Principal's Message

Welcome to 2022 and the start of the school year. I am genuinely hopeful for a year with pretty much-uninterrupted learning, but who knows what the latest variant of COVID might do. The main thing is that at Warilla High, we are doing everything within our power to keep your student, which in turn means your family, as safe as possible.

For many of us, the requirements of Health NSW are pretty much the same as the end of last year. We are keeping our "cohorts" as in Year groups of students separate, hand sanitiser is available, social distancing is encouraged, doors and windows are open to create better ventilation, and students MUST wear masks. They have even reviewed and decided the only masks that seem effective are "surgical" masks, and we are offering them to students as they arrive each day. NSW Health has told us that cloth masks are not to be used. However, don't worry; we are giving surgical masks to everyone.

The other thing we are giving out are RATs, not hairy rodents, but Rapid Antigen Tests. All students have now been issued with enough RATs to test for the first four weeks of school. As before, if it is a negative result, that is great, and things continue, but if it is a positive result, then get a PCR test and pursue this with NSW Health. In the unfortunate case of your student being a positive for COVID, please let the school know as well.

NSW Health has also informed us that any student or staff member who is unwell and/or displays symptoms of COVID-19 will be asked to go home and stay until they can complete a RAT or PCR test.

- If symptoms continue, they should stay at home and take another RAT in 24 hours or have a PCR test.
- If the second RAT or initial PCR test result is negative and they are displaying no symptoms, OR they are diagnosed as another condition such as hayfever, the student or staff member can return to school.
- In NSW, positive COVID-19 cases are provided with a Medical Clearance Notice after 7 days and allowed to leave self-isolation as long as they do not have COVID-19 symptoms.

We are keeping a close eye on all our students, but especially our new Year 7 students. For some of them coming from small primary schools, the huge number of students at Warilla High must be a shock. Then add mandatory face masks and Rapid Antigen Testing. It might seem very different when compared to their previous school experience, but we are doing everything we can to make them feel at ease. Special mention of thanks to Mr White, Mr Smart and all of the year advisors for their great work with our many new students.

Looking back at 2021 saw some amazing results for our Year 12 students, despite the amount of time they spent working with their teachers online and not face to face. Huge congratulations to Alex Falconer who was the dux for 2021, with Band 6 results in Chemistry, Maths Extension 1 and Maths Extension 2. We also

had some other students gain Band 6 results, the highest possible, in a range of subjects, all attaining a Band 6, or equivalent. Paige Hocking- Nicholls in Investigating Science, Audrey Scheu in Mathematics Advanced, Tyson Schillert in Investigating Science, Kiah Starr in Investigating Science, Emma Streeter in Extension English 2, Sony Duy (Peter) Tran in Mathematics Extension 1 and Mathematics Extension 2 and Jayden Wells in Mathematics Advanced. Amazing results for all of them!!! Further to this, we also saw 74 Band 5 results. So our wonderful students in Year 12 gained a total of 84 Band 5 and ^ results. This sees Warilla High improve their HSC results for the third year in a row. I must thank both our students and their teachers for achieving such wonderful results despite the amount of time that they had to converse with each other online and during lockdown!!! This is really a phenomenal outcome, and everyone involved should be proud of these results!!!

We have just held our annual swimming carnival, and due to COVID rulings, it was Year 7 and competitive swimmers only for the rest of the school. I was lucky enough to be able to drop in to see the end of the day, and it was wonderful. Students told me of their Personal Best efforts, and the behaviour of all involved was exceptional. I said “hello” to a few very happy parents, and it was a lovely feel for the day. The next step will be to let students know who has qualified for the Regional and District events. Warilla High has an outstanding history in representing the school at the more elite levels in swimming, and I hope that this continues in 2022. Thank you also to the staff who were part of the team who supervised and worked on this carnival. At the end of the day, it took considerable effort to wrestle the microphone off Mr Harrison and Mr Cairncross, but we did get them to “drop the mike” eventually. Luckily, we did get them to give up before they started to Karaoke us!!!

