## Principal's Message

Last term saw our Year 12 Graduation which marked a milestone for many families. This term saw the HSC commence as the last task left for this engaging group of students. I compliment both students and staff who have so readily given of their time over the holiday break to support study groups preparing for these much-hyped examinations. Indeed, I think there wasn't a day during "stuvac" where students and staff weren't on site and fully immersed in revision activities. I have no doubt the fruit of their labour will be seen in some quality results.

Year 11 have now commenced their HSC studies and I hope the assistance they are currently getting via a school developed *HSC Success Strategy* will stand them in good stead. This program is specifically designed to ensure study time is focused and that students utilise a range of strategies to ensure learning time is maximised. The study skills-set they develop will be adaptable beyond the school and I hope our kids embrace the opportunity with gusto!

Our preparation for the 2019 school year continues at pace as we host our incoming Year 7 as part of our 6-7 transition process. By the conclusion of this process, our newest students will be familiar with the school, have experienced a high school timetable for the day and know where the amenities and other facilities are housed. More importantly, I hope it will light the fuse of excitement for learning and anticipation associated with beginning high school.

On the staffing scene, we are in the process of appointing an additional Head Teacher Welfare while impending retirements may also see additional teaching staff required. I would like to take this opportunity to welcome Mrs Sharon Seeney to our team. Sharon is a substantive SAM who has agreed to join us until the end of 2019 to work as part of the Senior Financial Management Team of the school. She will join Mrs Souter and myself to ensure the equitable distribution of RAM funding in line with the endorsed school plan priorities. Sharon brings significant experience to the role and I look forward to her insights and financial acumen.

On a less savoury note, there have been a number of students who have been pushing the boundaries of our expectations for behaviour across the school. I again reiterate that the school will not tolerate anti-social behaviour of any kind. The use of violence is reprehensible and has no place in our school. Students who engage in such gratuitous actions will have their placement at this school reviewed. Likewise, those who want to taunt others, bully and harass- or have others do their bidding- is anathema to the values of excellence, respect, integrity and compassion that form the cornerstone of our work.

We will not be successful in ensuring our kids have an unequivocal understanding of their obligations in this area without the support of parents and carers. A consistent message from home and at school will go a long way to guaranteeing a daytime environment at school that is tolerant, respectful and inclusive.

As always, your cooperation is very much appreciated as we strive for exactly the same outcome- happy, contented and successful children!

*With my kind regards,  
Mr Hambly, Principal*

## Deputies Report

The year is flying by and our Year 12 students have just finished their final HSC exams. Talking to students as they have been leaving the exams they have been generally quite happy but we will not know the results until the end of the school year. It is an exciting stage of their lives as they are offered employment or various courses. We will keep you posted as to how they go.

Warilla High School has a mobile phone policy and the students have been reminded of it at Year assemblies. The school's stance is that during school hours student phones are "Off and Away". If a parent/carer needs to get in contact with their child they are requested to do so through the school number and a message will be sent to them immediately. Please do not ring them during class time, as they will have their phone taken off them and it will not be returned until the end of the day. Obviously, if a teacher wants students to use the internet for a class activity then, of course, it is OK if they use their phone, or a tablet, to complete the task, and on its completion, it is to be switched off and returned to their bag. With our phone policy, we are teaching our students skills for life. Recently, a visitor to the school and an employer, said they are so against the use of phones during work time in the building industry that after one warning employees can be sacked for violating this code. He even gave an example of a death at a building site because the person wasn't paying attention while using their phone. We ask parents and carers to support us by backing us up and communicating with their child through the office during school hours. We would also add to help our students mature and work on their independence it is good to encourage students to socialise with their friends rather than being on the phone to home during break time.

Recently a letter was sent home to some parents of Year 10 students. These were students who had received a Letter about N Award warnings. The reason we send letters of this type is to keep you informed as to what is happening and our expectations at school. If a student doesn't hand in assessment tasks we give them another chance to clear the matter, but for zero marks. If students have failed to do that we have sent you a letter. We want to work as a team with parents and the student and get these outstanding N warnings cleared, so as to not put their Record of School Achievement (ROSA) in jeopardy. Thank you to the many parents who have called recently about these letters and it is great to see we are clearing these issues. We want all of our students to do their personal best in their ROSA and we appreciate parental support for us to achieve this.

