2. From here you can see what subject, class, room and teacher your child has. Each of the different faculties have a different colour.

- 3. Over to the right you have two options to choose from;
 - a. 'Export as iCal' which gives you the ability to export the fortnightly timetable to any of your calendar applications ie. iCalendar, Google Calendar or Microsoft Outlook. You can also set some of these applications to alert you to what is coming up next.

🛗 Export as iCal

- b. 'Print Timetable' will create a PDF version for printing and has two options;
 - i. 'Standard Timetable' This will print all periods and breaks without skipping any empty rows.
 - ii. 'Compact Timetable' This will remove the breaks and any empty rows that may appear (applies to Senior Students)
