## Principal's Message

Well it is almost the end of the year and we are still running hard trying to get everything complete. It isn't just getting things finished off properly from this year, but also working on next year with timetables, class lists etc. (and writing newsletter items).

We have also had a range of end of year activities for the students. Today there are quite a large number of well-behaved students going to Jamberoo for a fun day to reward them for their outstanding behaviour. It is great to see them getting on to the buses and heading out for a day of fun with their friends and the teaching staff. I hope we have some photos up on Facebook soon to document their day.

Another event we have held recently was our annual prize giving night Wednesday this week. Thank you to the many families who came to see their students receive their various awards. It was a very well run evening and the students and staff all played their part in making it run like a well-oiled machine. On the evening we celebrate students for their academic success, their outstanding attendance, their sporting prowess and their civic and community endeavours. It was great to see such a mix of students and again congratulations to them on their well-deserved recognition.

With the end of the year coming students will be issued their final reports on Monday afternoon. If they are absent they can collect them from their Year Adviser over the next 2 days, as Wednesday is the final day for student attendance.

If you hadn't heard I have been appointed as Principal of Warilla High, and officially take up the post at the start of next year. I am excited, thrilled and a little bit numb, but look forward to our ongoing journey with you and your students. With the year ending I take this opportunity to wish all of our families a very restful, holy and enjoyable Christmas with family and friends and look forward to seeing our students back next year, most of the significantly taller than when they left.

*With kind regards,  
Ms Brook,  
Principal*

## Deputies Report

With the end of the school year in sight, I find that this report will actually focus on new beginnings and a fond farewell.

The Deputies at Warilla High School would like the opportunity to publicly acknowledge and offer our congratulations to Michelle Brook on her promotion to the position of Principal at our school.

Michelle's appointment was ratified after a rigorous merit selection process and is testimony to her 37 years of dedication to public education. Michelle can also be considered to have broken through a 'glass ceiling' as her appointment heralds the first appointment of a female Principal at Warilla High School. She is also a very proud First Nations' woman and her appointment will enhance her standing as a role model and advocate for ATSI community.

Michelle has played a strong role in the leadership team that determined the direction of the school during the time of our previous principal, John Hambly, and the school community can expect a maintenance of the high standards set in regards to teaching, learning and behaviour that have set the bench mark for schools in this area. With this being said, a new leader does bring fresh ideas and this is essential for the continued evolution and improvement of any organisation and we look forward to 2020 with renewed optimism.

It is also important that in this report we acknowledge the work of our fellow Deputy Principal, Martin Ind, who has applied for and has accepted a 12 month appointment at Batemans Bay High School. Martin has taken this appointment to be closer to family and as we move towards the Christmas period, the importance of family for support and on-going happiness is firmly in our thoughts. Martin has for the last two years led our Excellence for All portfolio and has built strong relationships with families and community members. His dedication to the students of this school will be missed. We wish you, Martin, all the best for 2020 but also look forward to having you 'back on board in 2021'.

Finally, I would like to take the opportunity to wish all students and their families a Merry Christmas and a safe and prosperous new year.

**IMPORTANT MESSAGES****LATE ARRIVAL – CHANGE OF PROCEDURES**

Up until 9.15am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.15am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

**UPDATING STUDENT DETAILS**

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

**PRIVATE PERSONAL PROPERTY**

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

**PARKING IN SCHOOL ZONES**

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

**RIDING A BIKE TO SCHOOL**

Students who ride a bike to school are required by law to wear a helmet.

**STUDENT ABSENCES**

Students must bring a note to explain their absences. A green 'Absence Book' is available from the front office. Unexplained absences will appear on the student's report.

## Year 7

What a great end to a successful first year in high school!

After completing the first four terms of their high school career, a feeling of excitement is emanating from all of the students. Whether they are excited about the upcoming five week holidays, excited about the award they may have received at the recent presentation night or Celebrating Success Assembly, or simply excited that they have survived Year 7 is anyone's guess.

I am proud to have seen the students grow, mature and succeed in high school life and wish them the very best in their Year 8 adventures. Many classes will be different next year, providing an opportunity for the students to make new friends and face new challenges with their new elective classes.