It is a busy place at Warilla High and we have been a little busier recently with orientation days from students who will be enrolling as Year 7 in 2019. The Year 6 students have reported to have had wonderful experiences trying our various subjects and specialist areas they don't get a chance to use in primary school. A huge thank you to the Warilla teachers who taught these exciting lessons, to Ms Napier, who will be their Year Advisor next year and all of the accompanying teachers who also got to see high school for a day. We look forward to seeing Year 6 next year as part of our student body.

As we move closer to the end of the year it is also important to make sure that your student does not have "unexplained" absences on their report. All parents have the ability to access the portal and see what absences their student has and which ones still need explaining. People forget that when students apply for jobs, even just part-time work, employers look at attendance as a really important indicator as to what type of worker they might be, so get please get these absences explained.

Finally, you may not have seen recently in the Illawarra Mercury, the article on Mr Hambly and Mrs Pettit receiving awards for their excellence in Education.

The article begins with "John Hambly may be old school in the way he treats his students like they are his own children, but the Warilla High School principal was also recently recognised by the NSW Department of Education for embracing and encouraging cutting-edge technology.

The highly experienced school principal and former School Education Director was presented the Secretary's Award for Excellent Service.

At the same awards ceremony, fellow Warilla HS teacher Renee Pettit was presented the Minister's Award for Excellence in Teaching, which considers professional knowledge, practice and engagement".

Congratulations to Mr Hambly and Mrs Pettit for being recognised for your great work!!!

**IMPORTANT MESSAGES****LATE ARRIVAL – CHANGE OF PROCEDURES**

Up until 9.15am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.15am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

**SCHOOL FEES**

Invoices for school fees will be sent to parents/guardians by mail during Week 5 of Term 1.

The fridge magnet calendar with 2017 important school dates will also be included.

**UPDATING STUDENT DETAILS**

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

**PRIVATE PERSONAL PROPERTY**

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

**PARKING IN SCHOOL ZONES**

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

**RIDING A BIKE TO SCHOOL**

Students who ride a bike to school are required by law to wear a helmet.

## Update for Vaccinations

Any Year 7 student who returned their purple vaccination consent form but was away on the day to receive their Human Papillomavirus vaccine (HPV) which requires two doses will have the opportunity to catch up at school on 13th February 2019. No further documentation needs to be returned to the school as the nurses have all the information on file.

Any Year 10 or 11 students who was absent on the day for their Meningococcal vaccine will NOT have an opportunity to catch up at school. A nurse from Public Health will be in contact with you around November to inform you that it will only be free from your local GP for the remainder of this year. You will need to make an appointment with your local GP to get this done.

If you have any further questions, please contact Miss King or Mr Smart at school, or the School Immunisation Program Coordinator at the Public Health Unit from November onwards, Monday to Friday 8:30 am - 5 pm Ph: 4221 6700.

## HSC Disability Support Provisions (special provisions) 2019 Applications

NESA offers practical support to students with a disability sitting the HSC. Approval to use disability support for the HSC exams must be granted by NESA.

Disability can include medical conditions such as diabetes, chronic pain, poor fine motor skills (very poor writing), and mental health issues including anxiety or depression. Disability can also cover learning difficulties including associated with reading and or writing.

NESA requires supporting evidence to be submitted with each application. Often this evidence is in the form of current diagnosis from medical providers including doctors, specialist doctors, as well as allied health professionals such as physiotherapists, psychologists, occupational therapists, behavioural optometrists.

Support offered is practical in nature and depends upon the disability, but can include separate small group supervision, reader, writer, extra time, stand & stretch, rest breaks, diabetic provisions.

It is possible for NESA to permit non-standard support.

Applications are lodged with NESA electronically, by Warilla High School, on behalf of each student, with attached supporting documentation.

