## Principal's Message

Like me, I am sure you were bitterly disappointed with recent social media commentary which leapt into the local and national news, associating the school with a student survey that was linked to a year 10 event that is not under the control or auspices of the school. The authors of the survey made no prior comment to the school about its suitability, worth or intent. Anyone who has dealt with this fine school knows we value sensitivity, compassion and respect in all that we do, and that this is the bedrock upon which our values education agenda rests. I saw nothing in this survey that reflected our values and again I reject anything that will cause needless embarrassment and/or ridicule. I have written to our broader community in response to this incident, a copy of which is attached to this newsletter. The school has responded on a number of fronts, including a refinement of our *Mobile Phone and Social Media Policy*, and a review of our Anti-Bullying program. Our P&C have endorsed this position and I look forward to updating them on our progress in this area.

Despite this issue taking some of the gloss off our recent achievements, it is with a great deal of pride that I attended the *2018 Minsters and Secretary's Awards for Excellence* recently. This was a blue-ribbon event held at the Sydney Town Hall which saw the best of the best from across NSW honoured for their commitment, dedication and professionalism. Our own Renee Pettit received a Minister's Award for *Excellence in Teaching*, which recognised teachers who deliver the highest quality education to their students and contribute to their professional communities. We are certainly lucky to have Renee on the team!

Likewise, two of our staff-Cass Napier and Mel Lever- undertook external observations by representatives from the *NSW Education Standards Authority (NESA)* as part of the *Highly Accomplished* accreditation they seek. Both teachers were impeccable, with the NESA Rep's anecdotal commentary describing both teachers as amongst the best they had seen. Professor John Hattie's research is often cited by educationalists, and used as the justification for expenditure and professional development priorities. His research verified the long held belief that, "...excellent teaching is the single most powerful influence on student achievement." Again, we are extremely lucky to have teachers such as Mel and Cass who are operating as role models and providing demonstrable scaffolding for colleagues to view what pedagogy at the highest level of the National Teaching Standards looks like. Well done!

Our Year 12 cohort have reviewed their Trial HSC results and are now gearing up for the final test- the HSC proper. It is imperative that students use this final window of opportunity to refine their understandings of the various concepts and competencies demanded of their different courses and patterns of study with a view to finalising a study routine that will get them to where they need to be. Hopefully, distractions such as the Year 12 Farwell will be consigned to the background as study, study and more study consume the final weeks leading into their Exams. I have every confidence that well prepared students will give a very good account of themselves.

Our 2018 NAPLAN results have only just hit the school and I look forward to providing a detailed commentary on these results in the next newsletter.

I was absolutely delighted to see the success of our *Tournament of the Minds* Teams with the STEM Team taking outright honours on the day by successfully negotiating a range of problems developed by the organisers. Such tournaments support the development of problem solving skills, collaboration, creativity and the utilisation of technology- exactly what our 21<sup>st</sup> century learning skills priorities demand.

On the staffing scene, there has been some movement, with Mrs Glasgow our Acting HT Teaching and Learning moving back to her substantive position at Figtree HS from the beginning of 2019. Her Acting position here will be

taken up by Ms Lever. Mr Quach of the Maths Department has accepted a service transfer, as has Ms Haselton, one of our School Counsellors. I anticipate more staffing news as we begin to finalise our timetable and organisation, ready for 2019.

*With my kind regards,  
Mr Hambly, Principal*

7 September 2018

### To the Parents/Care providers of WHS

It is with a great deal of disappointment that I write to you in response to an article in the Illawarra Mercury today, 7 September.

I would like to categorically state that the school does not support a Year 10 formal – and hasn't for several years.

More specifically, we were shocked to learn of a survey being contemplated by some students that was offensive and contrary to the values education program we run at this school of *Excellence, Respect, Integrity and Compassion (ERIC)*.

I would like to personally reassure every member of our school community that we are absolutely committed to the safety and welfare of every student and that the high standards and expectations we have in place for student learning outcomes in both the written and unwritten curriculums will never waiver.

On the back of this unsavoury episode, the school will continue to work with the Allanah and Madeline Foundation and our E-Smart team to make sure our message of responsible social media use is promoted at every opportunity.

Our Welfare team will also continue its efforts in this area. The *ESafety Commissioner* has been advised of the situation and the school has followed the advice of this office.

Warilla High School is a great school with great staff and great kids who will continue to work together to produce quality learning outcomes.

Please feel free to contact me should you wish to discuss any issue I have raised in more detail, or attend the P&C meeting next Tuesday 11<sup>th</sup> September at 6pm in our Library where the same opportunity will be available.

With my kind regards

Mr John Hambly  
Principal  
Warilla High School

Warilla High School – 'Student Centred, Outcomes Driven'

---

## Deputies Report

This year is speeding by and we are now at the three quarter mark.

With so much time having gone by we are also at that point where we are getting results back, and I would like to talk to you about NAPLAN. I don't intend on saying anything political, but rather personal. As Deputies we get to see that there are some wonderful students who despite their very best efforts sometimes struggle with examinations. Sometimes the very strict conditions or the formality of examinations brings out anxiety, which we do our best to counter by having small groups and counselling the students. However, some students still find exams difficult, and often because of their anxiety find it hard to concentrate and give their best to the exam. The same or similar tasks they can perform in a classroom without the pressure of it being an "important exam". The Department of Education also agrees that NAPLAN testing reveals a student's ability at one point in time and that it is a "snap shot" of the Yr 7 and Yr 9 students. The real purpose of NAPLAN testing is to give the teachers a measure as to how a student is progressing, so that they can change their teaching to suit the students' needs. Bearing all of this in mind, if your student has done well in their NAPLAN testing, congratulations and well done!!! However, if you are disappointed in their results bear in mind that is not a total assessment, but one day at one time. It does not measure their honesty, their reliability or their character, it is not a range of skills and how much they have improved, but rather a narrow set of skills at one point in time. So enjoy the results for your student if they are good and be very proud of their efforts, but remember there are many ways to be smart.

Enjoy the break, we will all meet back here day next term, as there is no School Development day we all come back on the Monday 15<sup>th</sup> October.

