Principal's Message

With the best part of half a term under our belt, most students –especially Year 7- have settled into their new routines well and are developing the relationships with their teachers that will allow them to thrive and succeed. This is crucial to our Stage 6 students in particular who are preparing for Preliminary and HSC accreditation.

I have addressed both Year 11 and 12 to stress the point that consistent and regular home study is the key to a successful HSC. We do a lot of work with kids in teaching effective study habits, but this will be for naught unless they develop a study routine that is set in stone. I would also encourage your attendance at our advertised Parent Information workshops on Study Skills. Mr Smart is our coordinator, and he can field any inquiries you may have.

Our teaching and learning target and primary focus is of ensuring high expectations are in place; that explicit teaching is the norm, and that effective feedback is provided for all students. The recent research around student success indicates these three elements are the most vital ingredients for sustained and ongoing student growth.

Our work in this domain will be enhanced as we have secured the services of James Nottingham- an internationally recognised learning theorist who will be working with our staff at a twilight session to be held on 30 April in the school hall between 3:15 pm and 7 pm. I am hopeful that this work will result in a range of key strategies teachers can deploy in their classrooms to unlock learning outcomes for our kids.

There has been some degree of speculation in our community with regard to the growth of the Shell Cove precinct and the DOE's plans to cater for future enrolment demand. The P&C has been proactive in this area and have invited the Director of Schools to address them on this subject. The Director will be attending the P&C meeting on 14 May to take up this issue...it may be a date you want to circle in your calendar!

As you would be aware, the absolute bedrock of our operation is a zero tolerance policy with regard to violence. Unfortunately, we have had some students who wanted to test my resolve around this belief. They have been suspended with one student's position the subject of consideration of expulsion. Again, I would be very appreciative if you could reinforce with your child their obligations in this area to ensure we have the harmonious relationships between students that have been a hallmark of our school for many years.

Finally, I look forward to seeing you all at our P&C meetings on the second Tuesday of each month commencing at 6 pm in the Library.

*With kind regards,
Mr Hambly, Principal*

Deputies Report

A month into Term 1, 2019 and we have started the year at with a burst of activity.

Year 7 have settled into their new classes, and are finding their way around their new school, getting to know routines and timetables, as well as the variety of teachers they will have for the year. Year 7 have also already completed the Best Start assessments. The information gathered through this process will help staff better support the students in their classes, particularly in relation to Literacy and Numeracy. Year 7 is also preparing for the Yr7 camp to North Narrabeen Sport and Recreation centre. The camp will be from the 11th – 15th March. This will be a great opportunity for the students attending the camp, with three days full of activities such as rock climbing, abseiling, canoeing, high ropes, as well as the opportunity to build relationships with other students and staff.

Other groups such as Year 9 and Year 11 have also embarked on some considerable changes as they transition into new stages of their schooling. Year 9 have made the first significant choices into elective classes, with 200 and 100 hr electives that they will study for the next two years, and Year 11, who have started their journey towards the HSC 2020. Both of these transitions bring some challenges, but I am sure the students will take them in their strides, and work achieving their best.

We have also just seen the completion of the school Swimming Carnival for 2019. This was a great day, with a great variety of traditional events, coupled with some novelty and fun activities to complete the day. Congratulations to all of the students who attended, your behaviour and enthusiasm are exactly what was expected from Warilla High School students. A massive thank you to the coordinators of the carnival this year, Mr Cairncross and Mr Harrison, as well as all of the staff who supported the event. A final congratulations to PARKES who managed to take out the first of the carnival wins for 2019.

We have already seen the Student Representative Council induction for 2019, where students elected to these positions were presented with their badges, in preparation for a busy year. The SRC are a very proactive organisation within the student body, and I am sure with the support of the SRC coordinator, Ms Gehrels, 2019 will be no different. Well done to all of the new SRC representatives.

Congratulations to a great start to the 2019 year, and we look forward to working

IMPORTANT MESSAGES**LATE ARRIVAL – CHANGE OF PROCEDURES**

Up until 9.15am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.15am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

SCHOOL FEES

Invoices for school fees will be sent to parents/guardians by mail during Week 5 of Term 1.

The fridge magnet calendar with 2019 important school dates will also be included.

