29 March 2021 - Issue 2 – Term 1 – Week 10
E: warilla-h.school@det.nsw.edu.au FB: [/WarillaHigh](https://www.facebook.com/WarillaHigh) W: <http://warilla-h.schools.nsw.gov.au>

Principal's Message

Congratulations have been sent to **WARILLA HIGH**, who placed 1st in the boys point score and 3rd overall in the combined point score at the carnival.

Also, **congratulations** to **Warilla Boys All Age Relay**, who have a new **SOUTH COAST RECORD** with the All Age Boys Relay after taking 10 seconds off their entry time - well-done boys!

Well, that is just about it for Term 1, hard to believe. It is excellent that we are getting back to pretty much close to normal when compared to last year. We have been able to resume many activities that were impossible last year. As I write this item, many of our Year 8 students are off camping at Blackheath with Mr Harry and a number of staff. Hopefully, we have seen the last of the wet weather, and they come back with great stories about their adventure. This camp has been postponed numerous times because of COVID restrictions, and it is great to think that despite being postponed, they eventually get to have what was meant to be their Year 7 camp. I take this chance to also acknowledge the teachers who have gone on this camp as well. I can't think of another profession where staff can be on duty 24 hours for numerous day with no overtime payment or in-lieu time to compensate. Yet we have no trouble staffing camps, as our teachers are dedicated and want to enrich the experience of all students, and for that, I thank them.

As things are slowly resuming, we have had the opportunity for some of our sporting teams to get back into knockouts. One example is our Junior Boys Basketball Team who represented Warilla High at the Coenraad Cup. Congratulations and well done to Ethan Nikolovski, Chayce Te Nana, Cooper O'Brien, Keni Dimovski, Curtis Whalen, Lucas Bogoevski, Hudson Bailey, Riley Giles, Ben Ingham, Jacob Coleman, Jake Wilkins and Rhys Woolley. The second example of things coming back to normal is the return of our Year 7 Meet the Teachers afternoon tea. Working around COVID guidelines, we held it outside, and while it was not great acoustics, it was better than cancelling, like we were forced to last year. Thank you to the many parents and carers who took the time to attend. It was nice to put names to faces and start, what I hope, is a great relationship with the incredible teachers of Warilla High and our new Year 7 families.

Something else that has returned this year is our Expo Evening for our prospective students and their families. What a fantastic afternoon, and while I was not able to do the Principal's Address due to COVID guidelines, it was a

delightful afternoon (maybe because I couldn't do the speech!!!). Thank you in particular to the many wonderful students who stayed back to showcase what a great place this is, and I would add showcase what lovely students they are!!! It was heart-warming to listen to our students tell the visitors about what they like about their school and why it is such a special place. The excitement of the many Year 5 & 6 visitors was also very impressive. I know we don't need to sell our school to new families, as we are already full to capacity and beyond, but it was a great excuse for all involved to celebrate this amazing school called Warilla High!!!

With the increased use of delivery services, we have noticed a new phenomenon here at school. We have had a few instances where we have had a delivery driver arrive with a bag of McDonalds to give to a waiting student. We have a canteen that supplies our students with really lovely meals and at a very fair price. For this reason, there is no need to be accessing outside sources, and any fast food deliveries that come to the school will be returned. Similarly, we ask you not to bring McDonalds type food to school for your student as it will cause embarrassment on all sides when we ask you to take it home. If a student ever forgets their food, all they need do is ask their respective Deputy, and a canteen voucher can be issued on the spot.

Disappointed, I have just come in from the playground where I have seen some Year 7 boys throwing themselves into puddles and covering themselves in mud and water. They will be given consequences for this silly behaviour. Yesterday we had a really unfortunate incident with someone running out of the rain and accidentally knocked another student to the ground causing a horrible break to his arm. Can you please talk to your students about sensible behaviour as they move around the school? As we know, it is tight for room with so many students, but when it is wet and slippery, they all need to be even more careful for the safety of themselves and others.

