Principal's Message

It is such a pleasure to say we have experienced a relatively normal end of the year, and I thank you for the great work you have done and are doing to work with us in these days of ever-changing craziness. This is the closest we have had to “normal” for the past three years, and I am hoping that 2023 might be even more settled.

In recent weeks we have been able to celebrate, pretty safely, the wonderful work of our staff and students and see our HSC students complete their exams. The HSC and completing their exams bring a whole lot of traditions and ceremonies. On the last day Year 12 was on assembly, we were able to “clap” them off. It was something we hadn’t been able to do for 3 years, and it was a nice touch of Warilla magic back!! We were also able to hold a formal Year 12 Graduation ceremony, which was again full of emotion and celebration. Dressed in academic gowns and being “sashed” with the school colours as they stepped up to receive their graduation packs was a moment of pride for the students’ teachers, and families alike.

Last week we also celebrated the hard work of the rest of our students with a Prize giving ceremony. It was lovely to share this with the community again, and the pride on the students’ faces was evident as they received many certificates, awards and trophies. Again, I would like to thank those family members who were able to attend this significant ceremony and share with us the pride in having so many hard working and dedicated students. Congratulations to everyone who was mentioned on the day!!!

I would also like to thank the students for our Christmas Stalls last week. Run by the SRC, Mrs Campbell and Mrs Crnogorcevic for their great work around our Christmas Stalls. Students had a great time visiting the various stalls, eating pizza and ice cream while listening to the performances of our very talented music students. I always enjoy having my hair braided by the students as well!!!

It was great to enjoy the day with our Therapy dogs, Ollie and Jasper, and thank their handlers, Judy and Mr Harrison, for bringing them in, as they too are an important part of our school community.

Finally, I have to mention our Celebrations of Success, where each year was recognised for their excellent attendance, academic achievement and overall performance during the year. So many outstanding students were recognised for their impressive efforts, and I congratulate them and their families!!!

Let me finish by wishing you all a very merry Christmas. I hope you have time to rest, enjoy your family and rejuvenate, ready for 2023. Years 7, 11 and 12 return on Tuesday, 31st January and Years 8, 9 and 10 return Wednesday 1st February.

***With kind regards,
Ms Brook, Principal***

Deputies' Report

At this time of the year, we are all looking forward to spending time with family and enjoying some time away from the frantic pace of our busy lifestyles. It is also a time to reflect on the year past and create resolutions for the year to come.

This report, therefore, would not be complete without a special mention of Year 12 2022. This year group commenced their HSC study while emerging from the 2021 period of remote learning. This was a time when successfully completing the work required for an HSC was a daunting prospect. Fast forward to the end of 2022, this group, time and again, proved themselves to have the determination and resilience to overcome any hardship and work through any problem that life presented. We wish all of you the best for your future endeavours knowing that you have the traits to be successful no matter which path you choose to travel.

To provide a single example of Year 12 success, a special mention needs to be made of students Anya Southwell and Shenyl Fat. These students were nominated for the 'Illawarra Schools' Excellence in VET Awards'. These awards acknowledge outstanding achievement in Vocational Education and Training (VET) subjects and are open to students in both the public and private school systems. Anya was recognised for her work in Business Services, and Shenyl for Hospitality. To be eligible for the award, a student must be nominated by their teacher or work placement host and then go through a selection process, including an interview with industry experts. Anya and Shenyl were finalists in their category, receiving an Excellence in VET Award. Both were outstanding representatives of our school and the calibre of students we produce.

It would also be remiss not to mention a person whose hard work and dedication were major contributing factors to the success of this group. This person was Year 12's Year Adviser, Beth Ross. Beth has made the decision to leave Warilla High School and take up a teaching position in the Shoalhaven. We wish her all the best for 2023, knowing that her new school and students will be gaining a staff member who will always give 100% to her students.

This year also saw a new partnership develop between Warilla High School and its neighbouring school, Amity College. In 2022 Amity College achieved a major milestone, the graduation of their first Year 12 cohort. To help their students to achieve their best, the college reached out to Warilla to assist with the supervision of their HSC examinations. Our school was glad to offer this assistance, and the twelve Amity graduates joined the students of Warilla High School to complete the HSC. Over the four-week HSC examination period, the students and staff from both schools mixed to share the nerves and relief as each examination was 'checked off the list'. Family connections between both schools were revealed, and new connections were formed, and we look forward to increasing the ties between our two schools in 2023.