Submission of applications to access disability support provisions will generally close at the end of term 1, 2019. NESA will consider late applications.

If you are interested in finding out more regarding the process of applying for Disability Support Provisions for the 2019 HSC, please contact Ros Gaynor Learning and Support Teacher

## HOST FAMILY NEEDED!

*Student Exchange Australia New Zealand* is looking for a volunteer host family for a 15-year-old boy from Denmark who is currently attending Warilla High School. He has settled well at the school, so we are hoping that someone from the school community may be interested in hosting him from December to April.

He is outgoing and friendly and loves playing sports. Together with his host family, he would love to experience new activities, share Danish culture and simply be part of his host family's daily life. If you are interested in hosting and finding out more information, please phone Tempel or Masako at the Student Exchange Office: 1300 135 331 / 02 9997 0700 or send an email to [info@studentexchange.org.au](mailto:info@studentexchange.org.au). Thank you very much for your help.

## RUOK DAY

## Christmas Stalls

Friday the 7th of December 2018

SCG, Break 1 & 2

The Warilla High Student School Representative Council are running a day where students can buy beef sliders, homemade lemonade, super-dooopers, drinks, cupcakes, raffles and many items from novelty stalls such as Christmas cards from the SCG - all in the spirit of Christmas!

We have combo deals for \$5 and nothing exceeds that amount.

If your child would like to share their creative talent and wish to join the collection of stalls we have, either to sell something they have made or that a family member has made, please get them to come and see any of the SRC members or Miss Gehrels in the science staffroom; **YOU KEEP THE PROFITS!** (No glass sales, sorry!)

## RBA Education Ambassadors visit Warilla High.

Warilla High Students first to see the new \$50 note.

A group of interested students attended a guest presentation from two Education Ambassadors of the Reserve Bank of Australia earlier this semester. Students in Years 8, 9, 10 and 11 were among the group of about fifty people along with Miss Ryan and Miss Lever and other interested teachers who gathered in the hall after a formal assembly. Economists Tim Atkin and Tanya Livermore explained some fundamental concepts around economics.

The Reserve Bank is independent of government and explains their role on their website (<https://www.rba.gov.au/qa/>) as follows:

*"The Bank conducts the nation's monetary policy and issues its currency. It seeks to foster financial system stability and promotes the safety and efficiency of the payments system. It also offers banking services to government"*

To explain some introductory ideas Tim and Tanya explained the idea of 'Opportunity Cost'. Here's a scenario: you are invited to three parties. You'd like to go to all three but you can only go to one. Which do you choose? Whichever party you decide to spend your time at, comes at the cost of missing the other two parties. By choosing your 'favourite' you have decided attending this party is worth the cost of missing the opportunity of going to either of the others

People in all walks of life make decisions and choices from a range of options available to them every day. By going with their most preferred option, they are letting go of the alternatives (these alternatives are the missed opportunity, the cost, of the decision). Economics looks at how people and their societies make decisions around the expenditure of resources like time, money, water or any number of resources.

During the presentation, students watched a short video from on the bank's website (<https://www.rba.gov.au/education/resources/economics/>) to answer the question "What is Economics". Briefly, the bank answers the question with:

*"Economics is commonly described as the study of how societies allocate limited resources to meet their needs and wants. It is about people making choices under conditions of scarcity and uncertainty. It is present in much of what we hear about and do in our daily lives"*

Tim showed the students the new \$50 note weeks before it was released to the public. He shone a UV light onto the note to show off its security features. Some students in the group were so impressed they asked to take photos of the new currency.

The Reserve Bank has invested in developing a well resourced Education unit in order to increase the number of people studying economics in Australia. Warilla High will run a Commerce Elective 100 hour unit for Year 10 in 2019. The HSIE faculty are keen to see Economics offered on a senior subject line in 2020.

Assistant Governor Guy Dupelle explained to Miss Ryan last year that people do not have to be elite students to do Economics. In the past, there was a perception that you needed to go to an "Ivy League" privileged private school to gain access to the social networks that can bring success. This is no longer the case. The ambassadors who visited Warilla High were both educated at public high schools. Tanya is from the Illawarra and Tim is from The Shire.

