Principal’s Message

Hi there families and carers!!! Term 3 is nearly halfway over, and we are back to being as busy as we have ever been. On the good side, the days are slowly getting longer, so we know that warmer things are coming!!

Weeks 3 and 4 saw our Year 12 students undertake their Trial HSC examinations. They have returned to class in Week 5 and are receiving feedback from their teachers about their performance. I hope your student has done well and is using this as a chance to take this feedback on board as they move towards the final exams. It is hard to believe they have only five weeks left before they finish their 13-year experience in the classroom. I do have to share a comment from one of the independent people who watched over Year 12 when they were sitting for their trials, “Year 12 were the best behaved, most polite and well-mannered students I have come across in quite a while”. If one of these students is yours, congratulations on bringing up such an outstanding young person!!!

Some important dates for Year 12 that are fast approaching.....

Graduation Practice and Mystery Day	Tuesday 24 th September
Dress Up Day	Wednesday 25 th September
Graduation	Thursday 26 th September
HSC Exam Period	Tuesday 25 th October – Friday 8 th November
Sign-out	Monday 11 th November
Formal	Thursday 14 th November

We know that wonderful things are happening at Warilla High School, but the start of the term saw our staff recognised for their excellence. Congratulations to all of the science faculty for receiving The Secretary’s Award for an Outstanding School Initiative for their work around HSC Success Science. Congratulations also to Mr McGillivray for receiving The Minister’s Award for Excellence in Teaching. Well done to all involved and it is proof of the wonderful things that are happening in our classrooms.

Another positive is the number “reward” and “cultural” excursions we have held recently. As Principal, I have some discretionary funds that I am using to supplement various excursions that are being promoted to our well-behaved and good-attending students. It makes me very happy to allow students to have these experiences and by me paying for half the ticket price and in some instances the cost of the coach to Sydney as well more students can afford to take part in these rich cultural experiences. More excursions are coming soon that are again much like these, including Southern Stars and Hamilton.

Thank you to Ms Neden, Katrina, Balunn, Alana and the many students who helped create our amazing art installation celebrating NAIDOC week. Last week we used the netball courts as the canvas and used chalk and coloured sands to draw the theme for the year, “Keep the fires burning. Blak, loud and Proud”. Here is an aerial shot about halfway through. Thank you to the students and staff who participated, it was an inclusive, supportive and fun day for all involved.

Can I remind everyone that phones have been banned in NSW schools for nearly a year. The policy is “Off and Away, Gate to Gate”. This ban has made a huge and very positive impact on the school. Recently, however, some of our students have been trying to use their phones, and we have the same consistent response: they will be locked up for the day, and on the third confiscation, they can only be given back to a parent. Please reinforce this by having a conversation with your child at home.

Enjoy the rest of the newsletter, as it is evidence of the many wonderful things that are happening in and around Warilla High!!!

*With kind regards,
Ms Brook, Principal*

2024 HSC Disability Support Provisions

Disability Support Provisions are adjustments approved by NESAs that can be used by students when sitting in the HSC. The HSC support provisions are implemented for those students with disability who couldn't otherwise make a fair attempt at the HSC exams. Support provisions are practical interventions that allow students to access the exams on the same basis as students without disability.

Adjustments permitted by NESAs are determined by the functional impact the student's disability has on their ability to access and attempt HSC exams.

Disability covered by these provisions include, but are not limited to, Autism, reading, writing and numeracy difficulties, very poor handwriting, excessive pain caused by writing, mental health conditions, anxiety, depression, ADHD, colour blindness, vision and hearing difficulties, medical conditions e.g. diabetes, epilepsy, chronic back pain, physical injury. Provisions may include but are not limited to braille papers, large-print papers, use of a reader and/or writer, extra time, or rest breaks, small group supervision, stand and stretch, diabetic provisions.

Applications for students are lodged online by the Warilla HS. Each student's application is discussed with the student and parents or carers. The provisions sought are dependent on the support needs of the student.

Applications for support provisions generally close on the last Day of term 1, 2024. Late applications can be lodged and are generally considered.

If you would like to find out more, contact Ros Gaynor (roslyn.gaynor@det.nsw.edu.au) Learning and Support Teacher.

NAIDOC at WHS

This year's NAIDOC Week at Warilla High School was a powerful and vibrant celebration of Indigenous culture, reflecting the theme "Keep the Fire Burning: Blak, Loud & Proud." As NAIDOC Week 2024 fell within the school holidays, our students celebrated it on Friday, 2nd August. Our school embraced this year's theme through an engaging activity and artistic expression, culminating in a standout event that showcased our commitment to honouring Aboriginal and Torres Strait Islander heritage.

A highlight of our NAIDOC Week celebrations was the stunning Chalk and Sand Art displayed on our sports court. Students and staff collaborated to transform the court into a canvas of rich, colourful patterns and symbols that celebrate Indigenous culture and stories. This creative project not only added a vibrant touch to our school grounds but also served as a meaningful visual representation of the "Blak, Loud & Proud" spirit of this year's theme. The intricate designs included traditional patterns, Dreamtime stories, and significant cultural symbols, all created with care and respect. The process of creating these artworks involved students from various year levels working together, fostering a sense of community and shared purpose. The artworks were a testament to the rich cultural heritage of Aboriginal and Torres Strait Islander peoples and provided an educational experience for all involved.