In 2023 our Deputy Principals will be responsible for the supervision of the following year groups:

Mr Boscoscuro – Year 7 and Year 11

Mr Ind – Year 8 and Year 12

Mr Hales – Year 9 and Year 10

We look forward to maintaining and building on the relationships with our students and families from 2022 and creating new partnerships in 2023.

To finish, the Deputy Principals wish all our families a happy Christmas and a joyful and safe new year.

Mr Hales, Mr Ind and Mr Boscoscuro

Term 4 Update

It's hard to believe that another year is coming to an end. Even though we are almost at the end of the term, things have not slowed down. The past few weeks have continued to highlight some amazing things that are being done by our students and staff, including the Interschool Chess Tournament, Halloween Lego competitions, author talks, Book Club catch-ups, and the SRC kicked off the festive celebrations with the Christmas Giving Tree.

2022 has been a great year, and I would like to publicly thank you all for making the WHS library such a wonderful place to work. We love having you in our space for learning and researching each lesson, helping senior students with their studies, enjoying lunchtime activities, and speaking with avid readers about their favourite books. It is the students and staff that make this such a special place to work.

A big thanks go out to our wonderful library staff from this year; Sandy Bowden, Julie Cimarosti, Irene Kalsow, David Baldwin and Lauren Grant for their commitment and work in and around the library this year – we appreciate all you do! Looking forward to 2023 being bigger and better!

Book Requests and New Releases

All student book requests have now arrived. You should have received an email if you made a request, and your books can be picked up from the circulation desk in the library for the holidays.

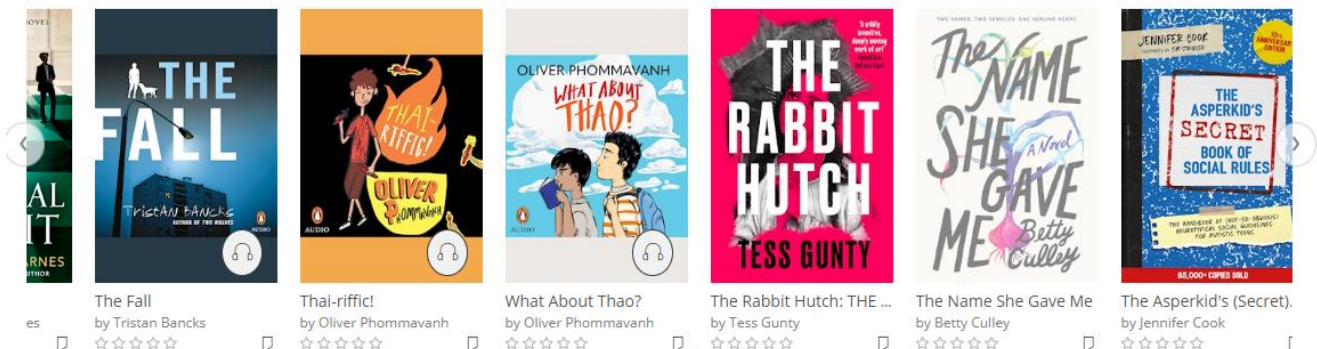

We have just placed an order for over 40 new release books, so be sure to pop up at the start of next year to find something new to read.

We love giving students a voice in what is available in our school library. A reminder that students and staff can request books via the circulation desk or via email amanda.mcinnnes3@det.nsw.edu.au

Year 11

What a delightful year this year has been; Year 11 has transitioned well into Year 12 as they have completed their Preliminary HSC courses and have started their HSC courses, making it one step closer to their long-awaited graduation. Year 11 student achievement was acknowledged during the Year 11 Celebrating Success Assembly. An abundant number of students received a variety of awards, including “Highly Accomplished” and “Excellent Dedication” awards. While this is surely a prime time for some well-deserved celebration and relaxation, students should spend some time preparing for the year to come. I hope everyone has a safe and enjoyable break, and I look forward to seeing everyone back next year in Year 12.

2023 HSC Disability Support Provisions

Disability Support Provisions are adjustments in the HSC which are practical arrangements designed to help students who couldn't otherwise make a fair attempt to show what they know in an exam room.