Again, can I welcome everyone back to Warilla High for 2022? I hope that our Year 7 students and their families quickly feel like they are part of our “Warilla High” family. If you have any concerns, please call us on 4296 3055, and we can discuss whatever it may be. Remember, we can’t fix a situation if we are unaware of it, so don’t hesitate to call for a friendly chat.

Finally, I thank all our families and community for their perseverance and good humour during this time. The situation may be worrying, but the positive attitude is what is keeping us united and moving forward. My personal hope is to keep our students, staff and the wider community as safe as I possibly can, and I thank you for your cooperation towards achieving this goal.

Keep well, stay safe!!!

***With kind regards,
Ms Brook,
Principal***

Deputies' Report

Hello and welcome to the 2022 school year. I would particularly like to welcome our students and families joining the Warilla High School community for the first time, especially our new year 7 students. My name is David Boscoscuro, and I have the honour and privilege of joining the school's leadership team as the new Deputy Principal for years 9 and 10. I join a strong, focused, a highly skilled and passionate team that includes our Principal Michelle Brook, Deputies Martin Ind (years 7 and 11), Peter Hales (years 8 and 12) and all our Head Teachers. I feel very privileged to have been afforded the opportunity to guide the learning of students, support teachers and build positive relationships with parents at such a fantastic school.

It has been wonderful to have the students back on school grounds, and they are to be congratulated on a great start to the year. Over the first few weeks, I have been greatly impressed by the respect, integrity and compassion demonstrated by the students here at Warilla. This has been extremely pleasing as respect, integrity, and compassion are three of the school's core values. The final value is excellence. Warilla is a school rich in the tradition of excellence, where children are the focus, and I have been amazed by the professionalism and dedication of our staff, the parental support and the students' hunger to strive for their personal best. I join in the partnership of all stakeholders involved in working together to ensure that our students experience success each and every day. My hope is that our school atmosphere continues to be that of a warm, welcoming environment for everyone.

Teaching and Learning:

Since I arrived at the school, it has been humbling and motivating to hear of all the authentic, tailored, and strategic learning opportunities developed by our wonderful staff for the students. It is evident that the teachers have been hard at work using past student data to develop these learning opportunities long before the term started. It would be remiss of me not to acknowledge all the hard work and dedication of our wonderful team. Thanks.

Year 7 Best Start:

Literacy and numeracy skills are key components to a student's success in all subjects in high school. Students come to high school with a range of experiences, skills and abilities in literacy and numeracy. During week 3 all students in Year 7 participated in the Best Start assessment that helps provide information for teachers on the literacy and numeracy skills of students at the beginning of Year 7. Over the next few weeks, teachers will be busy analysing information about their students so that they can plan programs and lessons that best support the learning needs of every student.

High Expectations:

The beginning of a new school year is also a good time to remind all families about the expectations the school has of our students. To put it very simply, we expect students to strive to be their best in all aspects of their schooling. I would like to emphasise the importance of the partnership between students, the school community and home and of the positive impact fostering this relationship has on student outcomes. Students are more likely to achieve if they feel connected and safe at school, so please do not hesitate to contact the school if there are any concerns or difficulties.

Uniform

School uniform provides a sense of belonging. It creates a 'team mentality' where all are working together for a common goal. It provides a sense of equality and helps to ensure student safety. With this being said, we know that circumstances will arise where a student will be unable to wear the complete uniform on a particular day. A note from home explaining this circumstance is all that is required for a student to be excused. If there is an ongoing issue stopping your child from wearing our uniform, we ask that you make contact with the relevant Year Adviser. We have the ethos that 'your child' is 'our child', and we will work with you to find a solution.

Mobile phone and electronic devices.

Our Mobile Phone Policy is designed to support learning by minimising distractions. The longer students spend on developing connections to their learning, the greater their mastery. It is for this reason that all phones need to be turned off and placed in the student's school bag during lesson time unless a teacher directly instructs a class that they may use a mobile phone during that particular lesson. We see mobile phones as being unnecessary in the school context and actively encourage our

students to leave their phones at home. Students who have devices switched on in class (including phones that ring, vibrate or indicate a text message, iPods and other electronic devices) will be dealt with via the school's discipline system.

