

Equipment Requirements 2023

This recommended equipment is alongside the usual 'pencil case necessities' of: pens, pencils, glue, ruler and highlighters.

We strongly recommend that all students bring a personal device* (laptop or equivalent) to school each day.

*please note that a mobile phone does not meet the specifications of a digital device that supports learning.

Year 7

A laptop or other device that fits our BYOD requirements

Subject	Equipment Requirements
English	1 x A4 128 page exercise book each or BYOD.
Science	
HSIE

Year 11 & 12

Senior students are ***strongly*** recommended to use BYOD

Senior students are encouraged to record their learning in the way that feels best to them.

If the student prefers to make notes and record learning manually general equipment requirements are:

- English courses - an A4 128 page exercise book.
- Math courses - an A4 128 page Grid book, Casio FX82AU Plus Calculator.
- Science courses - an A4 128 page exercise book for each subject.
- HSIE courses - an A4 128 page exercise book for each subject.
- Technology based courses - teachers will advise students during their first lesson.
- CAPA courses - Arts diary/manuscript book depending on the course.
- PDHPE courses - Sports uniform where applicable.

Any specialised equipment will be advised of in the students first lessons in the subject.