The adjustments granted are determined by the ways in which a student's exam performance is affected by the learning barrier or disability. Disability includes, but is not limited to Autism, literacy and numeracy difficulties, mental health conditions, ADHD, colour blindness, vision and hearing difficulties, medical conditions e.g. diabetes, epilepsy, and chronic back pain. Provisions may include braille papers, large-print papers, use of a reader and/or writer, extra time or rest breaks.

Warilla High School liaises with NESA to organise provisions for students that are suitable for the Higher School Certificate (HSC). Applications are lodged online by the Warilla HS. The application may include evidence such as medical reports, writing samples and teacher comments.

Applications for support provisions generally close on the last day of term 1, 2023. Late applications can be lodged and are generally considered.

If you would like to find out more, contact Ros Gaynor, Learning and Support Teacher.

Challenge Day

In week 8 of this term, our school held an Investigations Challenge Day with sixty Stage 3 students from four of our Community of Schools (Flinders PS, Shellharbour PS, Warilla PS and Barrack Heights PS).

Mr McGillivray, our CAP coordinator, oversaw the planning for the day and Ms Marsh, Ms Ross, and Mr Collyer devised and delivered six engaging ‘investigation’ challenges throughout the day.

Primary school students were mentored by our Year 8 CAP students to complete; Music focused activities where they investigated water pitch and melody on the glockenspiel, English focused activities where students created a Cinquain poem and used a 3D visual scene to write a creative island storyboard, and History focused activities learning about hierarchy's and participating in an archaeological dig. Stage 3 students used inquiry and collaboration skills to successfully complete the activity at each learning station. On completion, they received a piece of a puzzle to help them cipher a code.

Congratulations to our Year 8 CAP students and our visiting Stage 3 students on your participation in the learning activities and your exemplary behaviour.

We are looking forward to extending this initiative in 2023.

Sports Report

South Coast Beach Volleyball Cup

The inaugural South Coast Combined High Schools (CHS) Beach Volleyball Tournament was recently held at Mollymook Beach on 23rd November.

Over 250 students from as far north as Woonona and as south as Narooma were greeted with beautiful blue skies and light winds, perfect beach volleyball conditions.

26 Students from Years 7 to 11 represented Warilla High School at the event. All our teams did exceptionally well, displaying a high level of sportspersonship and enthusiasm. Overall, Warilla High finished second, taking out multiple divisions – a very impressive performance!

A big thank you to the parents, carers and family members who took the time to drive our volleyballers down to Mollymook.

Congratulations to all our Warilla HS Beach Volleyball representatives:

Year 11: Jackson Blake, Riley Brown, Jackson Walsh, Jack Rhodes, Huntar Gittoes, Max Deller, Summah Hillcoat, Lucy Russo, Amelia Wright, Olivia Falconer, Emily Hood, Olivia Hellmann, Claire Wilson, Lilly Bartlett, Caitlin Russell

Year 9: Maddy Bullock, Emily Farquhar, Alari Southall, Holly Williamson, Kiara Kostovski, Addison Corcoran, Maddison Lewis.

Year 7: Charli Stephens, Rubi Rosentreter and Ekeysha Russell.

NSW CHS State Cricket Championships

Warilla HS had 4 boys make the South Coast Cricket Team: Mitchell Constantinou, Jake Monie (both Yr 11), Max Carr-McCarron and Byron Taylor (Yr 10). To have this many players from one school in any South Coast team reflects the strength and quality of our cricketers. Congratulations to parents and families who have committed their time, money, travel along with the highs and lows of playing high-level competition.

These boys competed in the NSW CHS State Championships in Maitland over 4 days of high-quality competition.

South Coast finished 4th in the state. Max Carr-McCarron's accurate pace bowling earned him a place in the NSW CHS First 11 Team – this is a fantastic achievement.

Congratulations to all the boys who represented the South Coast region with distinction. We are incredibly proud of all your efforts.

NSW/ACT U16 Girls Rugby League Quad Championships

This inaugural event was played in Cabramatta on 21st October and involved teams from ACT, NSW CIS, NSW CCC and NSW CHS. Indie Bostock was one of 6 players from Illawarra schools who made the CHS team. The girls were dominant in their pool games, scoring many points against all teams. They came up against a very different CCC team in the final.

Played in the pouring rain, the teams were trying to try until CHS finished strongly to score and take the championships 16-12. Indie Bostock played at the centre and was on the end of some very good attacking combinations and scored plenty of tries on the day.

Indie Bostock can hold her head high and know she is a member of the very first NSW U16 girl's state school rugby league competition, and a successful one at that.