Vaping

Warilla High School is not immune to this trend, and we have been endeavouring to strike a balance between educating our students and delivering sanctions regarding the use of vapes at school. Vapes (e-cigarettes) cannot be legally used on school grounds, and the majority of our students are not of an age to legally use or purchase. We would like parents to be aware that the marketing of these products is directed towards young people and that the use of vapes is becoming prevalent in our community. We, therefore, ask for your ongoing support in our efforts to limit the use of these products amongst our students.

Swimming Carnival

I had the pleasure of attending the school swimming carnival on Friday 11th of February. Congratulations to all students involved. Unfortunately, due to COVID restrictions, we were limited in the number of students who were able to attend. It was regrettable we couldn't invite everyone; however, all year 7 were at the pool to support our competitive swimmers and cheer all participants from years 7 to 12. A very big thank you to all the staff who made this day possible.

NEW STAFF

The start of every school year brings about some changes in staff. We have lost some wonderful people and have been fortunate enough to replace them with some amazing new staff members. I would like to introduce the new member to Warilla High School.

Teachers

David Boscoscuro – Deputy Principal: Years 9 and 10

Renee Pettit - Head Teacher: Teaching & Learning – returning to the school

IMPORTANT MESSAGES

LATE ARRIVAL – CHANGE OF PROCEDURES

Up until 9.30am go to the side window of the Library between 'A' block and the Library block. One of the Office Staff will record your information and give you a late slip to get into class. After 9.30am report to the front office. Arriving late 3 times **without a note from parent/guardian** will result in parents being contacted by the school and consequences will apply.

UPDATING STUDENT DETAILS

If you change your address, phone number, including mobile number, or other contact details could you please let the school know as soon as possible?

PRIVATE PERSONAL PROPERTY

Personal property which is brought to school is the sole responsibility of the individual. The school is not insured to cover loss or damage.

PARKING IN SCHOOL ZONES

Heavy fines are imposed for illegal dropping off or picking up students in school zone hours.

The school car park is for staff parking only and is not to be used for dropping off or picking up students.

RIDING A BIKE TO SCHOOL

Students who ride a bike to school are required by law to wear a helmet.

STUDENT ABSENCES

Students must bring a note to explain their absences. A green 'Absence Book' is available from the front office. Unexplained absences will appear on the student's report.

FINANCIAL ASSISTANCE

Parents experiencing financial difficulties can apply for support through the Student Assistance Scheme. Funds are available to help with subject fees, school uniform and books. All enquiries through the front office.

Yerrowah News

Welcome to all our new Aboriginal and Torres Strait Islander families. We look forward to meeting with you throughout the year in our newly refurbished Yerrowah Indigenous Centre. Yerrowah means “meeting place” in our local Dharawal language.

Our Year 7 PLP meetings are currently underway, and we are getting to know our new students. The year 7 cohort will also have an Art/Cultural day in week 5 to meet each other, and we have the local ACLO Glenn Sutherland from Lake Illawarra Police attending to assist with the student’s art and meet and greet.

This year we have some of our Year 8 students who will attend Southern Youth and Family Services cultural program one day a week. This program is to support our Aboriginal students to transition to high school and stay engaged in education. The program content is designed to increase cultural awareness, connection and identity. It further assists students’ personal development and social skills. Activities include dance, art, storytelling, language, didgeridoo, history, craft and social and living skills.

Please know the Aboriginal Education team are here to support your child’s education and schooling experience. If you need help or advice, please feel free to contact us here at school.

We look forward to engaging with all our Aboriginal Torres Strait Islander students and families throughout the year.

Aboriginal Education Team

School Therapy Dog

My name is Ollie, and I am a blonde labrador.

I am your School Therapy Dog, and I am here to make sure everyone has a smile on their face!

I am almost 3 years old. My birthday is the 29th of March 2019.

Some of my favourite treats are carrots, celery and peanut butter, but I can only have them when I’m good!