With the end of this Term, I know many staff and students have been working really diligently for many weeks trying to get reports, assessment tasks and a whole range of commitments complete. The number of senior students using the Study Skills afternoon in the Library is growing every week. It is wonderful to see so many of our senior students and their teachers coming together after hours, to work on their various assignments. Last week 42 students attended voluntarily. Thank you to Ms Sheridan and her band of merry teachers. Thank you staff and students for your hard work and please use Easter to slow down and recharge your batteries, ready for next Term.

On behalf of all staff can I wish you and your families the very best for the Easter break and that a safe and happy holiday period awaits you all.

Finally, I look forward to seeing you all at our P&C meetings on the second Tuesday of each month, commencing at 6 pm in the Library.

*With kind regards,
Ms Brook,
Principal*

Deputies' Report

As we near the end of Term 1, it has certainly been a different start to the year than 2020. It continues to be a positive start to the school year, with students again being able to access school events such as assemblies, excursions and even camps. These events, and the consistent reinforcement of the school core values, Excellence, Respect, Integrity and Compassion, have brought a sense of normality back to the school coming out of a difficult time last year. Whilst there continues to be a return to some normality, the school remains committed to maintaining vigilance regarding the possible chance of COVID being in the community at some point, so we continue to reinforce the Department of Education's 2021 Guidelines around COVID-19, and in conjunction with the Australian Health Protection Principal Committee. This is to ensure our school continues to operate in the safest way possible to support our students and staff. School activities are continuing to run in line with the guidelines, and if students should be at school unless:

- They have a medical certificate which states that they are unable to return to school due to an ongoing medical condition and the expected timeframe.
- They are currently unwell.

In such a large school as ours, there are a small number of students who have been identified as participating in VAPING whilst at school, and unfortunately coming to and from school, and in particular, while wearing the school uniform. Vaping is the inhaling of a vapour created by an electronic cigarette (e-cigarette), or another vaping device. Vaping in adolescence can have devastating and lasting effects. Vaping, including the use of e-cigarettes, is prohibited in public schools, and students found to be engaging in vaping will be dealt with in relation to the department policy on banned substances and the school rules that relate to smoking.

Every year at this point, we discuss the uniform of the students. The year has started well with the uniform of the students being excellent, and staff have consistently reinforced the uniform expectations for students. The school's uniform policy has been approved by our school community and will continue to be revisited by staff. Some particular points include the wearing of 'hoodies' to school. Hoodies are not part of the Warilla High School uniform, and these and other jumpers, particularly work under the school shirts, are unacceptable. Students will be asked to remove the jumper when seen by the staff. This includes all non-Warilla High School branded jumpers. If there is a specific need for students to wear clothing on a specific day that is not part of the school uniform, we continue to ask that a note be provided from home with an explanation, and the students can then access a uniform pass.

Already this Term we have had a great number of students representing Warilla High School with distinction across a number of events such as leadership, creative and performing arts, and on the sporting field. As always, these students do so with enthusiasm and pride, and we consistently receive feedback from parents, event organisers, and sometimes members of the general public, which support the great work these students are doing in the community. Representing Warilla High School is a privilege we want as many of our students to experience as possible. This privilege does, however, come with some conditions. It is expected that the students leaving the school to represent Warilla High School are also performing to their best at school, and particularly with their behaviour. Students who are currently on Orange, Red or Grey level of the school are unable to represent Warilla High School outside the school, such as creative and performing arts, sporting or rewards events unless it is an event specifically related to their curriculum needs.

The school Expo for our prospective new Yr7 students for 2022 was a great chance for the school community to showcase the huge variety of opportunities on offer at Warilla High School. We had a huge number of parents, carers and students come through the school to experience a variety of activities, from practical activities in the CAPA and TAS faculties, the sample lessons across a variety of subject areas, the changes happening in the Library, and even a game of paddle tennis in the quad, and a cookie. The feedback from parents and students was fantastic, and we look forward to meeting these students again later in the year when our transition team begin the process of supporting them in the move from Primary to High School. A big congratulations to the great Warilla High School students who made themselves available to support the groups around the school and provide valuable commentary across all the areas of the school. Also, a massive thanks to Mr Harry for the extensive behind the scenes work in organising the expo and all of the Warilla High School staff who made the afternoon such a success.