UPDATING STUDENT DETAILS

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

PRIVATE PERSONAL PROPERTY

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

PARKING IN SCHOOL ZONES

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

RIDING A BIKE TO SCHOOL

Year 7

Year 7 have transitioned smoothly into high school life, and have settled well into their classes. I have had lots of positive feedback from the year 7 teachers, as they are behaved and are applying themselves well in class.

Year 7 have been busy participating in Best Start Testing, their first immunisation visit as well as attending the annual Swimming Carnival. School carnivals are an important element of the Warilla High School community, and I congratulate all those students for their school spirit and those who are going on to the next level of competition.

Plans for Camp are well underway and I'm sure the students are looking forward to it.

It is important that students have a positive start in 2019 and listen to notices, so they are aware of upcoming activities/events. Students are encouraged to keep on top of their school work and take up the free tutoring offered by the school on a Tuesday afternoon at 1:45-3: 30 pm if needed.

I would like to congratulate Year 7 on a great beginning to their secondary education.

Emma King
Year 7 Advisor

Year 8

Year 8 have had an effortless transition into the year and are positive towards their learning. This term has seen Year 8 participate in a number of school activities, such as the swimming carnival and the Brainstorm Production Performance.

Students at the school swimming carnival participated with the races, enjoyed the great weather and all the festivities at the Carnival.

The Brainstorm production is a theatre performance which aims to reduce the incidences of bullying in schools and improve student behaviour and wellbeing.

I would like to take this opportunity to congratulate the abundant number of students who received their gold awards, at the Gold Awards Ceremony. It's always great to celebrate student success. Year 8 will also have the opportunity during Guidance lessons to participate in UOW boot camp, which is a presentation by UOW on how school fits with their bigger life goals.

Loretta Ratajkoski
Year 8 Advisor.

Year 9

Welcome back! We are nearing a month back at school already. Year 9 have now settled into their new classes and electives. This year is a fantastic time to build upon the employability skills and the 21st Century skills employers will be seeking in the youth. For example organisation, punctuality, self-control, reliability, ability to use initiative, communication, collaboration, critical thinking and problem solving and creativity. Students have been reminded about the 'High Expectations' set for their compliance with school rules and processes. Please encourage your child to continue to follow all expectations and procedures.

All of Year 9 will be involved in two welfare programs of high significance over the coming weeks, Youth Adolescence Mental Health (YAM) and Save-a-Mate. These programs have run successfully over some time now at Warilla High School, and the students will gain lifelong skills and awareness to keep themselves and others healthy and safe.

We are looking forward to observing the development and achievements of our Year group this year.

Mrs Lambert
Year 9 Advisor

YEAR 11

Welcome to Year 11! The students have started the year looking very smart in their new senior uniforms. Everyone should be well settled into their selected subjects, and they have all taken part in a program to reinforce their understanding that Year 11 matters.

I encourage students to make use of the free tutoring programs offered by the school, to assist in developing good revision and study habits as they embark on their preliminary HSC journey. For further information regarding these, students should visit the welfare hub in E block.

Please be reminded that the school offers professional counselling support for students in need, along with the care of a dedicated Student Support Officer. If you have any concerns and would like to utilise these services, please contact me. Notes have gone out to all students regarding the new Life Ready 25-hr program to be held over four days at the end of May, at camp Wombaroo. This is a compulsory NSW DEC course. The first payment instalment was due in week four. Please direct any enquiries regarding camp to the Head Teacher of PDHPE, Mrs Melanie Tregonning.

Extracurricular activities are well under the swing, with representatives participating in sporting activities, along with our school leaders attending SRC camp.

It's shaping up to be another busy year for year 11 students.

Terese Woollett
Year 11 Advisor

Gold Awards Assembly

On Friday 15th February these students received their Gold Awards at an assembly celebrating their achievements.

Students received a certificate and Gold Medallion as part of the Gold Award and were treated to a morning tea.

It was fantastic to celebrate this achievement with students and parents/carers. Congratulations to the following:

Year 8 - Montana Beck, Jack Beer, India Bellhouse, Caleb Ford, Declan Ford, Jake Jupp, Owen Loudon, Christopher McGinniss, Kya Novak, Billy O'Brien, Jack Pendergast, Dylan Roe, Taiya Ross, Charli Ryan, Angel Tauariki

SRC Induction Ceremony

Warilla High School's School Representative Council Induction Ceremony was held in the school hall on Friday, February 15th.

Our SRC is voted in by their fellow peers and teachers and backed by our school Principal and SRC Coordinators.