I love spending time with the kids at school, and I absolutely love getting pats from everyone. One of my favourite spots to be patted is behind the ear, and it makes me fall asleep.

One of my favourite activities is to play fetch or tug of war for whoever is up for the challenge! I would love to meet everyone on the days that I am here! I’m here on Wednesdays, and I’m either at the Welfare Hub or around the school.

I can’t wait to meet all of you!

Lots of love from **Ollie xx**

Careers News

There have been a few changes in the Careers team at Warilla High. Tracy Hicks has been successful in gaining a Head Teacher Careers position. This role allows her to work in conjunction with many high schools within our local area. Drew Cairncross will be the Warilla High School Careers Advisor, and we will shortly be appointing a Transition Advisor to work with the careers team.

CONNECTING WITH CAREERS

www.warillahighcareers.com

Warilla High School Careers

UOW DISCOVERY DAY 2022

Year 12 students, unfortunately, have not had the opportunity to attend UOW Discovery Day as it has been postponed to later in the year. Students can register to the UOW mailing lists for all the “up to date” information. UOW will be looking to run the event when the COVID restrictions are eased. The Discovery Day is an opportunity for students to register and create their own timetable and attend university for a day as a student. Hopefully, when it runs, it will be an excellent face to face experience.

UOW FUTURE ME PROGRAM FOR CURRENT YEAR 12

Applications are open NOW!

Future Me is a FREE program delivered through weekly sessions during Term 2 and 3. Year 12 have been emailed this information and will also be invited to a lunchtime information session with the Careers Team. For more information and application links, go to:

<https://www.uow.edu.au/engage/outreach-pathways/year-12/year-12-upp/>

Year 12 Future Me Program 2022

—

Improve your HSC study skills, explore your post-high school opportunities. Our annual Year 12 Future Me Program runs over 2 school terms in 2022, from May to August: it is designed to support you with your HSC study skills and allow you to experience a taste of UOW student life.

APPLICATIONS CLOSE 9 MARCH 2022 FOR ALL UOW CAMPUSES.

FOR MORE INFO: [UOW.INFO/YR12PREP](https://www.uow.edu.au/y12prep)

UNIVERSITY OF WOLLONGONG AUSTRALIA

Outreach & Widening Participation

YEAR 9 and 10

It is time to ensure you have a USI (Unique Student identifier). Students who have not previously obtained a USI can see the careers team. For further information about USI's, go to <https://www.usi.gov.au/>.

Years 9 and 10 will also have the opportunity to undertake work experience later this year. All students will be withdrawn in small groups this term to participate in the Ready to Work Program. This program prepares the students for organising and participating in work experience. It is an opportunity to understand rights and responsibilities when engaging in work experience. For students and employers to be covered by insurance, a Student Placement Record must be correctly completed and signed by all parties prior to the work experience. This process is covered in the program.

Mr Cairncross

PROGRAM DETAILS

WHEN: Future Me weekly sessions run from May - August, 2022

HOW: Blended delivery, online and on-campus (COVID permitted)

WHERE: UOW campuses- Bega, Batemans Bay, Shoalhaven, Southern Highlands, Wollongong and South Western Sydney (Liverpool)

COST: Free for In2Uni sponsored school students or students who meet the eligibility requirements below

WHO CAN APPLY?

You are invited to apply to the Year 12 Future Me Program if you meet the following criteria:

- You must be completing your HSC or IB in 2022 at a high school in the Illawarra/South East NSW/ South West Sydney Region
- You must be attending an In2Uni sponsored school, OR meet one of the following criteria:
 - Completing the HSC in a rural or remote area
 - Identify as Aboriginal or Torres Strait Islander
 - On a permanent humanitarian visa or have refugee status
 - Currently experiencing financial hardship, disability/mental or physical health condition or social disadvantage that have impacted on your studies*

* You may be asked to provide details of these circumstances. Please contact us for more information if you are unsure whether you qualify.

