Principal's Message

Rather than speak of the many wonderful achievements of our students, including Riley Curry's second place in a NSW CHS Sailing Regatta, or Brad Wills first place in the National Under 14 Golfing competition which will now see him compete in the USA, or the amazing professional learning for staff provided by internationally acclaimed author and education theorist James Nottingham, I find my time consumed by petty, anti-social behaviour by a small group of students which continues despite significant sanctions, including suspension.

Some of this has been documented on social media where members of the community make derogatory comments about the school and the actions of these few recalcitrant and then want to brand all kids with the same brush. Interestingly, none of these "social-commentators" have ever made the effort to meet with me to discuss their concerns or the schools response to these concerns.

I would also make the point that schools reflect their communities and don't exist in isolation, free from the trauma of domestic violence, custody disputes, DOC's interventions, drugs, alcohol and the scourge of mental health related issues. Irrespective of the jurisdiction- Public, Private, Catholic or Independent- these issues are the reality of what educators deal with.

I believe Warilla High School and its pragmatic operational philosophy of excellence, respect, integrity and compassion has set a benchmark for the level of support that is provided to students and their families...so-much-so that enrolment demand remains at historical highs, especially by those seeking non-local enrolments.

The single biggest change I have seen in education over the past twenty years has been the increase in the incidence of students dealing with mental health related conditions including anxiety, stress, depression and in the most severe cases, self-harm. I have no doubt that the increase in such conditions has a direct relationship with the advent of social media commentaries and the incessant nature of the exposure of young people to their mobile phones and the various nuances of these devices. Unfortunately, much of the social media commentary can be derogatory and fuel doubts about a kids self-worth.

During the recent holiday break I listened to an ABC Podcast which I found to be not only informative but at the same time, confronting. It can be found at the following link.

<https://www.abc.net.au/radio/programs/conversations/david-gillespie-2019/10986686>

Interestingly, it is my understanding that some primary schools are actively considering banning mobile phones during the school day from the beginning of term 3. Our experience of student mobile phone use at Warilla HS has been that it is almost exclusively social in nature. I have no evidence to suggest it is being used as a learning device under the BYOD banner. Disturbingly, a HT did a survey with a senior class and found that during the course of a 60 minute lesson, over 200 mobile phone notifications were made to the 20 students in the class. How can students genuinely and meaningfully engage in lessons with such temptation to check emails and messages vibrating away? We have also found that many negative referrals from staff are related to the use of mobile phones. Our policy is quite simple with phones to be turned off and out of sight during class and between periods. They can be accessed at recess and lunch.

Despite this reasonable approach, students refuse to conform to the policy. Punitive sanctions appear not to be a deterrent. For these reasons, the school will set up a committee- which will include students- to review the current policy. This action has been endorsed by the P&C and I look forward to the recommendations this committee will table in the months ahead. The school is currently negotiating for the installation of a new bell system which will include a phone in every classroom, so the argument of mobile phones being needed for an "emergency" is negated.

Police will also be consulted on the issue in regard to personal safety and mobile phone access. I note with some irony that the late Steve Jobs invented the iPhone...and then banned his children from having one!

Finally, I look forward to seeing you all at our P&C meetings on the second Tuesday of each month commencing at 6 pm in the Library.

Retirement

I am writing to let you know my long association with Warilla High School will finish at the end of this term when I will enter the wonderful world of retirement.

I have been privileged to have led this fine school for twelve years over two separate periods, divided by five years spent as a School Education Director. We have guided fine young men and women to be everything their potential suggested they could be. Demand for places at the school continues to escalate and is testimony to the academic rigour, sporting excellence and civic involvement that sets WHS apart from the rest. I sincerely thank you for the opportunity to partner with you in the education of your children. Your advocacy and support of the school and its direction has been seminal in the improved learning outcomes that have been achieved. I wish you every happiness in the future and I look forward to following with interest the accomplishments of WHS and its wonderful students.

*With kind regards,
Mr Hambly, Principal*

Deputies Report

Well, welcome to the cooler weather and all that this involves. From our Deputy point of view, it means lots of students coming to school warm and cozy in the great school jumpers and jackets and a few that need our help and a reminder of what is acceptable at Warilla High School. The wearing of hoodies with long sleeves and then putting the school shirt over the top is not acceptable and never has been. Wearing lots of layers is a great way to stay rugged up, so start with things such as short sleeve T-shirts underneath and the school jacket on top are the way go. Similarly, plain dark blue tracksuit pants are a great way to stay warm, but not if they have one leg emblazoned with a brand name on it. The aim of school uniform is to allow all students to feel equal no matter what their family's financial position. We would add, as parents, we are aware that the brand names some students seem so keen to wear are considerably more expensive to purchase than the school uniform. If you have difficulty in affording uniform please just ask the school for help, as it is done without any fuss.