Students keen to pursue the study of Economics or Commerce can begin today. People can begin to learn about economic issues just by taking an interest in the public affairs of their community and the wider world around them. They also need to be willing to read, listen and try to connect the dots around how decisions are made about who gets what in a world of limited resources.

Providing Warilla High School students with the opportunity to have these concepts explained to them might foster some inspiration to study Economics in the future, starting today.

## Year 7

Welcome back to the final term of the year. It's hard to believe this time last year our year group was participating in the Year 6 to 7 transition visits! Although the end of the year is fast approaching, year 7 still have a lot of work to do. There are still numerous assessments to complete that will go towards their final grades, so keep up the hard work!

This term, Year 7 have participated in the peer support day up in Blackbutt. The students had a great day completing the amazing race activities and were blessed with warm weather. Hopefully, the weather stays warm, as year 7 are doing swimming and beach activities for sport. With this in mind, I encourage all students to wear sunscreen, bring a hat and a bottle of water, and finally have some fun

***Mrs Ratajkoski***

***Year 7 Advisor***

## Year 9

It is hard to believe that we are almost mid-way through term 4! There may only be a handful of weeks left as Year 9, but don't be too complacent, it is still as busy as ever at Warilla High School.

Term 4 is our second reporting period for the year and students will receive their reports toward the end of the school year. It is important that students are completing and handing in all assessment tasks and ensuring that they catch up and complete any class work they have missed.

I had the pleasure of being part of the audience for the recent Year 9 Drama performance night and it was great to see the creative and collaborative skills being displayed by these students. The students performed confidently to an audience comprised of parents and teachers, and added to the authentic learning experience for these students. I would like to thank the parents for their support.

It will be a busy lead up to the end of the year, so I wish all of year 9 the best of luck in their studies as we look forward to moving into Year 10 in 2019.

## CAREERS NEWS

For Your Diary:

**Tuesday 13<sup>th</sup> November 2018**

UAC guru Trudi Noler is presenting to the new HSC students in Year 11 to debunk the myths and jargon that always floats around about the HSC. UAC are the University Admissions Centre, and at the present moment, the process of applying to uni and receiving your ATAR is done through UAC. Trudi is amazing to listen to, is a wealth of knowledge. She will also be present to interested staff to update their knowledge of the changes.

**UOW Discovery Day 2019:**

**-Wednesday 6th of February** for Year 12s looking at exploring their options and interest in courses at UOW. Students have already registered

**ANU Visit –**

We are encouraging current Year 11 and 12s to discover a pathway that is suited to them and will have various guest speakers in to discuss these options. One of these was a representative from the Australian National University (ANU) which is located in Canberra.

**Reconnect- Term 4**

Sharna has started her job ready program for students have nominated they would like to explore the world of work. This is great group of students who vary from Year 9 to Year 12. If your student would benefit from this program next year, contact Sharna via email on [sharna.kyle@det.nsw.edu.au](mailto:sharna.kyle@det.nsw.edu.au) as she can discuss this with you and your child.

**Uni Connect – Year 12 2019**

Tracy has started a group for students interested in attending university in 2019. Tracy takes the students through the whole process from scholarship requirements, early admission criteria, learning about adjustment factors on a weekly basis. Tracy has had over 50 students register and these have been delivered in A1 during sport time. We like to completely prepare our students so the process is not overwhelming and the students know what they need to start getting together.

## PLEASE HELP!

*We send all sorts of opportunities to the students and sadly they don't even bother to open their education emails. In a large school, it is imperative that students are checking their emails for opportunities. We are still on assemblies, year assemblies and visit classrooms, but this is a common form of communication that students need to adopt. Not only is it for their benefit with courses, information, teacher specific information, but it is a life skill for students entering the workforce.*

## SCHOOL ENROLMENT POLICY

Warilla High School maintains an enrolment ceiling, based on available permanent accommodation and total numbers in each year group. Within the enrolment ceiling a buffer in each year group is maintained to accommodate local students arriving during the school year. Places in the buffer are not offered to non-local students. Feeder schools for Warilla High are Barrack Heights, Flinders, Shell Cove, Shellharbour and Warilla Public schools. Parents and carers are encouraged to contact the school to clarify the local zone for Warilla High School. It should be noted that non-local enrolments accepted by the primary school do not automatically guarantee an enrolment at Warilla High School. Such applications will be assessed as non-local applications.