PROGRAM BENEFITS

During the program, you will have access to and receive the following:

- Over 20 hours of free Year 12 and beyond skills development under the guidance of our UOW student mentors & Outreach staff
- By successfully completing the Future Me program, students will be eligible for a guaranteed interview or offer through the Early Admission program at either the University of Wollongong or UOW College (UOWC). Participation in this program will be taken into consideration when assessing UOW and UOWC course applications and outcomes. Interviews/offers may be for a course determined by UOW/ UOWC, dependant on academic performance. This may not be for the course listed in a student's Early Admissions application.
- Face-to-face and online subject resources to assist with the HSC.
- Assistance completing your post school admissions and UAC online applications.
- Mentoring to explore post-high school options, including higher education and pathways options based on your Year 12 academic performance.
- Year 12 Super Study Day - to prepare you for your HSC exams and transitioning from high school to what

HOW TO APPLY?

1. If you meet the eligibility requirements above, please complete the application form online at: uow.info/yr12prep by Wednesday, 9 March 2022.
2. You will receive a notification email stating the outcome of your application after your details have been assessed.

FOR MORE INFO

Please contact the UOW Outreach & Widening Participation Team
(02) 4221 3450
pathways-in2uni@uow.edu.au

FROM THE LIBRARY

Welcome back to 2022; we look forward to welcoming you into our lovely new space and encourage students to come and see what we are offering in the library this year.

Our school library will be operational 5 days a week. Mrs McInnes is working Monday, Tuesday and Friday, and Mrs Grant will be working Wednesday and Thursday. Ms Bowden, the Library Technician, will be available every day to assist with any enquiries.

Whilst cohorts are remaining separated, please see the timetable below for students being able to access the library during break times.

Please come and see us at the side window if you would like to borrow on another day or have any questions.

WHS Library Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
Break 1	Year 7	Year 9	Year 8	Year 10	Year 11 & 12
Break 2	Year 8	Year 10	Year 7	Year 9	Year 11 & 12

* Any senior students who are needing to complete work or study will be able to access the senior computers and workspace during any break.

Year 7 Library Lessons

Year 7 have been having a great time during library lessons completing the Amazing Race Library Edition. Students have been finding their way around the library and familiarising themselves with the functions and layout of the library. We have been very impressed with their teamwork, communication skills and respectful, competitive spirit.

THE AMAZING RACE

LIBRARY EDITION

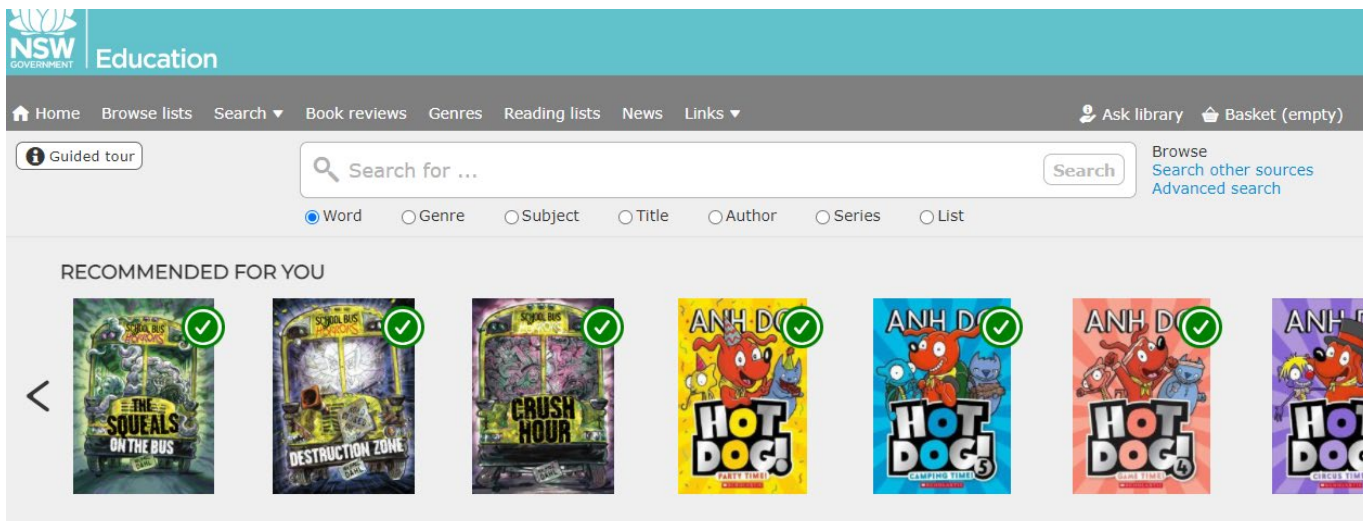

Browse your school library catalogue at school and at home!