Wishing all the students and their families a happy and safe holiday season and a very Merry Christmas and Happy New Year. I look forward to catching up with everyone in the New Year.

Best Wishes,

**Nathan Ralston-Bryce**

**Year 7 Advisor**

## Year 8

Year 8 have had a busy term and it's been wonderful to see students continually apply themselves in the classroom and develop their personal skills. Students have had the opportunity to participate in the Christmas Stalls and the Wellbeing Day, and it was fantastic seeing students actively participate and enjoy themselves on these days.

The student achievements this semester were acknowledged during the Year 8 Merit assembly. An abundant number of students received E.R.I.C; Outstanding attendance; Uniform; and Year Adviser awards. Once again I would like to congratulate these students, and I'm looking forward to celebrating their achievements next year.

After the holiday's students will begin Year 9, including two electives which will provide students with an educational opportunity to learn and acquire knowledge and develop skills which may possibly assist in paving a pathway to future employment. I wish you all a happy Christmas and a safe and enjoyable holiday break, and I look forward to seeing you all back next year in Year 9.

**Loretta Ratajkoski**

**Year 8 Advisor**

## Year 9

The first year of double digits is upon us! I can't believe Yr 9 is completed. Reflecting back over the past three years has left me wondering where did the time go?

We have had some incredible moments and I am so privileged to have been a witness to many achievements of excellence.

Next year will be a big year of decision making surrounding the study choices for your future endeavours. I encourage all students to seek advice from the Careers Advisor as well as their classroom teachers, Year Advisor and their parents / guardians to communicate their passions, ambitions and ideas in order to choose an appropriate pathway to achieve their goals.

Over the holiday break, I advise all students to access the 'Life launcher' website and complete the *Personality Quiz* which will assist them to match with possible careers.

<https://www.lifelauncher.nsw.gov.au/quizzes/personality>

I wish you all and your families a safe and Merry Christmas. Make sure that you make safe decisions over the break and enjoy your time with family and friends.

I look forward to seeing you all back at school next year, Thursday 30<sup>th</sup> January 2020.

***Mrs Lambert***

## **Year 11**

It has been a busy year for our students this year as they have undertaken their preliminary HSC studies and embarked on the beginning of their final year at Warilla High School.

Students have participated in a crossroads camp, ski trip, Great Barrier Reef snorkelling expedition and many subject specific excursions and field trips. We have seen some great successes in the sporting arenas and academic forums with many students receiving awards on our presentation night. Others have stepped up to embrace leadership roles and have taken an active pursuit of wellbeing initiatives to support each other during what has at times been a difficult year emotionally.

The end of the year sees our students completing the first components of their HSC coursework, with many of their first assessment tasks already submitted. Unfortunately, there have been some N warnings come through for a few students who have not completed these. It is imperative that all students clear these if they plan to continue on with their HSC.

Hopefully everyone can take some time to relax and enjoy themselves over the holidays. Please stay safe, look out for each other and take the time to rejuvenate before we head into the final three terms of the HSC.

## Forehore Centre

Students of the Foreshore Centre spent 3 days away on camp at The Tops Conference Centre Stanwell Park. During this time students were challenged on activities such as: High Ropes course, Vertical climbing courses, Kart racing, Archery, Survivor challenges, and a 15m giant swing.

Students were facing fears and accomplishing goals with the support of their peers. Over the camp friendships were made and strengthened, students made great memories and were full of excitement and smiles.

## Umburra News

We have finished the year on a high with our Indigenous students.

WHS was lucky to have 6 students nominated and successful in their chosen categories for the 2019 Inspire Succeed Excel Aboriginal Education Excellence Awards. Thomas Nicholls Year 11 – Leadership, Citizenship and Community Service, Rhiannon Tungai Year 11, Rosemary Boyland Year 12 and Bindi O’Hara Year 9 – Sporting Excellence, Maddison McInnes Year 12 – Literacy and Tyson Schillert Year 10 – Attendance.

Congratulations to these students!!

A group of boys completed the cultural program run by Southern Youth and Family Services under the guidance of Uncle Richard and Aunty Jodie. They performed all they learnt in an end of year graduation on Wednesday 4<sup>th</sup> December.