### ***Deputy Principals***

***Ms Brook, Mr Hales and Mr Kershaw***

**Week 10 B**

24 Sept	• Support: WOW Program
25 Sept	• Year 12 Graduation Practice
26 Sept	• Year 12 Mystery Day
27 Sept	• Year 12 Graduation
28 Sept	• WHS COS Public Speaking Grand Final Hall All day

**Week 1A**

16 Oct	• Year 12 2019 HSC information evening
17 Oct	• 2019 Yr12 HSC Success Workshops period 2
18 Oct	• HSC commences

**Week 2B**

23 Oct	• Peer Support day

12 Nov	• Year 12 Sign Out • Year 12 Business Services 1 and Construction Workplacement • Year 7 CAP 2019 Information Evening
12 -16 Nov	• Year 12 Business Services 1 and Construction Workplacement
14 Nov	• Gold Award Assembly
15 Nov	• Year 12 Formal, Lagoon Seafood Restaurant Wollongong

**IMPORTANT MESSAGES****LATE ARRIVAL – CHANGE OF PROCEDURES**

Up until 9.15am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.15am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

**SCHOOL FEES**

Invoices for school fees will be sent to parents/guardians by mail during Week 5 of Term 1.

The fridge magnet calendar with 2017 important school dates will also be included.

**UPDATING STUDENT DETAILS**

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

**PRIVATE PERSONAL PROPERTY**

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

**PARKING IN SCHOOL ZONES**

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

**RIDING A BIKE TO SCHOOL**

Students who ride a bike to school are required by law to wear a helmet.

## Sport

### NSW SECONDARY SCHOOLS OZTAG

#### CHAMPION OF CHAMPIONS 2018

On the 12th September 2018, the Year 7 & 8 and 9 & 10 Girls Oztag teams played the NSW Secondary Schools Oztag tournament Champion of Champions. The best teams from each region in the state. What a great day we had with both teams progressing from the pool games to the final series.

#### Scores from the pool games:

##### 7 & 8 Girls

Lost 3-1 Glenwood HS, Western Sydney

Won 8-0 St Patricia College Campbelltown

Won 3-1 TLSC Tumby, Central Coast

Won 5-2 Oxley HS, Tamworth

##### 9 & 10 Girls

Won 2-1 GRC Peakhurst

Lost 3-2 Erina HS, Central Coast

Won 5-1 Bonnyrigg HS

Won 8-0 South Strathfield HS

Both teams progressed through to the quarter finals, ranking second in their pools and third overall. The 9 & 10 girls beat Model Farms HS in the quarter final and then lost to Erina HS in the semi-final. A big thanks to Mrs Clune for taking the helm of this team on the day with her expert coaching.

The 7 & 8 girls played Oxley HS in the quarter final with a big win 8-0 and then went on to beat Aquinas College Menai 2-0 in the final. They went down in a thriller in extra time in the Grand Final against Glenwood High School 4 - 3. It was 2 all at full time. We then went into extra time with our 5 best players, we scored first then Glenwood equalised the score. They had the ball and one play left before extra time was finished as we scored first we only had to hold them out in the last ten seconds and we would have been the state champions. But it just was not our day and we let Glenwood in. The girls played 6 games all up and did us proud.

The 7 & 8 team: Bindi O'Hara, Adel Ryall, Lily Gibson, Kailee Haines, Jayla Cummins, Bo Spaleta, Ella Headrick, Dakota Mason, Monica Tololeska, Brooke Fahey, Indy Spaleta, and Mia Walsh. (Jonte Wonson and Lucy Russo played the gala day but are on holidays, they helped in getting us to the championships).

The 9 & 10 team: Rhiannon Tungai, Emily Quinn, Dakota Conlon, Lara Pazarovski, Madi Singleton, Mackenzie Lear, Tayleah Handcock, Kiara Vazzoler, Emma Seery, Ashleigh Goncalves, Acacia Decker, Sheridan Fahey, Chloe Monie.

We now wait to see, if any of our girls get selected in the NSW team. This will be released next week. Thanks everyone for your support, especially the parents that helped out with the transport and those that helped with the ratings, Mr Delaney, Mrs Tregonning and Mrs Clune.

**Oztag Update:** Congratulations. The following students made the NSW Team:

Rhiannon Tungai, Yr 10	Emily Quinn Yr 10	Tayleah Handcock Yr 9	Dakota Mason Yr 8
Bindi O'Hara Yr 8	Ella Headrick Yr 8	Mia Walsh Yr 7	

**Ms J Neden**

### Grade Sport Report:

Warilla had a fantastic grade sport season this year. Our students have taken part in a new look grade sport model, that saw them participate at central venues each week.

In 2018 we had 13 teams across the competitions offered across the zone. A large number of our teams made the 1v2 playoffs after a ferocious 17 weeks of competition. As you can see we were successful in a large number of the sports and finished in the top spot!!

Sen Boys Basketball: Warilla	Jun Boys Soccer: Warilla
Jun Boys Basketball: Warilla	Open Girls Soccer: Dapto
Sen Girls Netball: Kanahooka	Junior Boys Oztag – Warilla
Jun Girls Netball: Dapto	Junior Girls Oztag – Warilla
Sen Girls Volleyball: Warrawong	Senior Boys Oztag – Warilla
Jun Girls Newcombe Ball: Kanahooka	Senior Girls Oztag - Oak Flats
Sen Boys Soccer: Warrawong	

The students have conducted themselves with due diligence during the round games and finals series. A huge congratulations to our teams and their coaches for 2018, well done!!

**Ms Boulton**

**PDHPE Teacher**

### Students compete at CHS State Athletics Championships

Warilla High School had 17 students represent the South Coast at CHS State Athletics Championships in early September.

Congratulations to the following students on their representation. Charli Ryan 80m Hurdles and 1500m walk; Isaac Walchli Discus; Alana McGarry Shot Put; Jordyn Martin 800m; Ryan Keen Shot Put and Discus; Dylan Clarke 200m; Isaac Shaw 800m and Relay; Jake Fanke, Joel Whalan and Jhye Withers relay; Rosemary Boyland Shot Put and Discus; Nathan Scollary 800m; Liam Pass 800m; Tyson Lewis 100m, 200m and 400m, Justin Check High Jump, Long jump and Triple Jump; Nikita Freeburn Triple Jump; Finlay McPhillips 1500m.

How about the performances of **Rosemary Boyland – Gold in the Multiclass Shot Put** and **Gold in the Multiclass Discus**. Both these events were in the 16 year+ age group. Sensational performances from Rosemary who stamped her dominance by setting CHS, Australian and Oceanic records in BOTH these events. Rosemary is a humble young lady who absolutely beams with satisfaction and deservedly so. She trains hard and truly loves competing. We are so very proud of you Rosemary.