The student representative council is a body that gives a voice to students to raise issues and present solutions to problems.

The students who nominate and go through the rigorous criteria have a passion, determination and authenticity to represent their cohort and their school.

I am very pleased to officially announce the SRC of 2019 who will represent and speak for the students of Warilla High School and the school community.

Students can be reached in person with ideas, in the numerous SRC suggestion boxes around the school, and at meetings in D10 every Monday at first break.

WHS Science Club off to a great start for 2019!

Mr Koglin and students from across the school met for some fun inquiry-based learning around **homopolar motors**, applying the 'right-hand rule' in practice at the first meet for the Science Club. The club was well represented by budding scientist students, who got to do some hands-on activities with the motors, including building some similar to the one illustrated below. The second Science Club meeting was to coincide with a live Q and A session with Rachel Zimmerman-Brachman, a scientist who works for NASA and the Jet Propulsion Laboratory (JPL).

SRE (Special Religious Education)

Dear Parents,

SRE (special religious education) has now commenced for the year. We have fortnightly classes offered for year 7 and 8 students as well as a couple of seminars for all years coming up later in 2019. Although these classes are taught from a Christian point of view, they are designed for children of all backgrounds. They help students think through what is taught in the Bible and allow the opportunity for discussion and respectful disagreement about matters of faith and belief. Please remember to return your SRE enrolment form to be included in these classes.

NAPLAN 2019 Adjustments

As you know, NAPLAN will be conducted online during Term 2 this year. Students in Year 7 and Year 9 will be participating.

Under certain circumstances, students with a disability are eligible to have adjustments to support their participation in NAPLAN assessments.

If you believe that your child may be eligible, please contact Ros Gaynor, Learning and Support Teacher to discuss eligibility criteria and the available support if appropriate.

If you do not want your child to participate in NAPLAN, it will be necessary to contact our Principal John Hambly to discuss your concerns and arrange for your child to be formally withdrawn.

YEAR 7 & 9 NAPLAN ONLINE

IMPORTANT DATES & INFORMATION

NAPLAN tests the sorts of skills that are essential for every child to progress through school and life, such as reading, writing, spelling, grammar and numeracy. It is important to remember that NAPLAN is not about passing or failing, but about assessing learning progress. At the classroom level it is one of a number of important tools used by teachers to measure student progress.

NASA/JPL teleconference

On the morning of Wednesday the 20th of February, more than 40 students gathered in the library to participate in a teleconference and live Q and A session with Rachel Zimmerman-Brachman, a scientist who works for NASA and the Jet Propulsion Laboratory (JPL).

Mrs Zimmerman-Brachman gave a presentation to the students about the Mars rover missions, including the recently completed 'Opportunity' and new 'InSight' missions, which have been designed to gather information about the Martian planet for eventual visits from humans.