Warilla High is highly invested in teaching our students the values of Excellence, Respect, Integrity and Compassion. Many of our students regularly display these values and they are a credit to the school and their families. So, it is really disappointing to hear that despite our efforts to make these values part of our everyday life that some students haven't taken this on board. Recently, we had an incident with some Year 9 students that involved behaviour that was totally unacceptable to the school, and as a result these students were issued with serious consequences. If this behaviour is repeated the future of these students at Warilla is doubtful. Warilla High has a zero tolerance for violence, and at no time is it acceptable at Warilla High to use socially inappropriate language. These students are a very small number. Overall, we thank the wonderful majority of students who are such great ambassadors for the school and model the behaviour we promote both within and outside the school.

On a positive note, Vivo's are moving along well and it is great to hear students talk about the number of Vivo's they have and what they are planning on purchasing from the "Vivo Shop" with their points. The senior students tell us that the points can be redeemed for petrol vouchers. No matter what the students are redeeming the points for it is important to note that we strongly support the Vivo system which recognizes the many great students who attend Warilla High and reward them for their Excellent, Respectful, Integrity laden and Compassionate (ERIC) behaviour. As Deputies, we are often involved in the behaviour of students that is less than impressive, so it is great to join the rest of the school celebrating the exceptional work and behaviour by the majority of our students.

Finally, well done and congratulations to our Year 7 and 9 students who have been working to their best ability with the recent NAPLAN testing. Congratulations also to the staff who organised these days, as it was a logistical feat. It is a shame that the NESA end seemed to be a bit overwhelmed by the sheer numbers involved, as some of our students experienced the site "dropping out", but it seemed to reconnect pretty quickly. The resilience our students demonstrated to simply keep working once they reconnected again was impressive. This year 50% of the state are sitting the testing electronically and they are anticipating everyone will be online next year.

Stay warm and remember our doors are open to all students and their families.

Ms Brook, Mr Kershaw and Mr Ind*

Invoices for school fees will be sent to parents/guardians by mail during Week 5 of Term 1.

The fridge magnet calendar with 2019 important school dates will also be included.

UPDATING STUDENT DETAILS

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

RIDING A BIKE TO SCHOOL

Year 7

It was a busy end to Term 1 and again, a busy start to Term 2. Students had the chance to attend the Easter Show excursion, Meet the Parents afternoon tea, and have since participated in the school's ANZAC day ceremony, Adopt a Farmer Mufti Day, and NAPLAN. Year 7 are to be congratulated on their efforts during the NAPLAN exams, as their participation and application towards NAPLAN was pleasing to see.

Any Year 7 student who was away Wednesday 13th February and missed their first vaccination of HPV dose 1, and dTpa from NSW Public Health has the chance to catch up at school Week 5, Wednesday 29th May. If child's consent card was already returned to the school, we will set a time aside on the day to catch them up. If the child has not yet returned their consent card to the school and still wants to be vaccinated for free under the school system, you will need to return the consent card to school (a new one will be posted out from Public Health during Week 4) and we will add them to the catch up list.

The second visit for HPV for the rest of Year 7 is scheduled for Wednesday 21st August, Week 5 of Term 3. Any questions regarding catch up vaccinations please phone the NSW Public Health unit Monday to Friday 8:30am - 5pm Ph: 4221 6700.

I would like to congratulate the copious amount of students who have received their bronze award this term. Well done and keep up the hard work Year 7! Students need to continue working hard, as report time is approaching.

Year 7 Advisor

Year 8

Term 2 is in full swing, as Year 8 are completing assessment tasks and the reporting period is fast approaching. Year 8 have begun "how to study" lessons during their guidance classes, the students are responding well to these lessons and are showing initiatives in applying some of the strategies demonstrated.

Please check with your child to ensure that any assessments or tasks that are due are completed and submitted by the due dates, or they are preparing for the examination style assessments. All students are expected to try their best, and if they require any help they can ask their teachers.

Keep up the hard work Year 8!