Did you know that you can access the school library catalogue 'Oliver' from your desktop, laptop, tablet, or phone???

Simply click on the 'Oliver' icon on the Warilla High School Intranet page to check out what's available, new additions or to reserve books that are on your must-read list!

ClickView

Warilla High School has invested in ClickView for staff and students to access. Online access to our ClickView library means that every student can view videos easily at home for research, homework, assignments, and leisure.

All students can log in to ClickView Online by following these steps:

1. Go to this link (<https://online.clickview.com.au/>)
2. Enter your NSW student email address (example: john.smith@education.nsw.gov.au)
3. Select your school (Warilla High School)
4. Enter your student portal username and password to log in
5. Search for videos or look in your subject folders

Student access is restricted to videos that are appropriately rated for their age

group, according to the Australian Classification Standards.

If you wish to stream to your phone or tablet, there is also a ClickView App (available for Android and iOS).

You can borrow and read 24/7 with our eBooks and audiobooks!

The ePlatform e-Book and Audiobook app gives students access to their digital collections, anywhere, anytime.

It's quick, simple, and free to install. Within minutes you'll be able to read your library e-Books or listen to Audiobooks anywhere, on multiple arrays of devices. You can even read and listen offline. Just log in once and begin reading. When you exit, your place is automatically bookmarked and saved so you can begin reading again with just one click.

Sign in with your username or email address

WHY YOU WILL LOVE EPLATFORM

- Smart features to assist people with visual reading challenges like Dyslexia friendly settings.
- Define or search words when reading.
- Smart Settings Wizard with the ability to customise - font type, font size, spacing between letters, words and lines, background colour, enable night mode and adjust brightness.
- Synchronise reading location, highlights, notes, and settings between devices.
- Reading speed control and sleep timer are available when listening to an audiobook.

Scholastic Book Club

Book Club provides families with an affordable and convenient way to bring the best in children's literature into their homes. Each issue contains curated, age-appropriate titles that have been carefully selected and levelled by a dedicated team of professional book lovers. As well as bridging the important class-to-home reading gap, Book Club also benefits Australian schools—for every Book Club order placed, Scholastic gives back 20% of the order spent to schools to purchase valuable educational resources via its Scholastic Rewards program.

Students can then order and pay through the online portal LOOP. You can access the catalogue online at: https://scholastic.com.au/media/6622/bc122_web.pdf

Epipen®

We are aware of a new Adrenaline Injector now available in Australia. The Anapen® adrenaline autoinjector. To date, we have been unable to acquire an Anapen® for training purposes at our school.

Our staff have all been trained with the use of the Epipen®, and these are kept in all the First Aid kits located around the school. We would like to encourage parents and carers to continue with the Epipen® for future prescriptions.

Mrs Edwards

Sport Report

Welcome back to all parents and students of Warilla High. Welcome to our new students and Year 7 cohort.

I had the opportunity to talk to Year 7 on their first day and explain representative sport at Warilla HS.

However, there was a lot to take in on the day, so I have included the Term 1 sporting calendar that includes information for South Coast Team Trials, Zone swimming and Basketball dates and SOME school events that I have the available dates for.

I have also included a list of staff who are coaching teams for 2022.

If your child is keen to participate in school teams, can I urge them to listen to the announcements in Roll Call and on Thursday assembly so they are aware of upcoming events.

The Term 1 Sports calendar can be found on the noticeboard outside the PDHPE staffroom in E Block.

Students can also touch base with the coaches of the sports they are interested to trial for.