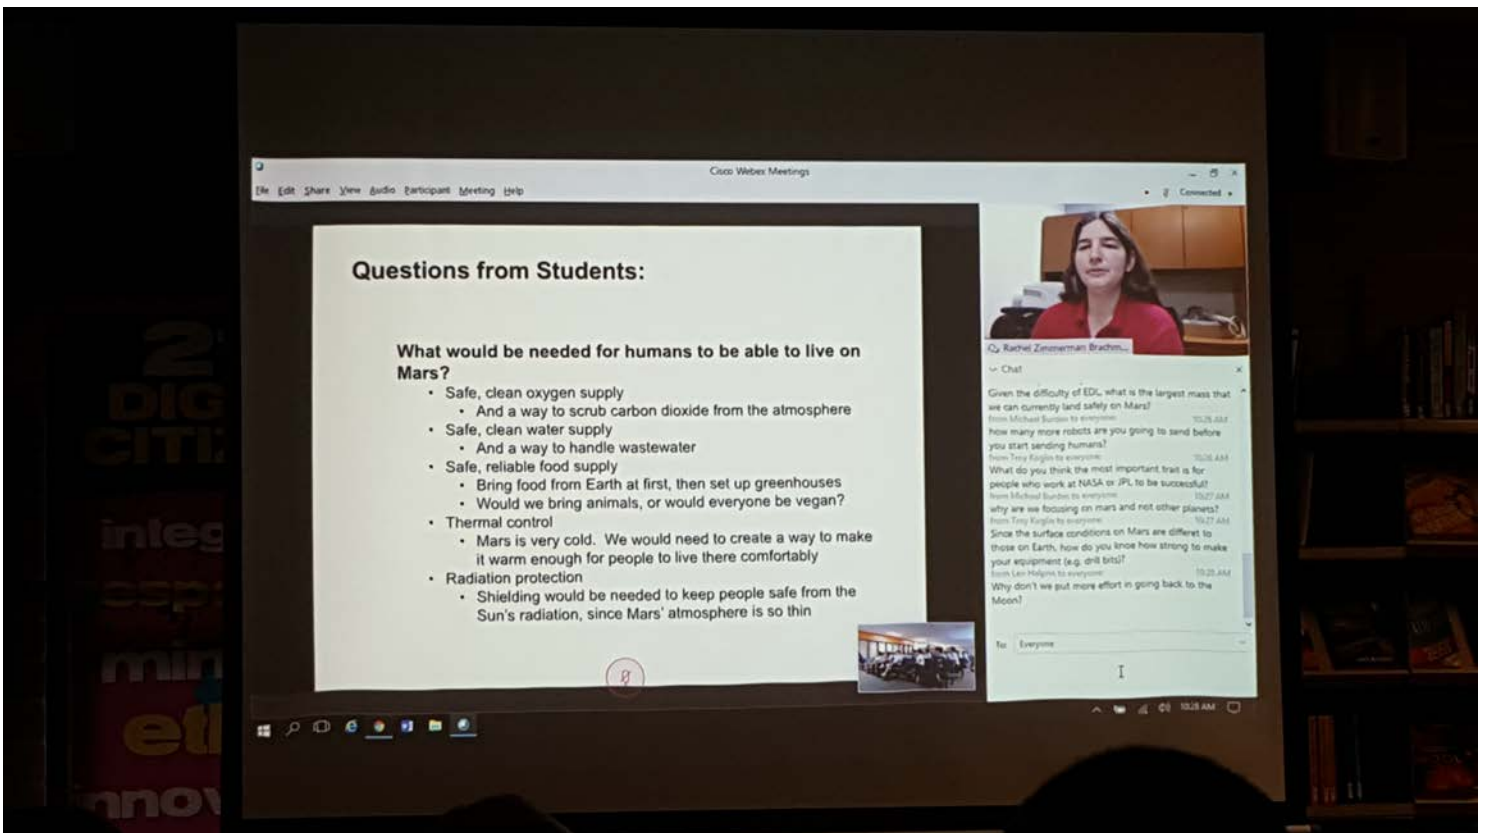

Our students asked several thoughtful questions, which led to discoveries such as NASA's future plans to land on and drill into asteroids, and that the sky of Mars is blue during sunrise and sunset, while a deep red/orange throughout the day.

A big congratulations to our students who took the time and initiative to inspire themselves by participating in this great event.

Also a big thanks to Mr Baldwin for assisting with the technical operation duties on the day.

UPCOMING EVENTS

Term 2

Week 2 Illawarra Schools Careers Expo – Years 10, 11 and 12

End of Feb University Preparation Program (Yr 12s) application due end of Feb

Various Year 8 Guidance Lessons- Careers and UOW partnership

Weekly Year 11 Connect- English Studies partnership

Our focus for this year is connecting with students, with parents and with the community to give an insight into what we do, what programs we run and how we help your WHS student.

Year 10 will be shortly starting their introduction careers lessons, and get their information about the Illawarra School Careers Expo. This year, due to growth and interest it will be held at the Illawarra Sports Stadium, Berkeley. Representatives from local industry, trades, universities, TAFE, private colleges, Defence Forces, Police, and more will all be there. It's a great morning, and the students can talk directly to these professionals about pathways.

Our students will be travelling by bus and will get the permission note during these sessions, and we will also place it on our website- warillahighcareers.com

WORK EXPERIENCE

Each term, students from Year 9 and 10 have access to work experience on either one of two weeks available at the end of term 2 and 4. Once they have completed a Ready2work work experience workshop with Tracy and Sharna, they then understand the legal requirements and protocols they must follow to complete work experience. They are taught how to source work experience, assistance with how to speak to an employer, sorting out insurance papers, etc. As long as the student does not have any clashing assignments, assessment tasks, and follows the code of good behaviour here at WHS, they are more than welcome to explore the world of work for a week. ***Put your name down in the Careers Room if you need to complete the workshop first.*** Work experience dates for Year 9-10 in Term 2 are Week 7 and 9.