A reminder of the year groups the Deputy Principals and their respective year groups are; Mr Peter Hales, who will oversee Years 7 and 11. Mr Martin Ind, who has responsibility for Years 9 and 10, and Mr Stephen Kershaw, who will be overseeing Years 8 and 12.

Mr Hales, Mr Ind and Mr Kershaw

WARILLA HIGH SCHOOL - UNIFORM POLICY

Warilla High School is a proud uniform wearing school. This is in accordance with the Department of Education policy and supported by the whole school community – students (represented by Student Representative Council), parents and families (represented by the P&C), and staff.

Wearing school uniform presents a positive public image to the community of our school. School uniform also fosters a safer school environment by enabling students to be easily identified. All students are expected to wear full school uniform every day.

Years 7 - 10 Junior School Uniform – Boys & Girls	<u>Boys</u>	<u>Girls</u>
	Plain* White Polo Shirt	Plain* White Polo Shirt
	Plain* Navy Blue Jacket or Jumper	Plain* Navy Blue Jacket or Jumper
	Plain* Navy Trousers	Plain* Navy Trousers
	Plain* Navy Mid-thigh Shorts	Plain* Navy Mid-thigh Shorts or Skirt
	School Tracksuit	School Tracksuit

Years 11 – 12 Senior School Uniform – Boys & Girls	<u>Boys</u>	<u>Girls</u>
	Sky Blue School Button Up Shirt	Sky Blue School Button Up Shirt
	Plain* Navy Blue Jacket or Jumper	Plain* Navy Blue Jacket or Jumper
	Senior Jersey	Senior Jersey
	Plain* Navy Mid-thigh Shorts or Trousers	Plain* Navy Mid-thigh Shorts or Trousers
	School Tracksuit	School Checked Pleated Skirt
	School Tracksuit	School Tracksuit

PLEASE NOTE THE FOLLOWING:

- ***PLAIN** means **WITHOUT** patterns, stripes, slogans of **ANY** kind.
- A plain **WHITE** T-shirt may be worn underneath the normal white school polo shirt for Years 7-10 or the blue senior shirt for Years 11 and 12. Shirts must be buttoned up at all times.
- In very cold/wet weather any jacket worn **MUST BE PLAIN NAVY BLUE**.

Jewellery	No earrings (except studs), rings, bangles, necklaces or watches.

ON THURSDAYS STUDENTS ARE PERMITTED TO WEAR THEIR PE UNIFORM ALL DAY.
IT MUST **NOT** BE WORN IN NORMAL CLASSROOM LESSONS ON **ANY OTHER DAY**.

24 September 2019

WARILLA HIGH SCHOOL - UNIFORM PROCEDURES

If a student is unable to wear school uniform they:

- have a note from the Parent/Caregiver explaining the reason
- Roll Call teacher will record on Sentral ('Toggle uniform') and refer to Head Teacher for a Uniform Slip
- produce uniform slip on request from teachers throughout the day
- be aware that if the correct shoes are not worn students will be unable to participate in some practical activities (see below)

When a student has a note from home, Head Teacher:

- collects student note, issues Uniform Slip and records incident on HT Uniform Tracking Sheet

When a student has no note, Head Teacher:

- issues Uniform Slip and records incident on HT Uniform Tracking Sheet
- counsels student regarding uniform
- contacts parents on the 2nd incident in a term
- issues a HT lunch detention
- exclusion from school activities for 3 or more incidents in a term

When a student is out of school uniform with no Uniform Slip:

- the teacher will request student removes item of clothing immediately, if appropriate
- if a student refuses to follow instructions seek support of HT or send student with a note and a responsible student to the Faculty HT
- the Teacher/HT to record incident and follow up on Sentral

Long term non-compliance will result in non-participation in extra-curricular and whole school activities including but not limited to: Incursions, Year Excursions, Camps, Formals, Ski Trip, Other non-curriculum based activities eg. Sporting teams

If student is **not in the correct footwear** they will be unable to participate in activities in the following areas: Science Laboratories, Industrial Arts, Food Technology and Textiles, Visual Arts

IMPORTANT MESSAGES

LATE ARRIVAL – CHANGE OF PROCEDURES

Up until 9.30am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.30am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

UPDATING STUDENT DETAILS

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

PRIVATE PERSONAL PROPERTY

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

PARKING IN SCHOOL ZONES

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

RIDING A BIKE TO SCHOOL

Students who ride a bike to school are required by law to wear a helmet.

