool, had a BBQ lunch, and then walked along the beach to the Shell Cove marina. Although it was quite windy all day, all 16 students had a fun day whilst developing water safety awareness & social skills. Well done to all for representing the school's values so well.

WellBeing News

We have been lucky to have Ollie and our other Well-being Dogs continue their work with us. Ollie and Shiko have been visiting staff and students, working with our classes and attending lots of events.

We also held a BBQ at school to raise money for the Well-being Dog Jasper. Jasper had been quite sick, and it was fantastic to see our staff and students rally together to support him in his recovery.

Breakfast Club has been in full swing each Wednesday. We love seeing the students early – the space has such a good vibe with lots of yummy foods available from our sponsors, WOOLWORTHS – Shellharbour, ShellCove and Stoney Range. We thank them for supporting this worthy well-being program.

The Top Blokes Program is halfway through, and the boys are enjoying it a great deal. Some healthy tips are set out below:

The International Women’s Luncheon held at Bluescope was a great way to expose our female students to the different career paths that are available and the issues that women have been able to overcome to lead in their chosen fields.

This Easter Show Reward excursion was a huge success, with 3 buses heading off to the show. It was great to see all our students who have either BRONZE, SILVER or GOLD awards OR Outstanding attendance students be able to go on this fun day out. A huge thank you to the teachers that came along to supervise.

Another fantastic Award Reward was all the free Ice Creams that our GOLD, SILVER and BRONZE students received. It was lovely to have all these students come together and enjoy a free ice cream. Well done and keep working towards those Awards – striving for Good Vibes really is worth it!

We celebrated Easter and Ollie's Birthday before the end of term, and I will leave you with these cute pictures. Happy Holidays, Everyone 😊

Love from the Well-being Team xx

Hello everyone.

Wow! What a busy, but productive term we have had in CAFS.

Without a doubt, the most challenging aspect of this course is the 'Independent Research Project' (IRP), and the projects that were produced this year were the **best we have seen at Warilla HS.** 🍌

As we edge towards the end of the term, Mrs Heffernan and I would like to congratulate all students on their continual application to learning, and growth in both knowledge and skills.

We have been learning about:

- The research process
- Planning for research
- Conducting research
- Interpreting research

We have been learning to:

- Apply our knowledge and skills to a range of past HSC questions (multiple choice and extended response).
- Recognise the features of **high-quality responses** and re-produce them.

Study tip:

1. Use the resources provided to each student to revise over the break:
 - Summary Scaffolds
 - Flashcards
 - Mind maps
 - Past HSC questions
2. Take advantage of the offer of free support at the CAFS Study Sessions over the break.

Mrs Heffernan and I hope you all have a relaxing break and enjoy some quality time with family and friends.

Warilla HS Canteen Menu

HOT FOOD!

• Flame Grilled Chicken Burger (<i>Pre Order</i>)	\$5.00
• Grilled Chicken & Cheese Burger (<i>Pre Order</i>)	\$5.00

Student ready devices direct from HP at discounted Prices

BYOD Program

Buying directly from HP ensures your child has the right device and support to work in the school environment. Importantly, it guarantees the latest learning devices at affordable pricing. All devices have been selected to meet the schools minimum device requirements.

How Do I Purchase?

The easiest way is to purchase online at www.hp.com.au/byod and use your school code. You can also purchase via the HP Call Centre 1300 725 017 (Mon - Fri 9am - 8pm AEST)

Payment Options?

- Pay with Visa, Mastercard, American Express, PayPal, G Pay, Apple Pay
- Latitude Pay Finance Interest Free for 24 or 36 months contact for more information

What is Accidental Damage Protection (ADP)?

ADP covers the device against accidental drops, spills or damage. Zero excess for three major claims over 3 years. E.g if a student were to drop their device and crack a screen we will come to site to repair at \$0 excess including parts and labour.

IMPORTANT UPDATE REGARDING THE SALE OF ADD-ON INSURANCES !!!

The Australian Securities and Investments Commission has introduced new regulations regarding the sale of add-on insurance products. These regulations now require a 4 day 'pause' between the purchase of a device and any add-on insurance associated with that device. We are still more than happy to assist you to purchase once that time has lapsed.

BE SURE TO CLICK YOUR INTEREST and we will contact you.

For any assistance please call your friendly HP BYOD specialist
Fidoh Natividad 0403 944 111

ILLEGAL PARKING PUTS CHILDREN'S LIVES AT RISK

Children are small, harder to see, behave unpredictably and are extremely vulnerable. They need YOU to take extra care when driving and parking around school zones.

NO PARKING

No waiting. You have 2 minutes to drop-off or pick up. You must stay within 3 metres of your vehicle.

Penalty from **\$191**
+ 2 Demerit Points