Students in Year 11 and 12 can negotiate work experience with the careers team. Work experience is a great way to check out a career pathway or get your foot in the door for a casual job.

reconnect

What is Reconnect?

Reconnect is for a Year 10, 11 or 12 student who feels they want to explore the option of full-time study or employment in preference to staying at school. The students are withdrawn from two lessons per week into small groups to explore options that are suited to their pathway. Topics covered in the ten-week program include: Occupation testing, Illawarra industry snapshot, study options, wages and the cost of living, where the jobs are, budgeting, what employers are after, group interview techniques, access to white card courses, tax file numbers, guest speakers, work experience, resume and cover letter development, etc. If you feel your child would benefit from this and is in Year 10 or Year 11 or 12, please contact Sharna to be put into the Term 2 group.

Congratulations!

Summer Master Class Graduates

The following Year 12 students attended the University of Wollongong and completed a university subject during their January break for three weeks. This is a huge commitment from the students and their families during the holidays, and Tracy was there to take some photos at the UOW Summer Master Class Graduation.

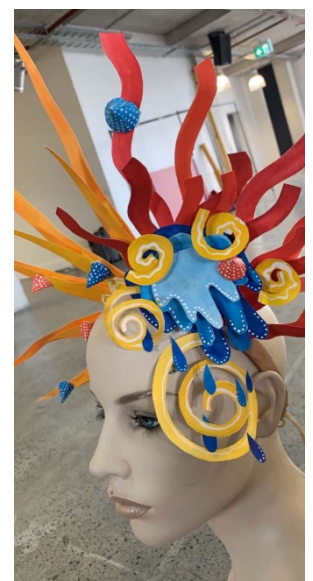

Nate Mathein, Jeremy Bachelor, Paris Mason, Tylah Batistuzo-Hale, Sophie Hopkins, Piper Rye, Joy Johnston, Claudia Climo, Megan Mallows, Finbar Gittoes, Jennifer Fahey, Anthony Trinh, Nikkita Maxwell, Nicholas Twigg, Kate Cudina, Matthew Erlik, Elissa Hayman, Cameron Dalley, Joshua Snelling.

Chelsea Hicks- Whitehouse Institute of Design Graduation

Chelsea is one of our Year 12 students who studied an EVET course as part of her HSC pattern of study. This involved gaining a position at the prestigious ***Whitehouse Institute of Design*** where she majored on Creative Design. This was a huge commitment by Chelsea and her family, and she attended the campus in Surry Hills during her 2018 school holidays and completing her Certificate III in Design Fundamentals in January.

School Based Apprentices and Trainees (SBATs)

We have a small number of senior students who attend school, work and training as part of their HSC. This requires a lot of commitment and excellent time management to balance these components. These students have to complete a minimum of 100 days of work on the job over two years, some having to meet 180 days of work. The SBATs for 2019 are:

Harley Nizza- Ocean Designs and Renovations

Lewis Guernier- CG Carpentry

Gema Hardy- Department of Education Office

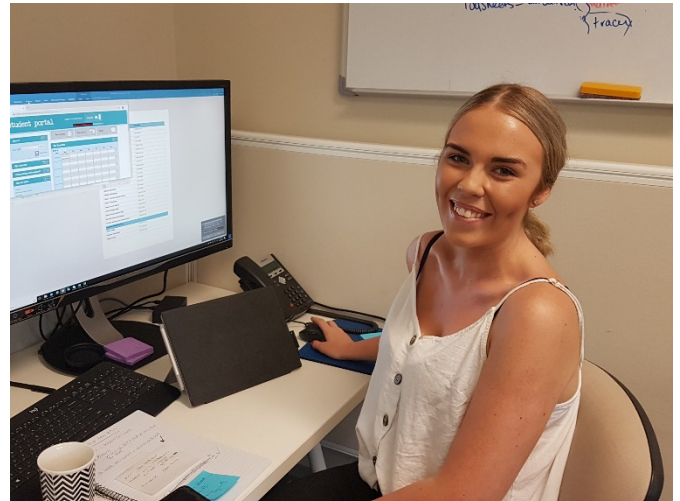

Ryan Warne – Reece Plumbing

Kade Regan Leighton- Reece Plumbing

Halle Warren- Wollongong City Council

Leah Simpson- KFC Warrarong

Angel Atkins- PEAK Sports and Learning

Discovery Day 2019

Our Year 12s travelled up to The University of Wollongong to spend the day in their chosen faculty. The morning started off listening to a current UOW student as a motivational speaker, followed by their day in their chosen faculty areas.