NSW All Schools Athletics

During the Term, 3/Term 4, Max Linton (Yr 8) stamped his authority and is the fastest 13-year-old 800m runner in NSW following his gold medal at the schools state championships. Max was to compete at Nationals in Adelaide in early December but had to withdraw with a stress fracture in his back. Congratulations to Max. What a year you have had.

Alexis Bell also capped off a wonderful year with a 3rd in U16 3000m. Moses Fowler finished with a top 10 finish and PB in the 3000m

U 15 South Coast and NSW CHS Water Polo Championships

Warilla HS was able to field a boy's and a girl's water polo team and competed against 6 other schools from across the Illawarra. The girls had a great day with a few wins and some losses, finishing 4th overall.

At the completion of the day, Warilla HS Boys were South Coast Champions and won their way through to the NSW CHS U15 Water Polo School Finals held in Newcastle.

In Newcastle, they had a great start with a win against Picnic Point HS and after that were beaten by more experienced opposition. Well done to both our teams, whose preparation was training sessions in the SCG with experienced water polo players Mrs Tregonning and Ms Elkerton leading up to the competition.

The 2 teams are to be congratulated for their effort and desire to get in and have a go at one of the less common sports played in this area. Their enthusiasm and sportsmanship on the day were acknowledged by staff from other schools as well.

Rubi Rosentreter, Nikkita Curmi, Charlie Stevens, Skye Bell, Lillian Wiecek, Kalani Davies, Ivy Deller, Immogen Ladlow, Karine Lunam, Taylah Baxter, Sienna Munro,

Kobe Sims, Cooper Walsh, Maddix Burke, Baxter Devine, Mack Elliott, Storm Balmain

Leivi Willis, Kobe Hayward, Jack Thompson, Ben Grando and Lucas Krstevski.

U 16 Mixed League Touch

Warilla HS fielded 3 teams at Croome Rd on Tuesday, 15th November

They played games against Albion Park, Woonona HS, ISHS and Holy Spirit CC.

Each team played three games and had a great day trying a sport in only the second year of the competition.

Congratulations to our 32 students who competed with great sportsmanship on the day. Lots of fun and really pleasing behaviour.

Our representatives Jesse Shaw, Mitchell Check, Riley Peters, Jayden Lewis, Cooper Deegan, Drew Langdon, Kiara Kostovski, Maddy Bullock, Addison Corcoran, Maddison Lewis, Emily Farquhar, Bree Miller, Jade Miller, Jasira Day, Poppy Lynch, Madison Hemopo, Stevie Olds, Armani Luby, Isabella Holland, Jada Manukonga, Kianda Davis, Eden Corcoran, Breanna Bullock, Joel Crewsdon, Beau Hart, Stevie Peters, Preston Ruiz, Flynn Furney, Kai Spindler, Jordan Barlow, Tyler Lewis, Darcy Farquhar, Kylan Shepherd, Deakin Ingram, Kobi Hayward, Ella Greatz.

Olympic Change-Maker Awards

The Australian Olympic Change-Maker™ award recognises students nationally who are demonstrating the Olympic spirit - friendship, sportsmanship and striving for excellence – both on and off the playing field. Our two awardees for 2022 are: Tylah Richards and Mia Riza. These awards were presented at the Year 12 Graduation.

Wishing all our Warilla HS community a safe and restful Christmas break.

Thank you to all the staff from Warilla HS who have volunteered to train and take our students away for competitions throughout the year. Without your involvement – our students do not get the opportunity to participate and compete.

Thank you to all the parents, caregivers and extended families who have supported our students with transportation, cheering them on at competitions, and providing updates on their progress when they are competing in different towns and cities across the state.

Congratulations to all the students who have put their hand up to train and compete throughout the year. We have had some frustrating times because of the wet weather. However, whether you compete and do not gain a place, whether you have made it all the way through to state and national championships – your involvement is outstanding, and we continue to be proud of all students who represent our school or the Southern Illawarra Zone, or South Coast or NSW CHS or NSW All Schools and finally, or those who make it to School Sport Australia National Championships.

Finally, to the students who happily say yes to refereeing and umpiring primary or high school competitions, assist at carnivals, 'run a line', score and participate in other ways apart from playing the game, THANK YOU.

Hopefully, we can do it all again in 2023

Mrs Clune

Cricket Update

With the start of summer comes the warmer weather and the sweet sound of leather on willow; cricket season is in full swing!