Monday 2<sup>nd</sup> December we held our Koori Awards day here at school recognising the success of all our students. The focus of the awards is 80% and above attendance. We also acknowledged high academic and sporting achievements. Thanks to our families who came at celebrated with us.

Past year 12 students Quiarnii Russell and Carrie McIntyre were acknowledged at the St George Illawarra Dragons School to Work Program ceremony on Friday 6<sup>th</sup> December.

A huge congratulations to all these students. Wishing all our families and community a safe, happy and healthy Christmas. We look forward to working with all our students and continuing these success’s into the New Year.

***Mrs Simon***

## Library News

I would like to thank all the staff and students of Warilla High School for making my year as Teacher Librarian such a memorable one. I hope I have had a positive impact on the Library and its transformation into an innovative learning hub. It’s been fantastic to see so many kids utilising and enjoying the new space and many teachers using the Library spaces and resources with their classes.

Students and staff can access the Oliver library catalogue and Wheelers ebooks via the portal over the holidays.

I would like to wish everyone a wonderful Christmas and New Year. Happy reading!

## DATES FOR YOUR DIARY FOR 2020

**Term 1 Week 2**

**Year 12 Discovery Day @ UOW 2020**

**Term 2**

**Illawarra Schools Careers Expo- Year 10**

## RECAP of 2019

For those who don't know, Tracy Hicks took a 12 month position as Careers Advisor at Kiama High School and I have stepped into Tracy's full time role for the 12 months. Luckily she trained me well and things can run as normal until she returns!

## Year 12 Careers in 2019!

Year 12s started the Year at Discovery Day, and this started to give them concrete ideas about the direction they were taking.

They started the UAC process early this year and starting conversations about Early Admission.

Some already had 3 weeks at the uni, completing Summer Master Class during their uni break, or starting UPP during the year where they attended uni weekly to meet up with their mentors and attend lectures. Many completed work experience, work placement through VET and a lot left during the year to move onto employment or different training organisations.

Some completed school based traineeships and apprenticeships- Gema Hardy, Lewis Guernier, Harley Nizza , Travis Robinson, Rhiannon Martin and Ryan Warne all completed over 100 days on the job and received qualifications to further them in the employment sector.

Gema Hardy was also nominated as SBAT of the Year by her employer and the school and nominated for the State Training Services Awards as well.

Excellence in Vet Awards night through Workplace Learning Illawarra saw Carly Binstadt receive two awards, winning two categories- Retail Services Student of the Year and Business Services Student of the Year. Carly was also nominated by the school and Ms Ruse. Carly also leaves Year 12 as the highest qualified student. Since Year 10 Carly has gained qualifications in: Retail Baking, Retail Services, Business Services, Hospitality and Floristry.

Good luck Year 12s with your upcoming courses, and remember you're not stuck in something for life, just choose something to start your career- the world of work is ever changing so keep your eye out for amazing new courses coming up! I will miss the endless chats and laughs (some tears) with those who hung with me in my room, and wish you all the best in whatever you choose to do.

**Year 11s Careers in 2019**

Many Year 11s began their EVET courses in February and completing their work placements to gain industry experience along with a qualification. Many completed their course this year while others are continuing their course into next year. Some picking up one year courses in 2020 in addition to completing their HSC. It's not all about the HSC though as many chose to exit in Year 11 this year.

Many left for apprenticeships that they gained through work experience or work placement, many started their course already at TAFE or another private provider. Many have a lot of exploring to go through work experience and

some haven't even started. I look forward to helping you all in 2020. Congrats goes out to Lachlan Briffa who attended a Fit for Work Program with the PCYC which gave him some qualifications and skills to enter the workforce.

**Illawarra Mowing Boys** finished up this year due to my workload increasing. I was extremely proud of the boys, Aiden Sims, Hayden Kelly and Ben Santiago and what we were able to achieve. Students from the Foreshore Centre may start this again in 2020 and Lake Illawarra High will also do this work for our community. We appreciate all of the community support and donations. Special thanks to Carmel Faull from The Flagstaff Group who was a huge supporter and fed the boys to keep them going. Thanks for your support and friendship.