It is the responsibility of the individual students to attend meetings and training sessions, get the consent forms and have them signed by their parents/Caregivers and returned by the required dates. It should not be the responsibility of the coaches to chase students to get these forms.

Students wishing to participate in representative sport need to ensure their behaviour in class and around the school is appropriate. Students on behaviour monitoring cards should not be allowed to represent the school.

Should you wish to enquire about representative sport, feel free to email me as the school representative sports co-ordinator - Mrs Clune: denise.sevil@det.nsw.edu.au

Keep an eye on the Kalori newsletter as reports on student and school team achievements are written in most newsletters. As well, the school's official Facebook page will inform families about events and results as they occur.

Parents can also access the NSW South Coast School Sports Association website for calendars for Terms 1-4 and information regarding nominating for sports. While Warilla HS does not offer all sports, students are still able to nominate and participate in South Coast Trials (For example, some of our students trial each year for Baseball, Hockey and Rugby Union, even though we don't enter these teams in South Coast Knockout competitions)

We are looking forward to a year that will hopefully see minimal disruptions. Fingers crossed. 😊

South Coast Open Boys Cricket Trials

The term commenced with 6 boys travelling to Queanbeyan for the first of 2 South Coast Open Boys Cricket Trials. We have some very skilled cricketers across all facets of the game. The following boys have been selected to compete in the second trial in Term 3: Max Carr-McCarron (Year 10), Byron Taylor (10), Hunter Gittoes (11), Mitchell Constantinou (11) and Jake Monie (11).

Mitchell is also one of 6 players selected to trial for the NSW CHS Team. His Leg Spinners have obviously impressed the selectors, and we wish him well in trialling for the NSW CHS State team.

South Coast Girls Open Cricket Trials

This team will compete at NSW State Championships in Albury during Week 5. India Bellhouse is now in Year Yr11, and she has represented every year since commencing high school in Year 7. This year she was again selected and received further recognition by being named as Captain of the South Coast team – an honour she has earned by gaining respect from her coaches and teammates.

South Coast Open Boys Baseball Trials

One student trialled for the South Coast Open team. This student has been successful in making the team again in 2022 after representing in 2021. Congratulations to our Year 9 student Cooper Stephens. Cooper will compete in the NSW CHS Baseball Championships at Frenchs Forest in early March.

U15 South Coast Boys and Girls Touch Football Trials

Warilla HS always has high numbers of students trialling for the U15 South Coast team. It allows us to give students extra exposure to a higher standard of competition and is one of the reasons we are so successful as a school in the sport of Touch Football.

Congratulations to Riley Peters, Cooper Deegan and Jordan Barlow for the boys. For the girls, Madison Hemopo, Maddison Lewis and Kiara Kostovski also gained selection. Wonderful effort. Congratulations.

Both the boys and girls teams will compete at the NSW U15 CHS State Championships in Tomaree in late March.

School Swimming Carnival

COVID restrictions still limit the number of students in confined spaces, and this was a reason for competitors only and Year 7 being able to attend the swimming carnival. The carnival reinforces the strength we have as a school in swimming, and we have about 50 students who have qualified for Southern Illawarra Zone Swimming at Dapto Pool on Wednesday 23rd February. More results on the school and zone carnivals will be published in the next newsletter.

U15 and Open Girls Tennis Trials

Abby Scolamiero, Chelsea Scolamiero and Mariah Stefanovic competed in the U15 and Open Girl's tennis trials. Mariah is in Year 9. Playing in the open section, she won her final against a Bulli HS student and is now the South Coast Open Girls Tennis Champion. Congratulations to Mariah and the girls who continue to be our reliable and capable representatives in this sport.

U15 and Open Boys Tennis Trials

Moses Fowler, Josiah Fowler and Cooper Simpson the three students trialling for the South Coast U15 tennis team and Anton Vidakovic-Diaz in the Open section. Congratulations to Josiah and Cooper for their selection in the team U15 South Coast team that will compete in the CHS State Championships in Wagga Wagga in August.