After a disrupted couple of years, there were high hopes for the Warilla High School cricket teams in 2022, with sides entered in both the Open Davidson Shield and Under 15 Hassett Cup competitions.

La Nina had other ideas, and washouts were a constant source of frustration throughout Term 1. In terms 2 and 3, cricket took a back seat to the winter sports and then in Term 4 we had more bad weather.

This left a lot of cricket to be played, and we are running out of time, so the boys (and their teacher doing the admin) have been busy!

In the Davidson Shield, the boys travelled to Figtree on 24th November to take on Figtree High School. In a nice change, the game was played on the school oval, so there were opposition supporters out in force to cheer on their side. Unfortunately for them, Warilla didn't give them much to cheer for with a dominant display.

Batting first, Warilla compiled a massive score of 356 off our 40 overs. Jacob Coleman got us off the flyer and made a brilliant 107, ably supported by Noah McWilliams the openers put on 139 for the first wicket. Noah went on to a well compiled 78, and Byron Taylor finished 51*.

With the ball, Warilla completely dominated, bowling Figtree out for just 28, with Max Carr-McCarron (4/3) and Cooper Stephens (4/18) the chief destroyers.

Beyond the performance, what I was most pleased with was the way the team went about it. After the match, the Figtree coach had this to say;

"I'd just like to congratulate you and your boys on their efforts today, and in the spirit, the game was played. Your team was on a completely different level to us, yet the boys remained respectful throughout the game, and that is to be commended."

This win meant the boys advanced to the next round, with a match against Albion Park High on Tuesday, 29th November.

After being asked to bowl first, we put the pressure on early, and once the first wicket fell at 1/19, we kept chipping away with regular wickets leaving Albion Park 7-58 at the halfway mark.

After drinks, Albion Park put on a bit of a surge with an 8th wicket partnership of 51, taking them to a score of 90 before it was broken by Cooper Simpson. We managed to bowl Albion Park out in the 29th over for 93. For the bowlers, Jaiden Robinson was outstanding with 3/2, supported by Cooper Stephens, who resumed his fine form with the ball (4/17).

With a modest target set, we went out to bat full of confidence and once again, it was Jacob Coleman who dominated from the outset, with Warilla chasing down the target with 1/94 in the 14th over. Jacob finished with 65*, Noah made 6, and Jake was 12*.

This victory saw us into the South Coast A (the region is split into two brackets) Final against Vincentia High School at Hayden Drexel Oval in Worrigeer.

A victory in this match meant we played in the South Coast Regional Final v Eden Marine High School on 13th December.

On a flat track at Hayden Drexel, we were put into bat and, after the loss of an early wicket, were in complete control. Jake Monie compiled one of the great innings in school history, finishing with 144, ably assisted by the Coleman Twins, Byron Taylor, Jaiden Robinson and Max Carr-McCarron. After our 40 overs, we finished 5/336, an imposing total.

With the ball, we were our own worst enemy dropping 6 catches, however, the result was sealed in the 33rd over when we bowled Eden out for 131, a victory of 205 runs. The chief destroyer was Byron Taylor with a comical 4/1, supported by Jarryd White and Huntar Gittoes.

Congratulations to the team, South Coast Champions, who will next year compete with other regional winners for the NSW Alan Davidson Shield.

Can I thank all the players and supporters who have assisted along this journey, as well as our Principal Ms Brook, along with Mel Tregonning and Denise Clune, for all their support of both myself and the team.

The Under 15s team has also seen success and will compete in the Hassett Cup final on Friday 16th December v Vincentia High School, and we wish them every success in this match; let's hope they can emulate the success of the Open team and bring the title to Warilla.

All players across both sides should be commended for the way they play the game; they are a credit to themselves and represent Warilla High as outstanding ambassadors.

Yours in cricket,

Mr White

Shellharbour City Council Youth Summit 2022

On Friday, 19th November Abby Posadas, Harrison Ditton and Lara Pero attended The Shellharbour City Council Youth Summit 2022. They worked with other local high schools engaging in team building and leadership activities. They met with some members of the council and were able to express some ideas to improve the local community for young people. The students were treated to a beautiful breakfast treat.

Some ideas that were suggested were more youth events like local outdoor movies and concerts, outdoor study areas and study groups.

Our school was also lucky enough to have our new School Captain Charli Ryan as one of the organisers of the summit.