STUDENT ABSENCES

Students must bring a note to explain their absences. A green 'Absence Book' is available from the front office. Unexplained absences will appear on the student's report.

UMBURRA NEWS

Our Year 7 students have settled into life at Warilla High, and the process for our Personal Learning Pathways has started. The aim of these guidelines is to provide schools with information to support the effective development and implementation of PLP's for Aboriginal students. PLP's are an effective tool for increasing Aboriginal student engagement. They have the potential to support improved learning outcomes and educational aspirations when they are developed in genuine partnership with Aboriginal students, their parent/carers and support staff. We look forward to meeting you at these meetings.

Our selected Year 8 cohort of students have started at SYFS Cultural program. This program is run by Elders from the community and gives students the opportunity to be immersed in culture whilst learning the language, dance and art. We hope these students enjoy this program, learn and go on to become ATSI leaders in our school and within the community.

Years 11 and 12 students are also partaking in the NRL School to Work Program. This program mentor's students throughout year 11 and 12 then continue working with them for one year out of school. The program has been operational since 2012 and utilises the positive profile of the Rugby league to support and encourage year 11 and 12 ATSI students to achieve their HSC and prepare them as they transition from school to employment or further education. The S2W Program also works with each participant to identify available work experience and employment opportunities using the NRL and NRL clubs business networks, where relevant, to help participants make informed career choices. The mentors visit the school for 1 hour every fortnight to support these students.

Congratulations to Amos Williams Year 11, who will participate in the leadership camp for a week in May alongside NRL clubs Penrith Panthers, Canterbury Bulldogs, Parramatta Eels, and Wests Tigers.

Selected Year 7 and 8 students, along with our ATSI leadership team, have been participating in Bangarra Dance workshops via zoom. These students, under the guidance of Ms Neden have been learning new skills and dance moves to showcase culture. This has been a positive, enriching experience for all those involved.

Ms Simon

The Foreshore Centre

Term 1 has flown by at the Foreshore Centre. Students in all classes have been working hard and participating in amazing classroom programs. This Term, S5 has been collaborating in technology lessons, learning about all things computers. They have been investigating both hardware and software uses and applications. Students are also learning to format documents, produce animations in PowerPoint and code in 'Dance Party'. Among the most popular activities, students enjoyed exploring computer construction by taking apart old laptops piece by piece. Each component was then researched, discovering its name and function.

S5 have also been tantalising their taste buds and honing their culinary skills during food tech. They've produced amazing lamb kofta, protein balls, cheesecake and mug muffins. Congratulations to S5 for their motivation and positive attitude towards their educational experiences this Term.

Mr Demertzis

HT Foreshore Centre

Science

Week 5 Friday 26th February saw our three classes of Yr11 Marine Studies students participate in their snorkelling and swimming skills assessment prior to embarking on our first ocean snorkel adventure in the following week. Students with a wide range of snorkelling experience participated in a number of skills development exercises, including equalising, finning techniques, duck diving, and successfully purging their snorkel on the surfacing. We shared the Shellharbour saltwater pool with a variety of very interested local swimmers and received sensational feedback on the way our students conducted themselves, both in and out of the water.

Week 6 Friday 5th March, we were very excited to take this outstanding group out to Bushranger's Bay and give them a chance to test and develop their snorkelling skills. Bushrangers Bay is a beautiful Marine Reserve on the eastern side of Bass Point.

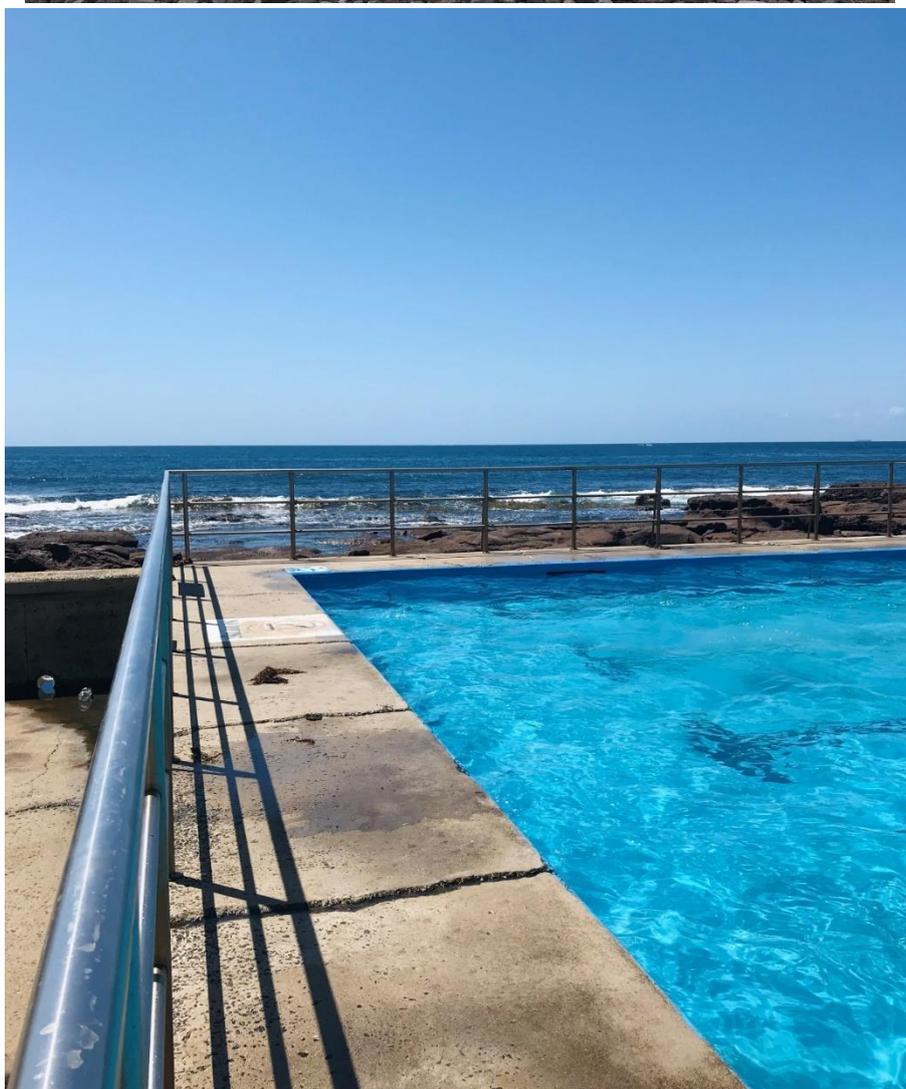

We began the day with beautiful sunshine and calm conditions. However, just prior to entering the water, the day changed, rain and wind poured into what is normally a sheltered bay. Despite these challenging conditions, all students enthusiastically entered the water and spent time exploring this unique ecosystem. Students worked their way through the sandy seagrass at the entrance to the bay, snorkelling around the southern edge of the bay. Mr Cairncross pointed out a Blind Shark that was hiding in a rocky crevice, and the students observed a variety of common temperate species, Luderick, Bream, Trevally, Wrasse, Rock Cod and even a small stingray. We then made our way to the eastern section of the bay to watch the small group of Grey Nurse sharks that were calmly cruising 20m below.

Students showed a real appreciation for this opportunity despite the conditions. We ended the day with a bbq lunch provided by the master chef Mr Reid with the fantastic help of Jenavieve Barrett and Dakota Mason."

I cannot wait for our next adventure!