Our NAIDOC Week celebrations were enhanced by the involvement of local Indigenous community members and leaders. Their participation in events and workshops added invaluable insights and perspectives, enriching the learning experience for our students. The community's presence was a powerful reminder of the importance of maintaining strong connections between our school and the broader Indigenous

community. As we reflect on this year's NAIDOC Week, it's clear that the celebrations were not only a success in terms of engagement and participation but also in fostering a deeper appreciation for Indigenous cultures within our school community. The Chalk and Sand Art project, in particular, stands out as a symbol of our collective effort to honour and celebrate the heritage of Aboriginal and Torres Strait Islander peoples.

NAIDOC Week 2024 at Warilla High School was a memorable and impactful event marked by artistic expression, community involvement, and a shared commitment to celebrating Indigenous cultures. We extend our heartfelt thanks to everyone who contributed to making this week a success and look forward to building on this momentum in the future.

A big thank you to our Aboriginal Education Team Ms Janine Neden, Mrs Katrina Simon, Ms Daneal Kuiper, Ms Alana Nicholls, Mr Brandon Harry & Mr Balunn Simon for organising such a successful day. To all the staff and students who took the time out of their busy schedules to participate in our fantastic event, THANK YOU!

NAIDOC Touch Footy

On Monday 5th August 12 students along with Katrina and Alana attended Illawarra Sports High for the annual NAIDOC touch footy competition, competing against local high schools.

Game 1 saw us up against Dapto High which we won 8-1, with Tommy and Ezzakai crossing for doubles.

Game 2 we beat Kanahooka High 8-0 with Chayce scoring a triple.

Game 3 was against a tough Oak Flats High team, and we came out on top 5-3, with Jack scoring a double.

We came first in our pool, so we had the bye for the first rounds of finals. We played Albion Park High in the semi-final; it was a very fast game with some great talent on show. Warilla High won 7-4, which put us in the GF against Illawarra Sports High for the 3rd year in a row.

Our team got off to a great start with a 2-0 lead and we thought the drought was finally broken BUT we went down 3-2.

A big congratulations to all our players who represented our school with pride and good sportsmanship: Talia, Zara, Mimi, Tariq, Ezzakai, Harley I, Chayce, Tane, Levi, Tommy, Jack and Harley T.

Thanks to ISH and AEO Lisa Poole for a great day.

Year 11

The end is nigh!

As we pass of the mid-point of term 3, so too does the finishing line for Year 11 well and truly come into focus. Year 11 are to be congratulated for how well they have transitioned into senior school this year. They are among the most populous group that attends our extra study programs, like Senior Study Club on Wednesday, and I am even more pleased to see how much they are using the resources available to them from the Hive in our Library; these great habits will serve them well during the Preliminary Exam period.

Speaking of... the Preliminary Exams will bring Year 11 to a close at the end of this term, with exam running from 11th September through to 23rd September. Students will receive a personalised timetable closer to the date. Following on from this our PDHPE department is busy organising the Life Ready Camp for our cohort and I am looking forward to sharing this information with you once it becomes available.

On Tuesday, the 30th of July, the Warilla High School Opens Boys Touch Team competed in a one-on-one game against Engadine High School. This was the top 20 in the South Coast with the winner progressing to the Top 10 for the NSW State.

The boys started off well and maintained within 2 points of Engadine. The scoreline blew out to 9-5 in Engadine's favour. However, the Warilla team spirit was high, as the boys never gave up and continued to be competitive until the end.

The Boys should be very proud of their achievements in reaching the final 20. They hope to keep the same team next year and work on the combinations to go one better in 2025.

A special thanks to John Clune and Glenn Southwell for their efforts in refereeing a fantastic game of touch. We appreciate your support and generosity.

Dear Parents and Guardians,

We hope this letter finds you well. Recently, there have been reports of scabies in the Shellharbour area. Although we have not been notified of any diagnosed cases within our school community, we want to provide you with important information about scabies and what to look for.

What is Scabies?

Scabies is a skin condition caused by tiny mites that burrow into the skin, leading to intense itching and a rash. It is primarily spread through close physical contact and can affect anyone.

Symptoms to Watch For

- Intense itching, especially at night
- Rashes, particularly in the folds of the skin such as between the fingers, wrists, elbows, and around the waist

Preventative Measures

To help prevent the spread of scabies, we encourage the following:

1. Avoid close skin-to-skin contact with anyone showing symptoms.
2. Wash clothing, bedding, and towels in hot water and dry them on a hot cycle.
3. Vacuum living areas thoroughly and regularly.

What to Do if You Suspect Scabies

If you or your child develop symptoms, please seek medical advice promptly. Treatment typically involves prescribed creams or lotions that eliminate the mites. It is crucial to follow the treatment instructions carefully and ensure all close contacts are treated simultaneously to prevent re-infestation.

For more information, please refer to the NSW Health guidelines on scabies [here](https://www.health.nsw.gov.au/environment/pests/parasites/Pages/scabies.aspx).
(<https://www.health.nsw.gov.au/environment/pests/parasites/Pages/scabies.aspx>)

Thank you for your attention and cooperation. Together, we can help keep our school community healthy and safe.

Warm regards