**Nathan Scollary** also celebrates an outstanding achievement, winning **Gold in the 16 yr 800m event**. Nathan recorded a personal best time and was pushed throughout the race. Congratulations Nathan. You train hard and truly have earned this wonderful win.

**Liam Pass** competed in the same event as Nathan and took out Third place winning **Bronze in the 16 yr 800m**. well done Liam. I'm sure seeing Nathan in front of you gave you plenty of determination to stay with him. Liam trains hard and has been a quiet achiever in athletics and has earned this achievement.

## Farewell Year 12

As we prepare to say goodbye to our Class of 2018 – Year 12 students it is a time to also acknowledge the outstanding contribution these students have made in representing our School, Southern Illawarra Zone, South Coast and, for some, State CHS and All Schools in their chosen sports.

**Tamara Ebbs** – South Coast **Netball** in Year 10 and 11. A dominant and highly regarded player who unfortunately suffered an ACL injury, preventing her from trialling in her final year. Also, a school Touch representative.

**Cassidy Graham** has represented South Coast in **Golf** every year since starting Year 7 in 2013. She has been the South Coast Match Play and Open Stroke Champion in 2017 and 2018. Cassidy's finest achievement was representing NSW All Schools as the **Captain** of the Team for the Pacific School Games National Championships contested in Adelaide in 2017. Cassidy has also been a reliable netball umpire, netball player and swimmer in her junior school years.

**Nathan Sopher** has been a member of the school **Lawn Bowls** team which has earned success at the NSW CHS State Triples Championship for 5 Years in a row. This year Nathan was the skipper of the team. Nathan has been a part of Warilla's most successful sporting team.

**Ryan Noronha** has also been a member of the Warilla High school **Lawn Bowls** team. Ryan has represented the South Coast and enjoyed winning at the CHS State Championships.

Ryan has also represented the school as a member of the Open and U15 Soccer/Football Teams

**Jayden Gebbie** has been the leading **Lawn Bowler** at Warilla High throughout his 6 years of high school. He has many state titles and was the Outstanding Player of the Tournament at the NSW State Championships in 2018. Apart from this year, where he was unavailable, Jayden has been a member of 4 Warilla High teams that have won the NSW State Triples Championships. Jayden has been a key competitor in the school lawn bowls team – Warilla HS's most successful sporting team in a very long time.

**Finlay McPhillips** has represented throughout high school in **Athletics** and **Cross Country**. Finlay has been the school age champion throughout high school in Cross Country. His highest achievement was representing NSW All Schools in Cross Country at the Sunshine Coast in 2018. Finlay also won bronze in the CHS 16 yr 1500m in 2016. Finlay has also been a regular member of the school mountain bike team that competes in the Coondoo Classic and the Mt Stromlo events

**Jarod Falconer** has represented at **Athletics** throughout his 6 years of high school. He has been in the South Coast team for many of these years and usually competing in 3 or more events. Injury has prevented Jarod from competing in 2018. Jarod has also represented South Coast in swimming. He is a regular competitor in Cross Country and a key player in the U15 AFL team. Jarod has also been a regular member of the school mountain bike team that competes in the Coondoo Classic and the Mt Stromlo events

**Shayla Szakacs** has represented in **Athletics** and **Cross Country** throughout high school, barring injury. She has placed 2<sup>nd</sup> at CHS championships in the 1500m in 2016. Shayla has been one of our Cross country Age Champions for many years at Warilla HS always competing against.....

**Shenay Edwards** who has also dominated at **Cross Country** and **Athletics**. Shenay earned a bronze medal in the 1500m at CHS level in 2016. Injuries have affected her in the last few years, but she has continued to represent the South Coast with pride.

**Justin Check** has been a consistent representative in the South Coast **Athletics** team throughout high school. Justin's favourite event was always High Jump but over the last few years he has excelled at Long Jump and Triple Jump. Justin has also been a regular member of the school Rugby League team.

Finlay, Jarod, Shayla, Shenay and Justin were all members of the South Coast Athletics team in 2016 when Warilla High School was named the **Champion CHS Athletics School in NSW**.

**Curtis Mowbray** has been an excellent representative for the school in **Mountain Biking** at the Coondoo Classic and Mt Stromlo since Warilla High has been entering these events. Curtis was also selected to represent Warilla High School at the NSW State Interschool Mountain Bike Championships.

**Kiara Meredith** has been an outstanding representative in **Surfing** throughout her high school years. Kiara competed in Western Australia in 2017 with the NSW All Schools team. Kiara has also represented the school in swimming.

**Ms Clune**

**PDHPE Teacher**

## Update for Vaccinations

Any Year 7 student who returned their purple vaccination consent form but were away on the day to receive their Human Papillomavirus vaccine (HPV) which requires two doses will have the opportunity to catch up at school on 13th February, 2019. No further documentation needs to be returned to the school as the nurses have all the information on file.

Any Year 10 or 11 student who were absent on the day for their Meningococcal vaccine will NOT have an opportunity to catch up at school. A nurse from Public Health will be in contact with you around November to inform you that it will only be free from your local GP for the remainder of this year. You will need to make an appointment with your local GP to get this done.

If you have any further questions, please contact Miss King or Mr Smart at school, or the School Immunisation Program Coordinator at the Public Health Unit from November onwards, Monday to Friday 8:30am - 5pm Ph: 4221 6700.

**Ms King**

**Girls Supervisor**

## CAPA Killalea Excursion

The students from the Year 7 and 8 CORE classes took part in an excursion to Killalea State Park on Wednesday 19 September. The students were engaged in extension activities on the day that covered both a music and art focus. The morning saw these students drumming up a storm as they created African inspired beats with Miss Wilson and the afternoon activities involved a discussion about the Sculptures at Killalea with Mr Nolan and the students creating their own individual t-shirt designs based on the exhibition.

The team at the Illawarra Environmental Education Centre were more than generous with providing access to their facilities and allowing the students to have a chance to connect with such a beautiful location. What a wonderful backdrop to set extended learning for these students. Thank you to those students that attended, conducting themselves in a respectful manner and being great representatives of Warilla High School.

**Mr Nolan**  
**Visual Arts Teacher**

**SCULPTURE**  
**AT KILLALEA**

**Year 10**

As part of the Sculptures at Killalea festival the Year 10, 100hr Sculpture and Ceramics class created sculptures using found objects, recycled plastics and ceramics to explore the themes of waste, environmental issues and a bit of humour. The 10 day festival has over 87 installations, this was a fantastic opportunity for students at Warilla High School to have the opportunity to collaborate, design and problem solve in order to create sculptures that explore real world issues.

### Miss Lever

As a High School student, It's not everyday you find your artworks in a gallery... but these students did! Earlier this term the CAPA Faculty held the Annual Creative And Performing Arts Collective Exhibition featuring artworks of all types from 7-12 including numerous works from the Support Unit. Including sculpture, photography and paintings. The Exhibition ran over the weekend of August 23rd – 25th and was curated and organised by an enthusiastic team of students that met on a weekly basis. The opening was held on the Friday night and featured live music performances and food. Thank you to all those who came along and supported the event and the students. Congratulations to Daniel Hall (Year 12) who was awarded the People's Choice Award for his photographic works.

A huge thank you to our sponsors who donated prizes to help us raise money to fund the running of the exhibition.

### Ms Lever

#### Visual Arts Teacher

## Youth Round Table

On Monday 27th August, 7 SRC members went to the Youth Round Table at Dapto. Elissa Hayman, Claire Woolley, Nate Mathein, Philip Vrtkovski, Sam Giles, Finn Spaleta and Cameron Dalley.

While they were there, they discussed funding in public schools and Indigenous affairs. I'm SO proud of how they spoke at the event and how they represented our school. They are knowledgeable and thoughtful students who really care about the world.

Nate Mathein, in particular, spoke so well on the day that Stephen tracked down his email to thank him the next day. Nate and Claire are now both applying for the NSW Youth Advisory Council with the support of Mr Hambly.

## Congratulations goes to our new school leaders for 2019.

Bonni Mate and Nate Mathein are our new school captains

Phil Vrtkovski is Vice Captain as well as Environmental Officer

Piper Rye is Media and Fundraising Officer

Elissa Hayman and Cameron Dalley are Treasurers

Tia Ta'ata'a and Emma Hutchison are taking on Public Relations rolls.

A magnificent group of leaders who will continue to represent our school well!

*I don't have a photo to go with this one, because of exams I haven't been able to get the students together yet*

**Ms Gehrels**

**SRC Coordinator**

## Marine Studies

Year 11 and 12 Marine Studies travelled to Lady Elliot Island for a 3 day tour of the Great Barrier Reef! We saw Manta Rays, Reef Sharks, Green Sea Turtles, plenty of tropical fish, a Moray Eel and even Humpback Whales from the light aeroplane! An amazing time was had by all 28 students and staff members, a big thank you to Mr Smart for organising the entire trip and keeping us all safe.

**NAPLAN RESULTS**

Year 7 and Year 9 NAPLAN parent reports were issued to students on Monday 17 September. If your child was absent from school this day, they can be collected from Mrs Glasgow in B3.

Please remember that NAPLAN results are a snapshot of a student's performance on one test type on one day. These results are important to our school as they guide the planning and direction of literacy and numeracy teaching and learning strategies across the school. These results certainly provide a guide to your child's progress and achievement but the school report which accesses a number of assessment strategies over a significant period of time provides a more accurate picture.

With the current national situation in terms of test delivery with some school participating on-line tests and others with the paper tests, schools are yet to receive any data in terms of student performance. Once this data is received the school will continue its commitment to analysis results to best support all student performance both individually and as a cohort.

If you have any questions regarding your child's NAPLAN results please do not hesitate to contact the school and specifically Mrs Glasgow in the Teaching and Learning Hub

***Mrs Glasgow***

***Head teacher teaching & Learning***

## Winter Sleep out

Congratulations to all of the students and teachers who participated in the 'SAHSSI Winter Sleep out'. \$450 was raised for SAHSSI, (Supported Accommodation & Homelessness Services Shoalhaven Illawarra) helping people in need in our local community.

Kathy (CEO of SAHSSI) and Jacqui came along to raise awareness of the services they offer in our local area and to accept our donation, while Jewel ran some activities to challenge our assumptions of society.

We had a Mario Kart tournament on the projectors, trivia, and toasties for dinner made by our awesome SRC and a movie on the big screen.

Thanks to Mr Harry, Miss Morton, Trish and Jewel for their amazing help on the night and to the SRC for the massive effort to organise it!

**Ms Gehrels**  
**SRC Coordinator**

## Tournament of Minds:

TOM offers teams of students the opportunity to solve authentic, open-ended challenges that foster creative, divergent thinking whilst developing collaborative enterprise, excellence and teamwork. Challenges are set in the following disciplines: The Arts, Language Literature, Social Sciences and STEM. Warilla High School had 3 teams compete at a regional level over 3 disciplines (Arts, STEM and SS), with our STEM team winning their discipline!

These teams were:

### **STEM (winning team)**

Adam Bosevski  
David Bosevski  
Liam Furney  
Audrey Scheu  
Ryan Scheu  
Kai Woolmer  
Ruby Keen

### **Social Science Team**

Oliver Woolmer  
Tyson Schillert  
Tyler Cable  
Ebony Best  
Adel Ryall  
Alyse Millington  
Christian Bosevski

### **Arts Team**

Cameron Rabbitt  
Phoebe Mustafa  
Jaimee Wells  
Remi Krstevski  
Taya Baylis  
Sebastian Velasco

All the teams did a fabulous job and were outstanding in their disciplines, and of course our STEM team went off to state!

Sharon Bird, Member for Cunningham, delivered a speech in Parliament about Tournament of Minds. Warilla High School rates a particular mention for their success. This speech can be found on her Facebook page if you would like to watch!

## **STATE FINALS DAY**

Our amazing STEM team went to the state finals held at UNSW on September 9th. After a gruelling day, they were announced as achieving Tournament Honours! For a team to achieve honours at their very first State Competition is just an incredible effort, and we are so proud of these students. David Wassink, a Tournament Regional director, came to our school to personally congratulate the students and present them with their medals.

Well done again, and we will see you next year for bigger and better things in TOM!

***Ms Gehrels***

***Science Teacher/SRC Coordinator***

## Wear it Purple Day

On Friday 31st August, our school celebrated *Wear it Purple Day*. **Wear it Purple** was founded in 2010 in response to young people taking their own lives as a result of bullying and harassment from the lack of acceptance of their sexuality or gender identity.

Warilla High School is proud to encourage all students to wear purple this **Wear it Purple Day** to show young LGBTI / rainbow people they are loved, supported and empowered to bring their whole self to life.

LAC police were on site with a free sausage sizzle and SRC ran a glitter/rainbow ribbon stand in the quad! A big thank you goes to SRC students for the hand getting everyone fed!

For more information on "Wear it Purple" <http://wearitpurple.org/>

## Warilla Wellbeing

### eSmart Expo

On the 3<sup>rd</sup> September, Warilla High school held a parent and community information session about positive use of social media. There were presentations from the Australian Federal Police, The Illawarra Women's Health Service and a PHD Graduate on Social Media use and sleeping patterns. Thank you to Jewel, our SSO who organised the event. If you would like further information on any of the topics covered, please contact Warilla High School. Alternatively, you can visit the following websites for further information;

<https://www.esafety.gov.au/>

<https://www.esmart.org.au/>

## Year 7

Year 7 have had a busy term once again! It's great to see students continually apply themselves in the classroom and developing their personal skills. The top twenty Semester 1 report morning tea was on Friday, week 9. In order to acknowledge these students efforts and successes, they were rewarded with pizza and a movie.

Once again, a numerous amount of students have received their bronze and silver awards. These students have impressed their teachers with our schools CORE values: Excellence, Respect, Integrity and Compassion. Congratulations to these students, keep up the hard work and keep earning those VIVOs! The prospect of a reward excursion for these students in Term 4 is looking good.

Furthermore this term, students were busy with a formal assembly, vaccinations, the winter sleep out and R U OK Day. Also, NAPALN results were given to the students individually in week 9, and if any student did not receive theirs, please see Mrs Glasgow in B3. Students also had the opportunity to determine their own learning pathway by selecting courses they will complete in year 8. This is just another reminder of how quick the year is progressing! Hope everyone has a fun and safe holiday break.

**Mrs Ratajkoski**

**Year 7 Advisor**

## Year 8

I can't believe we find ourselves with only one term to go in Stage 4! We are already knee deep in the journey that is High School. Over the last two terms in Guidance lessons Year 8 have participated in the Rock and Water program. A huge thank you to Louise Hakkenbrock, Youth Worker from Shellharbour City Council, for her assistance with the program. In the final lessons these past two weeks, the students have been participating in a Goose Chase which involves the students evidencing their learning from the program. Louise was blown away last week by the depth of knowledge and understanding that the students have taken on board from the program. In recent weeks the concepts and philosophies sitting behind the program such as, staying calm in confronting or pressure situations and being self-aware and in self-control in order to respond respectfully and appropriately has been evident with students expressing certain situations in their everyday or school life that the knowledge and skills learnt from the program have been beneficial.

Year 8 have also selected their Electives for Year 9, 2019 and it is exciting to see the students beaming with enthusiasm in preparation for the learning experiences that they will engage with next year.

I look forward to working with the students in their last term of Year 8 and specifically identifying Literacy and Numeracy strengths and areas for improvement in Guidance lessons next term. This unique opportunity will provide students with tasks that will enhance further development of both their confidence and competence in preparation for NAPLAN 2019 and HSC Minimum Standards tests. I encourage you to engage with your child to discuss their learning tasks to also build your awareness of the expectations for students to achieve in NAPLAN as well as the HSC Minimum Standards tests next year.

From previous NAPLAN and HSC Minimum Standards testing data it is evident that students generally possess the particular skills required, however they do not show their capacity in the test situation. For example editing and checking for capital letters, full stops and

punctuation is a simple proof reading skill that many students do not action. Therefore, students are actually hindering their potential to achieve the minimum standards.

I wish you all a safe and happy spring holiday break. See you next term.

**Mrs Lambert**  
**Year 8 Advisor**

## Year 10

It has been another busy end to term for year 10, with students participating in sporting events, drama performances, minimal standards and VALID testing.

We have been focussing on the school's core value of compassion and this has been reinforced through our participation in *Wear it Purple* day and *RUOK* day. This makes it especially disappointing that our year 10 students were the focus of some negative media coverage this term. While most students had no intention to be hurtful, this was the direct consequence of their actions. It is my hope that all students turn this experience into a valuable lesson and become confident, informed citizens who choose kindness and compassion rather than meekly following the path led by others. Anyone with any concerns regarding this can contact me at the school where students can be offered support from the counsellors or the welfare team.

Please be aware that the school does not sanction a Year 10 formal.

With year 12 graduating this term, Year 10 will be looked on as the senior members of the school in term 4. Senior jumper orders will be finalised shortly, so be sure to complete any orders online before the end of term.

**Mrs Woollett**  
**Year 10 Advisor**

## Sun Smart – Personal Protection

### It's that time again! Hot, sunny weather and Sun Smart – Personal Protection

As we head into the beautiful hot weather and outdoor sports and activities it's time to think about being **Sun Smart** – Julia Herman RN, School Nurse, Warilla HS – Monday, Wednesday & Thursday.

Personal Protection for you and your family includes –

- minimising time in the sun between 10am and 3pm
- **Slip** on clothing – dark, close weave, with a collar will help block out UVR. For swimming – Lycra products with a Sun Smart design are effective. Look for UPF (ultraviolet protection factor)
- **Slop** on sunscreen SPF 30+, broad-spectrum, water-resistant, check use by date.
- **Slap** on a hat – close weave with a brim
- **Seek** shade – can reduce up to 75% of your UVR exposure
- **Slide** on sunglasses – eye protection important to reduce risk of skin cancer on eyelids and development of degenerative changes on the eye surface
- **Using the SunSmart UV Alert** – issued through BOM (Bureau of Meteorology) on their website or in daily newspapers – it is based on the Global Solar UV index. UV radiation can cause damage to your skin and eyes which may lead to skin cancer. When UV Alert times apply, you need to use sun protection. UV Index = Moderate 3-5, High 6-7, Very High 8-10 and Extreme 11+.

*Ref: Personal protection Cancer Council Queensland brochure 2018*

### Sun Fitness for Kids and Teens

You want your children to have an active and healthy lifestyle, with plenty of outdoor exercise. But what about the risk of skin damage? Don't live your life inside — you and your family can be fit *and* sun-safe.

Every day, parents are bombarded with conflicting advice on what is best for their children. Children aren't exercising enough — get them outside! Children are at risk for skin cancer — get them inside! It can be confusing. But the truth is, your family members can enjoy a healthy, physically fit lifestyle without endangering their skin — if you all practice good sun protection habits.

## Teens

Teens are under enormous pressure to dress, talk, and look a certain way. Sometimes, no matter how much they know about the dangers of tanning, they'll still seek a tan in order to conform.

If your teen must be tan, teach him or her about self-tanners. New self-tanning lotions and creams can duplicate a natural glow without exposing you to harmful UV rays. They've improved immensely over the past few years and won't turn you orange anymore. But remember, a self-tanner must always be used along with a sunscreen.

Your teen should know that being tan does not mean being healthy. **Make sunscreen application part of his or her daily routine.** Keep the sunscreen out in the open in the bathroom, next to the toothpaste, as a physical reminder. If your kid is involved in after-school sports, make sure a bottle of sunscreen is always in his/her equipment bag. Most physical education classes in school take place outside when the weather permits, as does recess, so make sure your kid keeps a bottle of sunscreen in her regular locker or gym locker.

Sun safety doesn't condemn you to life indoors. **If you love the beach, go early or late in the day, when the sun's rays are less intense.** Take a supply of sunscreen that has an **SPF of 30** or greater. Wear attractive sun-protective clothing and a wide-brimmed hat, and carry a beach umbrella. And don't forget sunglasses to protect your eyes.

The most important thing to remember when thinking about sun protection is this: **you are your children's role model.** Be sure to let them see you protecting yourself from the sun. If you have great skin, so will they.

Term 3, 2019

# careers connect

## TERM THREE NEWS

This was another busy half of the term. We invited 150 Year 9 students to the Illawarra Schools Trade Roadshow, we had an Early Admission Interview Preparation Day for Year 12, Work Experience in Weeks 5 and 9, Reconnect group wraps up this term, and the Year 10s and 11s are exploring EVET options for next year.

### **EARLY ADMISSION INTERVIEW PREP DAY**

Year 12s who had been successful in gaining an Early Admission, were invited to attend an interview preparation session that would help them to get prepared for their university interview. The students were given insight into what will be asked, how to present yourself, your pitch and what specific info to include in your interview.

Please remind your student to check their emails regularly, as they may be missing out on opportunities that happen. For those who don't have internet access, we more than welcome them to come into our office to check their emails.

### **UPCOMING EVENTS:**

Term 4- Work Experience for Year 9 and 10- Weeks 7 and 9

Year 12 UAC deadline for applications –avoid large fees  
September 28

## **CHECK EMAILS!**

*We send all sorts of opportunities to the students and sadly they don't even bother to open their education emails. In a large school, it is imperative that students are checking their emails for opportunities. We are still on assemblies, year assemblies and visit classrooms, but this is a common form of communication that students need to adopt. Not only is it for their benefit with courses, information, teacher specific information, but it is a life skill for students entering the workforce.*

## EVENT 2019

*Studying with externally delivered vocational providers for students in Year 11 and 12 in 2019.*

Tracy has emailed ALL current students in Year 10 and Year 11 who may be interested in studying an EVET course as part of your HSC pattern in 2019.

They have been emailed a summary of courses on offer, provider and location details.

The student then has to come and have a one on one interview with the Careers Team to submit the Expression of Interest form.

*While the student fills in this forms, this EOI doesn't guarantee them a position in the course. They find out in November if they have been successful in gaining a position. We have no control over what courses are run, as this is done by an external body who allocate funds to courses for all students across the region.*

In order to do an EVET course in 2019 you:

- Must be able to get yourself to and from the venue
- Agree to commit and complete the course
- Attend the work placements set for your course ( if it applies. )
- Understand you may miss part or a whole day of school and it is YOUR responsibility to catch up on work missed at school.

*Don't stress!! If you're not able to get there or feel you're not ready, there is an option for you to pick up a course in Year 12.*

**TERM 4 DATES FOR WORK EXPERIENCE:**

**WEEK 7 & WEEK 9 FOR YEARS 9 AND 10**

**YEAR 11 AND YEAR 12 DATES ARE FLEXIBLE**

**YOU CANNOT HAVE ANY ASSESSMENTS ON OR DUE, NON AWARDS, N WARNINGS AND YOU MUST HAVE COMPLETED OUR READY TO WORK WORK EXPERIENCE SESSION.**

**PUT YOUR NAME DOWN IN THE CAREERS ROOM TO COMPLETE ONE!**

## TRADES ROADSHOW

***We invited 150 Year 9 students to the annual Illawarra Trades Roadshow, held at Five Islands Secondary College.***

Keen Year 9s travelled to Port Kembla to the Five Islands Secondary College to take part in displays from over 100 exhibitors. They ranged from the Defence Force, construction, maritime operations, hospitality, fitness, careers in council, science, digital animation, dog training, sound engineering, just to name a few.

***Our Year 9s are to be commended for their excellent behaviour at the college and for their involvement with the providers. It was a great morning!***

Unsure of a pathway? No problem...

The Job Outlook Career Quiz will help you to understand your work style and to explore careers you might enjoy

<https://joboutlook.gov.au/CareerQuiz.aspxNSW>

TAFE Short courses to put you on a new path Not sure what you want to do or be yet? Perhaps you could try something different that interests you while at the same time develop some new skills.

<https://www.tafensw.edu.au/short-courses/courses/shortcourses-for-fun>

## CAREERS WITH STEM

Students going into senior school may not see a strong connection between science and maths and a future career. The Careers with STEM magazines provide that connection for you. By going to the Careers with STEM site you can browse the back issues to discover careers in all of the science, technology, engineering and maths disciplines.

## ENTREPRENEURIAL SKILLS

The ability to use your skills to make money is becoming increasingly important in our global economy. While senior students come under intense pressure to succeed academically, students in middle school can work on growing their entrepreneurial skills. \$20 Boss is the biggest of the enterprise education programs. It works by giving students \$20 at the start of the term and helping them to kick start a business. At the end of the term students pay back their \$20 and \$1 interest. You can register your interest on the [\\$20 Boss site](#)

## HSC in the Holidays: Register now

HSC in the Holidays run subject-specific, full-day HSC workshops at the [UOW Wollongong campus](#) from 2-5 October, and [UOW South Western Sydney campus](#) from 5-6 October.

By attending one of these workshops, students will sit with teachers who are the experts in their respective subject, and have extensive HSC marking experience, sit on examination committees and are involved in the marking process. Workshops will address important areas of the syllabus, students will practise a range of possible questions and be shown where they need to improve. This will allow students to clarify and extend upon all course content so they can approach the exams fully prepared.

For more information or to book a HSC in the Holidays workshop, visit

## Summer Master Classes 2019: Apply by 26 October

UOW's Summer Master Classes are held at our Wollongong and South Western Sydney campuses over three weeks in January 2019. These classes are an opportunity for year 12 students to receive six unspecified credit points towards their undergraduate degree and a guaranteed Early Admission interview to UOW. With eight subjects linked to current HSC curriculum to choose from, the Summer Master Classes are a great way for students to get ahead in their final year, meet like-minded students from across NSW, and experience life as a university student while still in high school.

[Visit our site](#) for more information, to apply, or to arrange an information session during Term 3 at your school.

Alternatively, you can contact our team on (02) 4221 3450 or [pathways-in2uni@uow.edu.au](mailto:pathways-in2uni@uow.edu.au)

## STEM Camp for Girls 2019: Apply by 26 October

Applications are open for UOW's STEM Camp for Girls 2019. Our four-day summer STEM Camp, from 13-16 January, provides young women with a fun and hands-on Science, Technology, Engineering and Mathematics (STEM) experience and an exciting introduction to careers in STEM.

For more information or to apply, [visit our website](#).

If you have any questions, please contact event coordinators, Kinne Ring via [kinne@uow.edu.au](mailto:kinne@uow.edu.au) or Katie Wiechert [wiechert@uow.edu.au](mailto:wiechert@uow.edu.au)

## Pathways to UOW

UOW College provides vocational courses and academic pathway programs to prepare students for university. Many pathway programs guarantee entry into a relevant UOW degree upon successful completion. Learn more about available courses and pathways on the [UOW College website](#).

## **Billy Blue: DAY IN THE LIFE CREATIVE WORKSHOP – Sydney**

*See what it's like to spend a day in the life of a designer or gamer in a collaborative, supporting, like minded environment. And it's Free!*

<http://www.billyblue.edu.au/news-events/upcoming-events/sydney/day-in-the-life-creativeworkshops-october-sydney>

**AIE: AIE's Industry Experience Days are a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries.**

## ILLAWARRA MOWING BOYS

The volunteering Reconnect program has been inundated with requests, support and donations for our three boys who are mowing lawns for free- for those who can no longer afford the service. On a Thursday during sport Hayden, Grady and Aiden travel with Sharna to mow lawns for the elderly, single parents and those with a disability. The boys are part of a larger program called the Raising Men Lawn Care program- established by American Rodney Smith Jnr- whereby teens become involved in giving back to their community by mowing lawns.

The lawn challenge involves mowing 50 lawns for those in need and we have launched a Facebook page- the Illawarra Mowing Boys to get in contact with them.

We were lucky enough to be given donations by Sharon from Shell Cove who no longer needed her lawn equipment. If anyone has any working lawn equipment they no longer require, we would love your donation!

Find the Illawarra Mowing Boys on Facebook , like, share and support Sharna and these guys doing positive work in the community.

# SAFER DRIVERS COURSE FOR LEARNER DRIVERS

## THE SAFER DRIVERS COURSE INVOLVES TWO MODULES:

### MODULE ONE:

A three-hour facilitated group discussion on how to manage risks on the road. This will involve a maximum of 12 participants and will be delivered by a facilitator.

### MODULE TWO:

A two-hour, in-vehicle coaching session to develop low-risk driving strategies. This will involve two participants and a coach.

**Course cost: \$140**

Participants must have completed 50 hours of actual on-road driving experience to be eligible for the course. Credits gained under the 3-for-1 scheme cannot be included.

**LEARNER DRIVERS WHO COMPLETE THE COURSE WILL RECEIVE 20 HOURS OFF THEIR LOG BOOK.**

**20 hours  
Off Your  
Log Book**

## ALL PARTICIPANTS MUST:

- Hold a valid NSW Learner Licence
- Be under 25 years of age
- Have completed 50 logbook hours (of actual on road experience and not credits gained under the 3 for 1 professional instruction scheme)

**Come and join Kiama Swimming Club!**

**Our Summer 2018 season starts on the 19<sup>th</sup> of October**

**THE FIRST 2 WEEKS TRIAL ARE FREE!!**

Kiama Swim Club is all about fun, friends and fitness. We have swimmers of all levels and ages. Friday night Point-score gives our members the chance to practise their racing skills and build confidence.

We meet on Friday nights during school terms at the Kiama Leisure Centre.

**NEW MEMBERS ARE WELCOME** and the first 2 weeks are **FREE!**

Point-score gives swimmers the opportunity to race against their own P.B. (Personal Best).

We also run club championships once a season.

Our members can enter development or qualifying carnivals on various weekends throughout the season.

**When:** Friday nights during school terms.

**Where:** The Kiama Leisure Centre

**Time:** Race entries close at 6.40 sharp for a 7pm start

If you would like to enquire about Kiama Swimming Club please contact:

- **Registrar:** Nat Pero at [kiamaswim@gmail.com](mailto:kiamaswim@gmail.com) Ph 0412 115 575
- Coaches Victor or Corinna

**If you would like to come and try before you join, we require pre registration.**

**Please email our registrar Nat Pero with your child's full name and date of birth, to receive further information.**

 FAX: 02 4297 2817  
 warilla-h.school@det.nsw.edu.au

## SCHOOL ENROLMENT POLICY

Warilla High School maintains an enrolment ceiling, based on available permanent accommodation and total numbers in each year group. Within the enrolment ceiling a buffer in each year group is maintained to accommodate local students arriving during the school year. Places in the buffer are not offered to non-local students. Feeder schools for Warilla High are Barrack Heights, Flinders, Shell Cove, Shellharbour and Warilla Public schools. Parents and carers are encouraged to contact the school to clarify the local zone for Warilla High School. It should be noted that non-local enrolments accepted by the primary school do not automatically guarantee an enrolment at Warilla High School. Such applications will be assessed as non-local applications.

Non-local application based on 'sibling rights' is not the sole determination in offering a position.

### Placement Panel:

The placement panel will consider and make recommendations on all non-local enrolment applications.

- Year 6 into Year 7 enrolment applications: The Placement Panel consists of the Principal, the Deputy Principal with responsibility for that cohort the incoming year advisor and a SASS officer. The Principal is the chairperson and has the casting vote.
- Applications for enrolment into Years 8 -12, and Year 7 after the commencement of the school year: The panel consists of the Principal and the Deputy Principal responsible for the relevant year group. The panel is chaired by the Principal.
- This policy is endorsed by the Warilla High School P&C. All decisions are ratified by a representative of the P&C executive.

The decisions made by the placement panel are made within the context of the capacity of the school and the buffer retained for local students arriving later in the school year.

### Criteria for Non-local Enrolment Applications:

- Demonstrated leadership and commitment to school and learning.
- Access learning, well-being and or extracurricular programs offered at Warilla High School
- Significant welfare issues.

### Waiting Lists:

A waiting list will be established for non-local students seeking enrolment but unsuccessful in the first round of offers. The size of the list will reflect the realistic expectation that vacancies will become available.

### Appeals:

If a parent/carers wishes to appeal a decision of the placement panel the appeal should be made to the Principal in writing. If an appeal cannot be resolved at the school level it will be referred to the School Education Director for the South Coast Group of Schools who will consider the appeal and make a determination.

John Hambly

Principal – Panel Chairperson

## High Attendance Equals High Achievement

### What is a justified reason for being absent from school?

Justified reasons for absences may include if the student:

- has an unavoidable medical or dental appointment (preferably, these should be made after school or during holidays)
- is required to attend a recognised religious holiday
- is required to attend an exceptional or urgent family circumstance (such as attending a funeral)
- is sick, or has an infectious disease.

Absences for reasons such as some of the following may not be justified.

- Shopping
- Sleeping in
- Working around the house
- Minding younger siblings and other children
- Minor family events such as birthdays
- Haircuts.

It is important to realise that parents (including carers) may be prosecuted if children have recurring unjustified absences from school.

If you have any questions regarding student attendance, please contact the school.

**Ms J. Grace**

## Online Uniform Store

Looking to purchase your child's school uniform online?

We now have a brand new 'Shop Now' button on our Facebook page, click it and it will take you straight to our online store! No need to get out of your chair!

Alternatively, you can visit our school website ([www.warilla-h.schools.nsw.edu.au](http://www.warilla-h.schools.nsw.edu.au)) -> Our School -> Uniform -> Online Store and this will take you there.

## Make Online Payments (POP)

Is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit/debit card. The payment page is accessed from the front page of the [school's website](#) by selecting \$ Make a payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called “other”, this would cover items not covered under the previous heading. ‘Other’ can be used to make a complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

- The student's name, and
- class and reference number OR
- The student's name, and
- Date of birth.

These details are entered each time you make a payment, as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner and these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the office staff on 02 4296 3055 or alternatively email;

## Warilla High School Bike Helmet Safety Policy

While riding a bicycle it is required by law to wear an (Australian Standard Approved) helmet securely fitted and fastened to your head.

Warilla High School has an obligation to enforce this law for the safety of their students when riding a bicycle to or from school.

Governed by Work Health & Safety, Duty of Care and NSW Law, Warilla High School cannot allow a student to ride a bicycle to or from the school premises without a helmet.

Therefore, if a student arrives at school without wearing a helmet then the school will be required to secure that bicycle until that student presents themselves with an approved safety helmet or the student's parents come and retrieve the bike.

## Emergency Procedures

In a life threatening emergency, for FIRE, POLICE and AMBULANCE

**DIAL 000**

In **ALL CASES**, advise the Principal.

### Exits

For your safety, make sure you know the location of your nearest exit.

## Safety Briefing

*For Contractors*

*Visitors and Volunteers*

The New South Wales Department of Education and Communities is committed to the occupational health and safety of employees, students, contractors and all other visitors.

For your safety and the safety of others, it is a condition of entry to this site that you take a few minutes to read this brochure.

Mandatory site requirements:

- All visitors are required to report to the main office on arrival.
- Observe all speed, parking and vehicular restrictions.
- Obey all safety signs and barricades.
- Violent, threatening or other unacceptable behaviour is not tolerated on NSW Department of Education and Communities premises.
- All contractors to have completed the [Safety procedures for engaging Department of Commerce contractors](#) OR [Safety procedures for engaging independent contractors](#)

- ❖ **Smoking** is not permitted on DEC premises.
- ❖ **Alcohol and Illegal Drugs** are not permitted on DEC premises.
- ❖ **Weapons**, including knives, are not permitted.
- ❖ **Dangerous Goods and Hazardous Substances**  
Visitors and contractors intending to bring dangerous goods on site must declare these at the main office prior to entering the site.
- ❖ **All Injuries, incidents and hazards** must be reported to the main office.
- ❖ Injuries will be recorded in the *Register of Injuries*.
- ❖ **First Aid** treatment is available on site.
- ❖ **Other**  
Add information about site specific issues here

All Department of Commerce contractors report to the principal or delegate to:

- indicate the location and duration of the job
- sign the school's Site Visit Log book
- advise the status of the job before leaving the site.

All non-Department of Commerce contractors must in addition:

- produce a copy of their safety management plan including use of personal protective equipment and controls for site specific hazards
- produce public liability insurance documentation before work is commenced
- complete a Prohibited Employment Declaration

I have complied with all WHS issues:

Signed: \_\_\_\_\_ Contractor  
Contractor name: \_\_\_\_\_  
Company: \_\_\_\_\_  
Date: \_\_\_\_ / \_\_\_\_ / \_\_\_\_

# Skoolbag

Smartphone school to parent communication

Skoolbag is a mobile App for your school to communicate directly to both parents and students. It works through both smart phones and smart devices (such as iPads and Android Tablets). Ideal for:

- > School, free push notification alerts
- > School events
- > School newsletters
- > School documents
- > School RSS feeds
- > School social media (Facebook, Twitter)

Skoolbag delivers school notices directly to parents and students

## How to Install Warilla High Skoolbag On Your Smartphone!

### iPhone/iPod & iPad Users

1. Click the "Apple App Store" icon on your device.
2. Type in Warilla High School in the search.
3. If iPhone/iPod, you will see our school appear, click "Get" then "Install"
4. When Installed click "Open"
5. Select "OK" to receive push notifications, when asked.

### Android Users

You must first have signed up with a Google Account before installing the app.

1. Click the "Play Store" button on your Android Device
2. Click the magnifying glass icon at the top and type in Warilla High School.
3. Click Warilla High School when it appears in the search.
4. Click the "Install" button/
5. Click "Accept" for various permissions (please note, we don't modify any of your persona; data on your devices).
6. Click "Open" when installed.