Not School Sport but How Good is This:

So many of our students are doing wonderful things outside of school. As I receive this information, I am only too happy to publish the information in our newsletter. If you have some worthwhile stories, please email Mrs Clune on her school email: denise.sevil@det.nsw.edu.au

Junior Australian Oz Tag Championships

We have many students in the school who travel to Coffs Harbour every year for the Junior Australian Oz Tag Championships. Indie Bostock was a member of the winning 15s team, and this is a wonderful achievement considering the standard and the number of teams competing in this competition.

NSW Junior Kayaking Team

Kynan Burke (U16's) and Tylah Richards (U18) have been impressing in kayaking for the past few years. Their hard work and commitment to training have paid off with selection in the NSW Junior Kayaking team that will compete in Nationals in April. They will be training at Narrabeen with the NSW Institute of sport in the weeks leading up to the national tournament. This is a very impressive achievement.

Representative Sport Organiser

EOI Boys Volleyball

Members are needed to create a schoolboys volleyball team for school sport. If you are interested in joining the team, can you please write your name down on the Volleyball EOI sheet located on Mr Berry's desk.

Pickup and Drop Offs

If you are picking up or dropping off children at school, can you please be mindful of our neighbours and their driveways. Please don't double park over driveways as our neighbours may need to get out as well, at the end of Abelia St there is a turning circle for people to turn around.

Geography Comp

Following the success of last year, Warilla High will once again be providing students with the opportunity to participate in the Australian Geography Competition.

Students wishing to enter, please pay \$4 to the front office by Friday 25th February.

For more information, visit

<https://geographycompetition.org.au/> or see Mr White in HSIE.

Students years 7–12

Australian Geography Competition

24 March – 6 April 2022

Entry deadline 28 February 2022. Only \$4 per entry.

Certificates and results for all participating students.

School Travel for 2022

2022 school travel applications are now open

Students who need a School Opal card or travel pass for 2022 can [apply](#) now. A new application will need to be submitted if they are applying for a school travel pass for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, or who have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications and current entitlements are updated and remain valid. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2022.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

School Student Transport Scheme site change

On 1 October 2021 the School Student Transport Scheme (SSTS) information and application portal was moved to **transportnsw.info**. This will assist families to find all their travel information in the one place.

Travel from Term 1 2022

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for the School Student Transport Scheme (SSTS) open at the start of Term 4 2021 for travel in 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a difficult period for local bus operators, and students travelling without a valid ticket make service planning and operations increasingly difficult.

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel on a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Please also remember that students using Opal cards must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

Further information can be found at transportnsw.info/travel-info/using-public-transport/school-travel

Student Ready Devices Direct From HP at Discounted Prices!

BYOD Program

Buying directly from HP ensures your child has the right device and support to work in the school environment. Importantly, it guarantees the latest learning devices at affordable pricing. All devices have been selected to meet the schools minimum device requirements.

How Do I Purchase?

The easiest way is to purchase online at www.hp.com.au/byod and use your school code. You can also purchase via the **HP Call Centre 1300 725 017 (Mon – Fri 9am – 8pm AEST)**

Payment Options?

- Pay with Visa, Mastercard, American Express, PayPal, G Pay, Apple Pay
- Available 24 Months interest free finance through Latitude Finance
- COMING SOON!! AfterPay and Latitude Pay options

What is Accidental Damage Protection (ADP)?

ADP covers the device against accidental drops, spills or damage. Zero excess for three major claims over 3 years. E.g if a student were to drop their device and crack a screen we will come to site to repair at \$0 excess including parts and labour.

IMPORTANT UPDATE REGARDS THE SALE OF ADD-ON INSURANCES !!!

The Australian Securities and Investments Commission has introduced new regulations regarding the sale of add-on insurance products. These regulations now require a 4 day 'pause' between the purchase of a device and any add-on insurance associated with that device. As per the process below we are still more than happy to assist you to purchase once that time has lapsed.

BE SURE TO REGISTER and we will contact you.

Steps to purchasing Accidental Damage Protection including 3-Years Onsite Support

For any assistance contact our friendly team:
