High School

Equity. Inclusion. Belonging.

Our commitment to diversity.

Warilla High School knows that all people achieve their best when they feel equal, included and belong. We strive to support our students to be their most authentic selves at school and in life.

We are committed to embracing diversity and eliminating all forms of discrimination in the provision of education. Our school welcomes all people irrespective of their race, ethnicity, culture, faith, ability, sexual orientation and gender identity.

We hope that by hearing the voices of others our staff, students and community are more enriched, accepting and empathetic.