White Ribbon Day

Friday 19th November 2022

On Friday, our SRC Leaders created a short video that was played in classrooms to promote the 'White Ribbon Campaign.' On the day, students were encouraged to come and sign their support and also get a tattoo to help spread the word. It was great to see so many students getting involved during the break.

White Ribbon Australia uses the definition of violence against women found in the United Nations Declaration on the Elimination of Violence against Women. "Any act of gender-based violence that results in, or is likely to result in, physical, sexual or psychological harm or suffering to women, including threats of such acts, coercion or arbitrary deprivations of liberty, whether occurring in public or private life" Violence against women affects women's wellbeing and prevents them from fully participating in society. It impacts on families, the community and the nation. Violence against women is a gendered issue. To prevent violence against women, we must understand its gendered nature:

- Women are far more likely than men to experience sexual violence and violence from an intimate partner, and with more severe impacts.
- Women are more likely than men to be afraid of, hospitalised by, or killed by an intimate partner.
- Around 95% of all victims of violence, whether women or men, experience violence from a male perpetrator.

Violence against women occurs across cultures and communities. It takes many forms, including physical, sexual, social, emotional, cultural, spiritual and financial abuse, and a wide range of controlling coercive and intimidating behaviour. Regardless of the form it takes, it is understood to be most often used by men, and its impact is to limit and control women's independence.

It's important to understand that violence against women does not always need to involve physical abuse – often other forms of abuse (for example verbal abuse and threats, social isolation, and limiting access to money) can be enough to impact a person's behaviour and cause them to be fearful. Women often describe these non-physical forms of abuse as being severely damaging to their self-esteem, independence and wellbeing.

Expo of Excellence

On Monday, 21/11/2022, the Foreshore Centre hosted an exhibition of creativity and imagination. The exhibition was showcased at the Imaginarium in Shellharbour Village. The exhibition showcased crafts and artworks by students who are impacted by challenging barriers in their day-to-day living. The showcase demonstrated to the community the excellence that each student is capable of. By presenting these students with high expectations, explicit teaching and mentoring, all students portrayed their ability and unique skill set within the exhibition.

The staff from the Foreshore Centre, Warilla High School, aspire to build and continually evolve a faculty in which children with a disability thrive academically and gain skills to live a fulfilling life post-school. We believe that children achieve the best educational outcomes when they receive quality teaching and are embraced by their school and the wider community. We are committed to continuously improving educational experiences and outcomes by building an inclusive system where every student is known, valued and cared for.

Transport for NSW

School Travel

Term 4 2022

2023 school travel applications are now open

Applications for student travel in 2023 open from **Monday 10 October 2022**.

Students who need a School Opal card or travel pass for 2023 can [apply](#) now. A new application will need to be submitted if they are applying for the first time, or if they are requesting an additional travel entitlement as a result of a new shared parental responsibility situation (e.g. joint custody).

Students who change address, school, campus location, have repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [renew or update](#) their details before **the end of term 4**. This will ensure that schools can endorse applications, and entitlements remain valid for the start of the 2023 school year. School Opal card holders will have the changes applied to their existing card.

If a student's distance eligibility has changed based on their grade (i.e. grade two to grade three), the system will automatically update their entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), we will send an expiry notification via email.

Students who have an entitlement approved under a medical condition that is due to expire will receive a notification advising them to re-apply.

[Term Bus Pass](#) holders will receive a notification to re-apply.

Students in the Opal network applying for an Opal card (including a Term Bus Pass) for the first time will receive their Student Opal card at their nominated postal address. Cards will be mailed out from January 2023.

Students living in rural and regional (R&R) areas should receive their travel pass at the start of the new school year from their nominated transport operator. It may come via the school or be sent directly to them at home. **Note:** some R&R operators do not issue travel passes. Students/parents should confirm with their nominated operator if they do not receive a pass.

Travel from Term 1 2023

We ask that parents plan ahead and make sure their child knows which service/s to use and has a valid ticket to travel; either a School Opal card or Child/Youth Opal card (within Greater Sydney) or a School Travel Pass (outside Greater Sydney), from the start of the school year.

Applications for 2023 School Student Transport Scheme (SSTS) travel open at the start of Term 4 2022, so parents/students can [apply](#) or [update](#) details early and be ready for the start of the new school year.

Most students using the Opal network will not need a new Opal card and can continue travelling on their existing card each year.

The start of the year is a busy period for local transport operators, and students travelling without a valid ticket make service planning and operations difficult.

School Travel
Term 4 2022

We recognise that for some families last minute changes to school enrolments mean they may not have a School Opal card or Travel Pass for the start of term. In the Opal network, we strongly encourage these families to have their children travel with a Child/Youth Opal card until they receive their valid School Opal card. If outside Greater Sydney, parents should contact their [local bus operator](#) to discuss their travel needs.

Bus operators are flexible and understanding, particularly at the start of the school year, and will ensure students can travel safely to and from school. But to best support our operators we encourage all students to have a valid ticket, as early as possible, from the start of the school year.

Students using School Opal cards are also reminded that they must tap on and tap off in line with the [Student code of conduct](#) and [Opal terms of use](#).

COVID-smart measures for schools

Information for parents, carers and students

We know that being together in the classroom is the best thing for our students' learning, growth and welfare. This term we will continue to implement several measures to allow us to prioritise both the wellbeing of our students and a consistent and productive learning environment.

Stay home if unwell

- If your child is unwell, you must keep them at home. If they are displaying COVID-19 symptoms, they should take a COVID-19 test (PCR or RAT) and follow the advice from the NSW Government on [managing COVID-19 safely at home](#).
- Your child should only return to school when they are symptom free.

Vaccinations

- Vaccinations for COVID-19 and other viral illnesses are one of the best ways of protecting yourself, your family and the community. Vaccination is a safe and effective way to give your immune system a helping hand against many illnesses.
- All eligible students and staff are strongly encouraged to keep up to date with their vaccinations to protect their health.
- All staff working in schools for specific purposes (SSPs) are required to be double vaccinated against COVID-19 or hold a valid medical contraindication.

Rapid antigen testing

- Rapid antigen tests (RATs) should be used if your child is displaying COVID-19 symptoms.
- Students who test positive to COVID-19 are encouraged to notify their school and register their positive test results with [Service NSW](#) to have access to timely advice and support from NSW Health.
- Schools will maintain a reserve stock of rapid antigen tests onsite for surveillance testing purposes in the event of an outbreak.

Hygiene and cleaning

- Students are encouraged to regularly wash their hands with soap and warm water, and to use personal protective equipment as required.
- Boosted day cleaning of schools will continue on high-touch areas and other hard surfaces, door handles, lockers, light switches and handrails in stairways.

NSW Department of Education

**Ventilation**

- Fresh air is the most effective form of ventilation to minimise the risk of transmission.
- During the warmer months, cooling will be used together with ventilation methods to balance thermal comfort.
- All learning spaces in government schools have been checked to ensure appropriate levels of ventilation and air purifiers have been provided where needed.
- Using outdoor spaces will continue to be encouraged where possible.

**Masks**

- Mask-wearing is strongly encouraged where possible for all students, staff and visitors, particularly indoors and/or when physical distancing is not possible, and if they have been exposed to COVID-19.
- Mask-wearing is required at all times for staff, volunteers and other workers who support our students who are at greater risk of serious illness should they contract COVID-19, whether they be in schools for specific purposes (SSPs), support units or mainstream classrooms.

**Visitors**

- Visitors can attend school sites regardless of their vaccination status.
- Visitors who are engaging directly with students in certain higher-risk settings for school operations and curriculum delivery and allied health partners for the wellbeing of students, may be required to wear masks.

**Activities**

- Health and safety risk assessments will be integrated when planning activities, including excursions and overnight camps.
- Parents and carers will be made aware of the risk of exposure and will need to give permission for certain activities.

**Responding to local situations**

- Schools will work with the department's Health, Safety and Staff Wellbeing case management team to respond appropriately to local situations, including outbreaks of viral illness.
- In some cases, schools may temporarily introduce additional measures as a 'circuit breaker', including requiring mask-wearing, postponing or limiting non-essential activities and directing cohorts to learn remotely.

**Learning remotely**

- Schools continue to have access to digital, guided and printed learning resources to support students who need to learn remotely.

Telephone interpreter service

If you need further information please call your school principal. If you need an interpreter to assist you with your enquiry please call the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. Tell the operator the phone number you want to call, and the operator will get an interpreter on the line to assist you with the conversation. You will not be charged for this service.

The NSW Government is committed to ensuring school operations continue while prioritising the safety and wellbeing of students and school staff.