### SBATS for 2019

Paige pictured left is one of our SBATS for Year 11, along with Angel Atkins, Halle Warren and Leah Simpson. They are completing courses outside of school as well as working 100 days on the job. Paige and Angel are PEAK SBATS studying Education and Care Cert IV while Halle is studying a Cert III Business Services through Wollongong City Council Library at Corrimal.

### Exciting news for Year 11 student Jade Lees who has secured work experience at Taronga Zoo in May in 2020!!

Year 10s went to the Illawarra Schools Career Expo this year and were introduced to providers to get them thinking about future options. A lot completed work experience this year which has helped them select subjects they want to be in for 2020.

They had career lessons about the Senior School during Term 2 which led up to the Subject Selection Expo at the end of Term 2. Students had interviews when they selected their subjects and also selected EVET courses for 2020.

Many in Year 10 were part of Reconnect where they completed resumes and attended work experience to give them a head start to their working careers.

A few left for full time employment and have been successful in gaining an apprenticeship. The ones who have gained these are the ones who have put a lot of effort into searching, completing work experience and applying for jobs. Good luck to those who are leaving and start their pathway in 2020.

**Isabella left and Eli- May below were two of many Year 10s who completed work experience this year. Anthony below and Abbey bottom left were two of also many who gained apprenticeships for 2020.**

Some Year 10s completed a Yes TAFE Taster Program. We had 46 students over 4 campuses participate in these programs and many chose to complete an EVET course as part of their studies in 2020. Below are the guys who participated in Welding at TAFE as part of their program. Students self-nominated for this and TAFE gave them free training and a free lunch- bonus ☺

The majority of Year 10s continue to do the right thing on work experience and out at courses . The more you become involved, the better your schooling and opportunities can be.

See you in 2020 with more opportunities for you all!

Sharna ☺

## Re: Persistent Lateness to school without explanation

During the school year, a growing number of students have been coming late to school, without a note from a parent or caregiver.

Warilla High School is required under the Education Act 2009, to record and report on all absences, be they whole day, or partial day absences. This includes students that are only five (5) minutes late to school. Parents are responsible under the act to explain the absences of their children from school via the Parent Portal, a note, a verbal notification in person, or on the telephone.

A justifiable explanation cannot be considered for incidents such as sleeping in, minding younger siblings or walking slowly to school.

Students persisting with arriving late to school without reason will be issued with an initial warning, then After School Detentions, and then move through the school's Welfare and Discipline Policy. Lateness will be recorded as a partial absence, will be recorded as 'Unexplained Partial Absence' on the student's report and official record of student attendance.

If you have any questions regarding your child's whole day or part-time attendance patterns, please feel free to contact me at the school.

Yours sincerely,

**J. Grace**  
**Head Teacher Student Administration**

## Infectious Disease

I am writing to advise you that our school currently has a student who is receiving treatment for cancer. Currently, she/he is actively involved in the school community in between having treatment and dealing with and recovering from the side effects.

As this student has a compromised immune system (which makes him/her more vulnerable to disease), it is important that you do not send your child to school if he/she is unwell. For example, if your child has an infectious disease (such as measles, chickenpox, shingles or diagnosed flu), he/she should stay at home until no longer contagious. For more information about how long an illness is contagious, contact your GP or visit the NSW Health website at [www.health.nsw.gov.au](http://www.health.nsw.gov.au).

I would also appreciate it if you would notify me if your child has an infectious disease. This will allow me to assess the potential risk of the disease and if necessary, to notify the student's parents and medical team.

We appreciate your cooperation. Please do not hesitate to contact me if you have any questions.

Yours sincerely,

**Ms Brook**  
**Principal**

## CAPA News

Students have been working extremely hard this term in Drama, Music, Photography and Visual Arts. Many students have performed at Formal Assembly, Graduation, Presentation Night and many more.