Mrs Ratajkoski

Year 8 Advisor

Year 9

Firstly, Year 9 must be congratulated on the application displayed during NAPLAN. Now that the tests are finished, students will continue to work towards improving their Numeracy and Literacy skills with their classroom teachers across all subjects. When the NAPLAN results are distributed, I encourage students, along with their parents and guardians, to analyse areas of strength as well as areas for improvements, as we did in the Guidance lessons last year. Analysis of the results will assist students in further developing the minimum standard of skill in preparation for the Year 10 Minimum Standards tests. More information about these tests can be found at

<https://educationstandards.nsw.edu.au/wps/portal/nesa/11-12/hsc/hsc-minimum-standard/online-tests>.

MINIMUM STANDARD ONLINE TESTS

As we near the middle of Term 2 students are encouraged to ensure that they have completed all of their required Assessment Tasks to demonstrate that they are meeting course outcomes. Students are invited to talk with their classroom teachers and also access free tutors on Tuesday afternoons. If you would like to access this assistance, please obtain a permission note from the Welfare Hub.

Keep your work ethic level high as we reach the half way point for Term 2 and move into report time.

Australia's Got Talent

Australia's Got Talent was a very enjoyable event that many of us were lucky enough to attend. During the filming process of Australia's Got Talent, you were able to see how the entertainment industry works and what it's like behind the scenes filming a TV show. Although the day was long, Australia's Got Talent was an amazing experience and I recommend anyone who gets the opportunity to go, should go!

Australia's Got Talent would have to be one of the craziest experiences of our lives. As we were so close to the stage and to the judges, this was electrifying. Included in the show were amazing dancers and incredible acrobats, funny comedians as well as some heart-felt slam poetry on saving our earth. Even though we didn't get back home till 7:30pm, it was worth the while. Being a part of Australia's Got Talent viewing was incredible.

SRE (Special Religious Education)

Dear Parents,

SRE (special religious education) has now commenced for the year. We have fortnightly classes offered for year 7 and 8 students as well as a couple of seminars for all years coming up later in 2019. Although these classes are taught from a Christian point of view, they are designed for children of all backgrounds. They help students think through what is taught in the Bible and allow the opportunity for discussion and respectful disagreement about matters of faith and belief. Please remember to return your SRE enrolment form to be included in these classes.

SCHOOL ENROLMENT POLICY

Warilla High School maintains an enrolment ceiling, based on available permanent accommodation and total numbers in each year group. Within the enrolment ceiling a buffer in each year group is maintained to accommodate local students arriving during the school year. Places in the buffer are not offered to non-local students. Feeder schools for Warilla High are Barrack Heights, Flinders, Shell Cove, Shellharbour and Warilla Public schools. Parents and carers are encouraged to contact the school to clarify the local zone for Warilla High School. It should be noted that non-local enrolments accepted by the primary school do not automatically guarantee an enrolment at Warilla High School. Such applications will be assessed as non-local applications.

Non-local application based on 'sibling rights' is not the sole determination in offering a position.

Placement Panel:

The placement panel will consider and make recommendations on all non-local enrolment applications.

- Year 6 into Year 7 enrolment applications: The Placement Panel consists of the Principal, the Deputy Principal with responsibility for that cohort the incoming year advisor and a SASS officer. The Principal is the chairperson and has the casting vote.
- Applications for enrolment into Years 8 -12, and Year 7 after the commencement of the school year: The panel consists of the Principal and the Deputy Principal responsible for the relevant year group. The panel is chaired by the Principal.
- This policy is endorsed by the Warilla High School P&C. All decisions are ratified by a representative of the P&C executive.

The decisions made by the placement panel are made within the context of the capacity of the school and the buffer retained for local students arriving later in the school year.

Criteria for Non-local Enrolment Applications:

- Demonstrated leadership and commitment to school and learning.
- Access learning, well-being and or extracurricular programs offered at Warilla High School
- Significant welfare issues.

Waiting Lists:

A waiting list will be established for non-local students seeking enrolment but unsuccessful in the first round of offers. The size of the list will reflect the realistic expectation that vacancies will become available.

Appeals:

If a parent/carer wishes to appeal a decision of the placement panel the appeal should be made to the Principal in writing. If an appeal cannot be resolved at the school level it will be referred to the School Education Director for the South Coast Group of Schools who will consider the appeal and make a determination.

Absences for reasons such as some of the following may not be justified.

It is important to realise that parents (including carers) may be prosecuted if children have recurring unjustified absences from school.