Mr Smart, Mrs Hanson & Mr Reid

Careers

TRY CONSTRUCTION FOR A DAY

On Tuesday 23rd March, 15 Year 10 students participated in a full-day program delivered by Fusion Training in Fairy Meadow. The students completed a competency from the Cert II in Construction. This involved completing an online theory component prior to the day and a full day of practical activities. Students participated in a Tool-Box Talk prior to building a bird feeder. Project Manager Andrew from Fulton Hogan also attended to speak to the students about Apprenticeships and employment opportunities; he is currently coordinating the Albion Park Rail Bypass.

The taster day in construction is aimed at year 10 students leading up to subject selection for 2022.

Thank you to Harvey and Fred, who were the trainers on the day, and to Jenny Watts from REIP, who created this opportunity for Illawarra Students. Thank you to Mr Cairncross, who coordinated this fantastic opportunity for Warilla High students.

<https://www.fusiontrainingsolutions.com.au/>

HVTC STUDENT PRESENTATION

Year 10, 11 and 12 students were invited to attend a presentation by HVTC on Friday 19th March. Hunter Valley Training Corporation provides a range of customised workforce solutions to meet the changing training and workforce needs of business and industry.

HVTC help employers recruit, manage, monitor and mentor apprentices, trainees and employees to make sure they find and keep the right person for the job. The HVTC Skills Centre offers a wide range of training programs.

HVTC is based locally and help people find real training and employment opportunities. For more information, go to <https://www.hvtc.com.au/>

UOW YEAR 12 FUTURE ME

Congratulations to Mia B, Alannah B, Jasmyn C, Grace D, Imogen D, Braythn G, William G, Kye H, Tayleah H, Jimmy H, Isaac L, Jasmyn R, Kyana S, Piper S, Pete T, Zane U and Emmy W on being selected to participate in the UOW Yr 12 Future Me Program for 2021.

The Future Me Program is delivered weekly during term 2 and 3 via online and on-campus delivery.

The program includes:

- Online HSC study support
- Online Transition to University content
- Soft Skill webinars and lectures
- Live Q&A sessions with University of Wollongong Mentors
- Support with university applications
- Opportunities to visit your local UOW campus

DEFENCE FORCE RECRUITING - INTERNATIONAL WOMEN’S DAY EVENT

Every year the Defence Force coordinate an International Women’s Day event; this year, our students were involved in a day of activities held at Hangdog Climbing Gym. Thank you to Year 12 students Piper Stephens, Alannah Blake and Emmy Withers for attending the event and being wonderful ambassadors for Warilla High School.

*Mrs Hicks
Careers Advisor*

THE FACTS

- Vapes (e-cigarettes) aren't just air, they contain toxic chemicals that can damage the lungs.
- Kids who vape are more likely to smoke.
- It is illegal for any vape to be sold to teenagers under 18 years of age.
- Vapes that contain nicotine are illegal in Australia.
- Vaping is easy to hide because it doesn't smell like cigarette smoke.

WHY DO KIDS VAPE?

- Vapes come in many different flavours.
- Many vapes do contain nicotine and are addictive.
- They are small and discreet – easy to hide from adults.
- Teens try vaping to fit in with their friends.
- Disposable vapes only cost \$15.

Warilla High School BYOD Store

www.hp.com.au/byod

Your School Code is: **WarillaHS**

Student ready devices at great prices direct from HP!

BYOD Program

Buying directly from HP ensures your child has the right device and support to work in the school environment. Importantly, it guarantees the latest learning devices at affordable pricing, ensuring the most optimal learning outcomes. All devices have been selected by your school and meet the schools minimum device requirements.

How Do I Purchase?

The easiest way is to purchase online at www.hp.com.au/byod you can also buy via the HP Call Centre **1300 725 017**

What is ACCIDENTAL DAMAGE PROTECTION (ADP)?

ADP covers the device against accidental drops, spills or damage. Zero excess for three major claims over 3 years. e.g if a student were to drop their device and crack a screen we will come to site to repair at \$0 excess including all parts & labour

What does the price include?

FREE Shipping and enhanced 3 Year Onsite Support.

Finance Options

HP offer 24 months interest free finance through Latitude Finance, this will go live online through the store on November 17th and will be fully automated at checkout.

IMPORTANT NOTE: Our New BYOD Store is now here!!! www.hp.com.au/byod

Whats New?

- Improved look and feel