It was delightful to see an enthusiastic, hard working group of singers who were eager to entertain the masses at our WHS Christmas Stalls by singing Christmas Carols. These students were joined by many an audience member, including guests to our school, family members, other students and teachers who also joined in the spirit and fun of Christmas with their singing. Merry Christmas and have a fantastic holiday! Ms Wilson

All the CAPA staff would like to thank all students that have participated in our subjects, extra-curricular and excursions. Looking forward to working with all students next year.

## DISABILITY PROVISIONS HSC 2020

Disability provisions in the HSC are practical arrangements [designed to help students](#) who couldn't otherwise make a fair attempt to show what they know in an exam room.

It is possible to apply to access disability provisions if your child has:

- For example - an ongoing medical conditions including diabetes, hearing loss, irritable bowel, persistent intense back pain, scoliosis, arthritis
- Mental health concerns including, but not limited to anxiety or depression
- Physical disability
- Autism, dyspraxia, dysgraphia, dyslexia
- Reading difficulties
- Illegible handwriting

The provisions granted are solely determined by how the student's exam performance is affected.

NESA determines disability provisions for the Higher School Certificate examinations.

To apply for provisions, schools must submit an online [application](#) to NESA. This application tells us [which provision/s a student is requesting](#) and includes recent evidence. Evidence may include medical reports, reading results, spelling results, writing samples and teacher comments.

Applications generally close at the end of Term 1, 2020, however the staff at NESA are aware that it can be very difficult to secure medical appointments for specialist doctors and other medical providers. NESA will consider late applications for newly diagnosed or occurring situations that will affect exam performance eg newly diagnosed medical conditions or fractured limbs.

**CAUTION**

**CYCLE SAFETY**

We have had some reports of students riding bikes and scooters to school and not obeying road rules. Both Police and Council Rangers have informed the school they are monitoring the situation. NSW cycling **fin**es were increased on July 1, taking **the penalty for not wearing a helmet** to \$330; riding negligently, furiously or recklessly to \$439; and **failing to stop** at a pedestrian crossing to \$439. Please bring this to the attention of your child.

## DOUBLE DELIGHT FOR ACTIVE KIDS

Thanks to the Active Kids vouchers local kids are keeping active while their parents are keeping the cash.

I am so pleased to advise that from **01 July 2019** each school-enrolled child will now be able to access **two \$100 Active Kids vouchers** per year.

The money will help you pay registration costs for sport and recreation, so that your kid(s) can participate and stay active all year-round. Families across the region keep telling me how much the Active Kids Vouchers help them manage the cost of living. Now with **two Active Kids \$100 vouchers per school enrolled child**, you can keep even more money in your back pocket while your kid(s) stay happy and healthy.

Since the Active Kids program was launched in 2018, more than one million vouchers have been redeemed and more than \$100 million saved by NSW families.

It is a big win for NSW when more kids can participate in sport because of the Government's drive to take down the barriers to expensive registration costs.

Whether it is soccer, scouts, AFL, rugby, netball, golf or volleyball, you're sure to find an activity your kid(s) will love. Active Kids really is making a difference to children's participation in sport and active recreation in NSW.

From January – June there was an overall increase of 13 per cent in the number of Active Kids' vouchers created, including a 17 per cent rise in vouchers created for girls following an influx of registrations for dance, gymnastics, tennis and swimming Active Kids providers.

These are incredible results and demonstrate why the NSW Government is investing an additional \$40 million this year to expand the Active Kids program."

## SCHOOL ENROLMENT POLICY

Warilla High School maintains an enrolment ceiling, based on available permanent accommodation and total numbers in each year group. Within the enrolment ceiling a buffer in each year group is maintained to accommodate local students arriving during the school year. Places in the buffer are not offered to non-local students. Feeder schools for Warilla High are Barrack Heights, Flinders, Shell Cove, Shellharbour and Warilla Public schools. Parents and carers are encouraged to contact the school to clarify the local zone for Warilla High School.

It should be noted that non-local enrolments accepted by the primary school do not automatically guarantee an enrolment at Warilla High School. Such applications will be assessed as non-local applications. Non-local application based on 'sibling rights' is not the sole determination in offering a position.

### **General Principles Governing Year 6 – 7 Enrolment:**

According to Year 6 to 7 Department of Education Reference Guide.