The students were fantastic representatives for WHS and were so punctual when we were travelling home. A great group who were well mannered. Thanks, Year 12s for a great day.

SCHOOL ENROLMENT POLICY

Warilla High School maintains an enrolment ceiling, based on available permanent accommodation and total numbers in each year group. Within the enrolment ceiling a buffer in each year group is maintained to accommodate local students arriving during the school year. Places in the buffer are not offered to non-local students. Feeder schools for Warilla High are Barrack Heights, Flinders, Shell Cove, Shellharbour and Warilla Public schools. Parents and carers are encouraged to contact the school to clarify the local zone for Warilla High School. It should be noted that non-local enrolments accepted by the primary school do not automatically guarantee an enrolment at Warilla High School. Such applications will be assessed as non-local applications.

Non-local application based on 'sibling rights' is not the sole determination in offering a position.

Placement Panel:

The placement panel will consider and make recommendations on all non-local enrolment applications.

- Year 6 into Year 7 enrolment applications: The Placement Panel consists of the Principal, the Deputy Principal with responsibility for that cohort the incoming year advisor and a SASS officer. The Principal is the chairperson and has the casting vote.
- Applications for enrolment into Years 8 -12, and Year 7 after the commencement of the school year: The panel consists of the Principal and the Deputy Principal responsible for the relevant year group. The panel is chaired by the Principal.
- This policy is endorsed by the Warilla High School P&C. All decisions are ratified by a representative of the P&C executive.

The decisions made by the placement panel are made within the context of the capacity of the school and the buffer retained for local students arriving later in the school year.

Criteria for Non-local Enrolment Applications:

- Demonstrated leadership and commitment to school and learning.
- Access learning, well-being and or extracurricular programs offered at Warilla High School
- Significant welfare issues.

Waiting Lists:

A waiting list will be established for non-local students seeking enrolment but unsuccessful in the first round of offers. The size of the list will reflect the realistic expectation that vacancies will become available.

Appeals:

If a parent/carer wishes to appeal a decision of the placement panel the appeal should be made to the Principal in writing. If an appeal cannot be resolved at the school level it will be referred to the School Education Director for the South Coast Group of Schools who will consider the appeal and make a determination.

High Attendance Equals High Achievement

What is a justified reason for being absent from school?

Justified reasons for absences may include if the student:

- has an unavoidable medical or dental appointment (preferably, these should be made after school or during holidays)
- is required to attend a recognised religious holiday
- is required to attend an exceptional or urgent family circumstance (such as attending a funeral)
- is sick, or has an infectious disease.

Absences for reasons such as some of the following may not be justified.

- Shopping
- Sleeping in
- Working around the house
- Minding younger siblings and other children
- Minor family events such as birthdays
- Haircuts.

It is important to realise that parents (including carers) may be prosecuted if children have recurring unjustified absences from school.

If you have any questions regarding student attendance, please contact the school.

Online Uniform Store

Looking to purchase your child's school uniform online?

We now have a brand new 'Shop Now' button on our Facebook page, click it, and it will take you straight to our online store! No need to get out of your chair!

Alternatively, you can visit our school website (www.warilla-h.schools.nsw.edu.au) -> Our School -> Uniform -> Online Store and this will take you there.

Make Online Payments (POP)

Is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit/debit card. The payment page is accessed from the front page of the [school's website](#) by selecting \$ Make a payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called "other", this would cover items not covered under the previous heading. 'Other' can be used to make complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

- The student's name, and
- class and reference number OR
- The student's name, and
- Date of birth.

These details are entered each time you make a payment, as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner and these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the office staff on 02 4296 3055 or alternatively email;

Warilla High School Bike Helmet Safety Policy

While riding a bicycle it is required by law to wear an (Australian Standard Approved) helmet securely fitted and fastened to your head.

Warilla High School has an obligation to enforce this law for the safety of their students when riding a bicycle to or from school.

Governed by Work Health & Safety, Duty of Care and NSW Law, Warilla High School cannot allow a student to ride a bicycle to or from the school premises without a helmet.

Therefore, if a student arrives at school without wearing a helmet then the school will be required to secure that bicycle until that student presents themselves with an approved safety helmet or the student's parents come and retrieve the bike.