Non-local application based on 'sibling rights' is not the sole determination in offering a position.

### Placement Panel:

The placement panel will consider and make recommendations on all non-local enrolment applications.

- Year 6 into Year 7 enrolment applications: The Placement Panel consists of the Principal, the Deputy Principal with responsibility for that cohort the incoming year advisor and a SASS officer. The Principal is the chairperson and has the casting vote.
- Applications for enrolment into Years 8 -12, and Year 7 after the commencement of the school year: The panel consists of the Principal and the Deputy Principal responsible for the relevant year group. The panel is chaired by the Principal.
- This policy is endorsed by the Warilla High School P&C. All decisions are ratified by a representative of the P&C executive.

The decisions made by the placement panel are made within the context of the capacity of the school and the buffer retained for local students arriving later in the school year.

### Criteria for Non-local Enrolment Applications:

- Demonstrated leadership and commitment to school and learning.
- Access learning, well-being and or extracurricular programs offered at Warilla High School
- Significant welfare issues.

### Waiting Lists:

A waiting list will be established for non-local students seeking enrolment but unsuccessful in the first round of offers. The size of the list will reflect the realistic expectation that vacancies will become available.

### Appeals:

If a parent/carers wishes to appeal a decision of the placement panel the appeal should be made to the Principal in writing. If an appeal cannot be resolved at the school level it will be referred to the School Education Director for the South Coast Group of Schools who will consider the appeal and make a determination.

## High Attendance Equals High Achievement

### What is a justified reason for being absent from school?

Justified reasons for absences may include if the student:

- has an unavoidable medical or dental appointment (preferably, these should be made after school or during holidays)
- is required to attend a recognised religious holiday
- is required to attend an exceptional or urgent family circumstance (such as attending a funeral)
- is sick, or has an infectious disease.

Absences for reasons such as some of the following may not be justified.

- Shopping
- Sleeping in
- Working around the house
- Minding younger siblings and other children
- Minor family events such as birthdays
- Haircuts.

It is important to realise that parents (including carers) may be prosecuted if children have recurring unjustified absences from school.

If you have any questions regarding student attendance, please contact the school.

## Online Uniform Store

Looking to purchase your child's school uniform online?

We now have a brand new 'Shop Now' button on our Facebook page, click it and it will take you straight to our online store! No need to get out of your chair!

Alternatively, you can visit our school website ([www.warilla-h.schools.nsw.edu.au](http://www.warilla-h.schools.nsw.edu.au)) -> Our School -> Uniform -> Online Store and this will take you there.

## Make Online Payments (POP)

Is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit/debit card. The payment page is accessed from the front page of the [school's website](#) by selecting \$ Make a payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called “other”, this would cover items not covered under the previous heading. ‘Other’ can be used to make a complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

- The student's name, and
- class and reference number OR
- The student's name, and
- Date of birth.

These details are entered each time you make a payment, as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner and these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the office staff on 02 4296 3055 or alternatively email;

## **Warilla High School Bike Helmet Safety Policy**

While riding a bicycle it is required by law to wear an (Australian Standard Approved) helmet securely fitted and fastened to your head.

Warilla High School has an obligation to enforce this law for the safety of their students when riding a bicycle to or from school.

Governed by Work Health & Safety, Duty of Care and NSW Law, Warilla High School cannot allow a student to ride a bicycle to or from the school premises without a helmet.

Therefore, if a student arrives at school without wearing a helmet then the school will be required to secure that bicycle until that student presents themselves with an approved safety helmet or the student's parents come and retrieve the bike.