- Parents/Carers are entitled to seek enrolment for their child at the local secondary school that is situated and which the child is eligible to attend.
- In addition to seeking enrolment at their local secondary school, Year 6 parents/carers may seek to enrol their child in the secondary school of their choice, but they should recognise that they have priority only in their designated local secondary school.
- Schools are required to establish an enrolment buffer to cater for anticipated future local enrolment demand, thereby seeking to ensure that every eligible local child has a place at his/her local school if he/she chooses to attend it.

### **Placement Panel:**

The placement panel will consider and make recommendations on all non-local enrolment applications. The decisions made by the placement panel are made within the context of the capacity of the school and the buffer retained for local students arriving later in the school year

- Year 6 into Year 7 Out of Area enrolment applications: The Placement Panel consists of the Deputy Principal with responsibility for that cohort, the incoming Year Advisor and a SASS officer. A decision will be made and subsequent appeals are directed to the Principal.
- Applications for enrolment into Years 8 -12, and Year 7 Out of Area after the commencement of the school year: The panel consists of the Deputy Principal responsible for the relevant year group, the relevant Year Advisor and a SASS officer. A decision will be made and appeals are directed to the Principal.
- At this point in time NO Out of Area enrolments will be accepted without the approval of the Director of Educational Leadership for the Lake Illawarra South School Network
- This policy is endorsed by the Warilla High School P&C. All decisions are ratified by a representative of the P&C executive.

## Criteria for Non-local Enrolment Applications:

- At this point in time NO Out of Area enrolments will be accepted without the approval of the Director of Educational Leadership for the Lake Illawarra South School Network

## Waiting Lists:

A waiting list will be established for non-local students seeking enrolment if unsuccessful in the first round of offers. The size of the list will reflect the realistic expectation that vacancies will become available.

## Appeals:

If a parent/carer wishes to appeal a decision of the placement panel the appeal should be made to the Principal in writing. If an appeal cannot be resolved at the school level it will be referred to the Director of Educational Leadership for the Lake Illawarra South School Network who will consider the appeal and make a final determination.

## High Attendance Equals High Achievement

### What is a justified reason for being absent from school?

Justified reasons for absences may include if the student:

- has an unavoidable medical or dental appointment (preferably, these should be made after school or during holidays)
- is required to attend a recognised religious holiday
- is required to attend an exceptional or urgent family circumstance (such as attending a funeral)
- is sick, or has an infectious disease.

Absences for reasons such as some of the following may not be justified.

- Shopping
- Sleeping in
- Working around the house
- Minding younger siblings and other children
- Minor family events such as birthdays
- Haircuts.

It is important to realise that parents (including carers) may be prosecuted if children have recurring unjustified absences from school.

If you have any questions regarding student attendance, please contact the school.

## Online Uniform Store

Looking to purchase your child's school uniform online?

We now have a brand new 'Shop Now' button on our Facebook page, click it, and it will take you straight to our online store! No need to get out of your chair!

Alternatively, you can visit our school website ([www.warilla-h.schools.nsw.edu.au](http://www.warilla-h.schools.nsw.edu.au)) -> Our School -> Uniform -> Online Store and this will take you there.

## Make Online Payments (POP)

Is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit/debit card. The payment page is accessed from the front page of the [school's website](#) by selecting \$ Make a payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called "other", this would cover items not covered under the previous heading. 'Other' can be used to make complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

- The student's name, and
- class and reference number OR
- The student's name, and
- Date of birth.

These details are entered each time you make a payment, as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner and these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the office staff on 02 4296 3055 or alternatively email;

## Warilla High School Bike Helmet Safety Policy

While riding a bicycle it is required by law to wear an (Australian Standard Approved) helmet securely fitted and fastened to your head.

Warilla High School has an obligation to enforce this law for the safety of their students when riding a bicycle to or from school.

Governed by Work Health & Safety, Duty of Care and NSW Law, Warilla High School cannot allow a student to ride a bicycle to or from the school premises without a helmet.

Therefore, if a student arrives at school without wearing a helmet then the school will be required to secure that bicycle until that student presents themselves with an approved safety helmet or the student's parents come and retrieve the bike.
